REF: ESG YR 20 BALANCE

Dear Ms. De Anda:

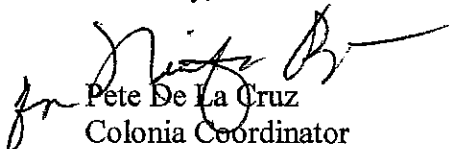

Please be advised that your balance on ESG funds for YR 20 (2007) is \$123,358.23. Also remember that your agreement will end on December 31, 2008.

As per our verbal conversation on September 23rd, I advised that we had received your Plan of Action dated September 22, 2008. I also informed you that our director, Ms. Diana R. Serna, was not in agreement in extending your contract until April 30, 2008. Ms. Serna had indicated that we could give you an extension but only until February 28, 2009. She recommended that we wait until December to see how your agency was doing as far as spending more funds.

Towards the end of December we will let you know how long the extension will be and when it will be sent to Commissioners' Court for approval. In the mean time, please proceed to submit whatever reimbursements you have.

Should you have any questions, please call our office.

Sincerely,

  
Pete De La Cruz  
Colonia Coordinator
