Urban Counties Programs & Services

Intergovernmental Relations (IGR) Program

Represents the interests of urban counties in the Texas policymaking process. Among many other priorities, some IGR projects are:

- Promote legislation to improve the delivery of governmental services, make local government more effective, and reduce the overall cost of government;
- Maintain continuous dialogue with state officials regarding proposals to limit county revenue options and modify property taxes;
- Promote action to prevent prison overcrowding and jail backlogs;
- Opposition to unfunded mandates and restrictions on county authority;
- Promotion of fair funding for urban counties — based on population or number of clients, rather than equal funding per county;
- Legislative impact during the 80th Legislative Session: 6,000 bills reviewed; 1,700 tracked and summarized; and over 100 directly impacted;
- The Policy Analysis Project Report – a weekly analysis of legislation, attorney general opinions and state agency rule changes;
- The Urban Counties Clippings Service - daily e-mails containing articles of interest to county officials from state and national newspapers; and
- Urban Counties Newsletters on county issues and state policy developments.

Education Program

Provides urban county officials with continuing education events, including:

- Urban Counties luncheons;
- Biennial Education Conference; and
- Critical Issues Workshops and Executive Roundtables.

TechShare Program

Develops collaborative technology projects and shared technology resources to save counties money. Projects include:

- Court Management System Software, saving ten counties over \$16 million in acquisition and implementation costs; and
- Case Management System for Juvenile Probation, saving three counties \$8 million in development costs.

COUNTY JUDGE

Hidalgo County
Honorable Juan D. Salinas, III
P.O. Box 1356
Edinburg, Texas 78540-1356

Dear Judge:

It is again time to renew your County's membership with the Texas Association of Counties for 2009. Your continued membership entitles each official in your county to receive our services and use the TAC resources. These include:

- Toll-free Legal Hotline at 888-ASK-TAC4 (888-275-8224);
- *County* magazine and the TAC Website at www.county.org;
- Web site hosting and technology assistance through the County Information Resources Agency;
- Leadership development and Best Practices recognition through the TAC Leadership Foundation; and
- To help offset the cost of TAC's continuing education programs that are sanctioned by the International Association of Continuing Education Trainers.

The common thread in these dues-funded services is that they all represent efforts to *make county government better* for the citizens and taxpayers of Texas. Since its creation 40 years ago, TAC has been at the forefront of bringing county officials together under one tent to seek collaborative answers to common problems. That overall strategy complies with the organization's overall purpose: "The mission of the Texas Association of Counties is to unite counties to achieve better solutions."

Please continue to call upon our staff for assistance and information. All participation in TAC's self-insurance pools is contingent upon membership in the Association. Your support enables us to represent all Texas counties. Attached is a statement that reflects the amount of your county's dues. Please note that the amount has not changed from prior years.

If you have questions about TAC's services, do not hesitate to contact me at (800) 456-5974. If there are questions about the invoice, please call our comptroller, Terry Wyatt, at the same number.

Sincerely,

Karen Norris,
Executive Director
