Subject: Letter Proposal for Disaster Debris Hauler Procurement

Dear Ms. Renteria-Moya:

Per your request, the purpose of this proposed work order is for Beck Disaster Recovery, Inc. (BDR) to assist Hidalgo County, Texas (County) in the development of the scope of work and technical specifications for a Request for Proposal (RFP) to be utilized in procuring disaster debris removal services.

Task 1 – Issues Outline and Scoping Meeting

BDR will facilitate a scoping conference meeting with County staff, the H-GAC, and BDR to explore options available to the County as it relates to procuring a debris removal contract through the H-GACBuy program. During this meeting, BDR will facilitate discussions pertaining to strategy and discuss key elements of the RFP scope of work and technical specifications. In preparation for the meeting, BDR will develop an issues outline that includes recommended items for the specifications. Items included on the issues outline comprise: (1) term of the agreement (including extensions), (2) scope of work (ROW debris removal, leaners / hangers, emergency push services, fuel / generators, etc.), (3) number of contractors to be shortlisted or awarded, (4) evaluation process / ranking factors, and (5) identification of contractors to receive the complete RFP, etc. The issues outlined will be utilized during the scoping meeting in order to obtain feedback from the County on how the RFP scope of work and technical specifications should be structured and worded.

Following the meeting, BDR will update the issues outline within seven calendar days to document the decisions made during the scoping meeting and incorporate them with the County's standard terms and conditions for Solid Waste/Construction contracts.

Task 2 – Develop Request for Proposal Scope of Work and Technical Specifications

BDR will utilize the decisions made during Task 1 to develop the scope of work and technical specifications for an RFP document sufficient for the County to utilize in procuring disaster debris removal services. Following BDR's development of the first draft, BDR will schedule a conference call meeting with the County to review the County's comments on the draft RFP document. Within seven calendar days following the meeting, BDR will incorporate comments from the meeting into a second draft RFP

document for review by the County. For the second draft, BDR will participate in another meeting via conference call with the County to obtain any final comments. Comments from the second draft meeting will be incorporated into the final RFP document within seven calendar days. All draft and final documents will be provided electronically to the County in MS Word format.

Optional Task 3 – Post-Release Services

As necessary, BDR is available to assist the County in responding to questions posed by prospective vendors after release of the RFP and prior to the due date for responses to the RFP. BDR will provide input to questions fielded by the County Purchasing office within one calendar work day of notification.

Upon receipt of proposals by the County, BDR is also available to provide assistance to the County Selection Committee tasked with evaluating proposals. Assistance will include review of hauler responses and evaluation of proposing contractors based on agreed upon selection criteria, including a comparison of proposers' rates. Upon receiving associated materials, BDR will provide feedback to the County within five calendar days.

Due to the inability to determine the exact level of effort required for Task 3 services, these services will be billed on a time and materials basis as requested. Services associated with this task shall be billed at the Project Manager rate (\$175/hr), the Senior Consultant rate (\$150/hr) and/or the Consultant Aide rate (\$90/hr) in BDR's contract with the County, depending upon the level of expertise required. The Senior Consultant and Consultant Aide will analyze data that is collected and prepared by the Project Manager.

Proposed Timeframe

BDR proposes to complete all tasks within 120 calendar days of notice to proceed from the County. This timeframe takes into consideration the time needed for proposers to respond to the RFP and the County to review such responses. The table included below contains proposed response times, in calendar days, to specific deliverables associated with each task.

Beck Disaster Recovery is pleased to have the opportunity to continue working with Hidalgo County. We look forward to assisting the County with its disaster preparedness activities and are committed to being well prepared in the event we are called upon to assist the County with post-event activities. BACKGROUND

Local Government Code § 152.011 authorizes the Commissioners' Court to set the amount of the travel expenses and other allowances for County and precinct officers and employees who are paid wholly from County funds.

Commissioners' Court approved the original policies, guidelines and procedures on June 1, 1996. On August 5, 2008, the Hidalgo County Commissioners' Court revised the travel policies, guidelines, and procedures that were previously amended on April 4, 2006. These travel policies, guidelines, and procedures supersede those found in the Hidalgo County Personnel Policy Manual ("Brown Book") and the Hidalgo County Civil Service Commission Rules ("Blue Book"). The travel policies, procedures, and guidelines set forth below are applicable to Hidalgo County Officials (Elected Officials, Appointed Officials, and Department Heads) and employees.

Hidalgo County has adopted an "Accountable Plan" for the reimbursement of business travel expenses. Pursuant to Federal Tax Regulation § 1.62-2, reimbursements for travel under an "Accountable Plan" must meet three requirements as follows:

1. There must be a business connection and the expense must be reasonable;
2. There must be a reasonable accounting of the expenses (amounts paid up to the allowable federal per diem rates are deemed substantiated); and
3. All excess reimbursements must be repaid in a reasonable time.

| HIDALGO COUNTY, TEXAS ACCOUNTING PROCEDURES MANUAL | Procedure: T.1 Page: 2 of 22 Date Authorized: 08/05/2008 Supersedes: 04/04/2006 |
|---|--|

Federal Tax Regulation § 1.62-2(k) provides that, in addition to these three tests, the plan cannot exhibit a "pattern of abuse." If a payer's reimbursement or other expense allowance arrangement evidences a pattern of abuse of the rules of section 62(c) and this section, all payments made under the arrangement will be treated as made under a nonaccountable plan.

Pursuant to Federal Tax Regulation § 1.62-2(c)(5), payments or reimbursements under a nonaccountable plan are included in the employee's gross income, must be reported as wages or compensation on the employee's Form W-2, and are subject to withholding and payment of employment taxes (social security, Medicare, unemployment).

- e. Mileage is calculated on a point-to-point basis using the Texas Mileage Guide, plus reasonable incidental travel. Reasonable incidental travel may be reimbursed when the traveler provides specific address destination points by using "Mapquest" to determine mileage. The most direct distance to the destination will be allowed. Any out-of-way or unreasonable travel distance as determined by the County Auditor will be at the expense of the traveler.
- f. For in-county mileage reimbursement, a daily travel log must be maintained that indicates specific destination points (including address information) purpose of travel, and any other information deemed necessary. Employees must request reimbursement on a monthly basis with the completion and submittal of **Form T-3 "In-County Travel Automobile Expense Claim"** to the County Auditor's Office - Accounts Payable Section.
- g. Commuting expenses incurred in traveling between the employee's residence and their main place of work (County office) or for mileage/expenses incurred in any other travel of a personal nature are not reimbursable. If mileage incurred in a single day to a place outside the office exceeds normal commuting mileage (home to office and return), the difference between mileage incurred that day and commuting mileage is reimbursable. As guidance, please refer to the following examples:

Example 1: Debra lives in Mission. She has a meeting in Edinburg. She drives directly to Edinburg, attends the meeting, and returns home. She should check her odometer reading when she leaves her house and when she returns to her house. Her total round trip is 26 miles. Her normal commute is 10 miles round trip to the office each day. The 10 miles should be deducted from the total mileage and Debra would only be reimbursed for 16 miles.

Example 2: Mary lives on the southwest side of town, and has a 10-mile daily round trip commute to the office. She reports to the office in the morning and leaves for a 10 o'clock meeting at the Sheriff's Department. The meeting lasts until the end of the normal workday, at which time she goes home. Mary traveled 40 miles today, and she will be reimbursed for 30 miles.

Example 3: Daniel lives on the east side of town and his daily round trip commute to the office and back home is 15 miles. He has an eight o'clock meeting at the Department of Budget and Management. He goes directly from home to the Department of Budget and Management,

returns to the office after the meeting, and goes home at the end of the day. Daniel traveled 45 miles of which only 30 miles are reimbursable.

Example 4: Frank lives on the south side of town. He has a morning meeting at the Precinct 1 office. The meeting lasts all day, and Frank returns home from Precinct 1. A total of 20 miles were traveled today. Frank commutes 30 miles round trip to the office each day, therefore no request for reimbursement can be made.

- h. The County does not provide insurance coverage for private vehicles; therefore, each County Official is responsible to ensure employees traveling on County business have a current automobile insurance policy that provides adequate coverage. The name of the traveler must appear on the automobile insurance card. Reimbursement will not be made if the name of the traveler does not appear on the insurance card. Vehicular accidents, vehicle repairs, parking fines, towing charges and theft of property are the responsibility of the employee, not the County.
- i. County Officials should ensure that employees using a personal vehicle file a copy of their current insurance card and current driver's license with the County Auditor's Office. Mileage reimbursement will not be made if a current driver's license and current insurance card is not received by the County Auditor's Office – Accounts Payable Section and the driver did not have an unexpired driver's license or current insurance coverage at the time travel was made.

10. COUNTY VEHICLE

- a. The use of County vehicles is encouraged over private vehicles. Traveler is required to have a current driver's license. When more than one traveler is going to the same destination, "coordination of travel" (see Section 7) is required. Individuals not on County business cannot be transported in a County vehicle. Additionally, County vehicles cannot be used when combining conference and personal leave.
- b. Reimbursement will be made for actual expenses incurred and for which an appropriate original receipt is provided.
- c. The driver is responsible for providing reasonable and necessary transportation to all the passengers while on the trip. If a passenger uses another form of transportation while on the trip, transportation expenses will not be reimbursed.

- c. Rental of cars is acceptable for one day before the meeting or conference begins whenever same day rental is not practical. Return of rental vehicle one day after the meeting or conference ends is acceptable if same day return is not practical.
- d. If a County Official or employee wishes to rent a vehicle other than the vehicle size and type allowed by the policy, the individual will be responsible for paying the entire invoice amount and may seek reimbursement for the amount allowed by Policy. The traveler will only be reimbursed the state contract price rate for the allowable vehicle size and type. In addition, the department's travel card cannot be utilized to
