SUBJECT: Fuel Purchase - Personal Credit Card

On January 8, 2009 I drove the County van to Texas A & M-Kingsville for a meeting and to return with materials for our demonstration grass trial. At the time that I was in the office, no one was there who knew where the fuel card was kept for this vehicle and I did not remember where it was, since I rarely need to utilize the van. This made it necessary for me to use my personal credit card to purchase gas. Attached is the receipt for \$47.60, for 28.0146 gallons of fuel at \$1.69 per gallon. I would appreciate being reimbursed for this expense.

Monica Hinojosa:

We at AFIX Technologies, Inc. are extremely proud of our reputation as the company that provides the undisputed best service and technical support in the AFIS industry. As we introduce an important new version of our existing AFIX products and add several new products to the lineup, we intend to maintain the exceptional levels of service and support our customers are accustomed to receiving.

In order to continue to provide excellent customer support, we raised our pricing to be in line with what our competition is charging, which is 15% of the retail cost of our products. Along with unlimited technical support phone calls and a copy of all released upgrades, we are also including entrance into our Regional Users Group trainings for as many people from your agency as you would like to see attend.

Your current support plan expires on **May 29, 2009**. The cost for support service and technical support for your AFIX Tracker system for one year will be **\$5,550**. The cost for support service and technical support for your AFIX Tracker LE system for one year will be **\$712**. The cost for support service and technical support for your AFIX Verifier system for one year will be **\$712**, for a total cost of **\$6,974**.

Because the budgeting process can be somewhat robust, we are now offering several options for renewing support:

- *Lump Sum Payment – As always, we will continue to accept support payments in one lump sum for the entire support period of one year.*
- *Monthly or Quarterly Payments - If it will work out better for your budgeting, we will gladly set your agency up on monthly or quarterly payments.*
- *Credit Card Payments – We do accept VISA, MasterCard and American Express. Please note, if you choose to renew with a credit card, a 1.5% transaction fee will be added to your invoiced amount.*

An invoice for the renewal of your systems has been included with this letter.

Thank you for your understanding and your continued confidence in AFIX Technologies. Please contact us with any questions you may have.

Best regards,
