Please complete a separate form for each member

Membership is person specific, i.e., a specific name must be assigned a membership, not the office. We track services, attendance, tuition payments, certification requirements and deliver faxes to individuals. Each level above Blue membership has one or more associate members as free. Additional associates can be added. Faxes, surveys, and communications are directed only to the primary member. Membership is for one year beginning with the date of receipt of your original check. Renewals will be based on the original anniversary date, not on date of subsequent payment; therefore, you are not penalized for paying early (because you still get a 12 month membership from your anniversary date) nor do you gain an advantage by holding payment to a later date. Associate Membership is available only to those who have a principal member in one of the approved membership categories; it ***cannot*** be obtained separately.

Professional Education Program

View Core Course Descriptions

The Professional Education Program is unique in the elections profession. It is the ONLY program of continuing professional education which specializes in voter registration and elections administration. It is intended for those who want to demonstrate their dedication to excellence through a career-long commitment to improving their skills and staying at the top of this profession.

The program was created by The Election Center with the cooperation and guidance of Auburn University's Master's in Public Administration faculty who also serve as the principal instructors. Participants receive Election Center credit towards the achievement of the profession's highest designation as Certified Elections/Registration Administrator (CERA) and they receive continuing education units (CEUs) from Auburn University.

This part of our website is still under development. For now, you can view the courses offered in the Professional Education Program, and see which courses are offered this year. You have twelve years to complete 12 Core Courses which, along with other requirements, can lead to the CERA standing.

The courses are offered in conjunction with Election Center workshops and the National Conference at locations throughout the U.S. every year. In the year 2000, courses will be offered in February, April, July and August at four different cities. (See EVENTS 2000 on this website).

The Professional Education Program manual, the complete explanation of the program and its requirements, will be available from this site in the future. You will be able to download the manual and print it out for yourself. Should you desire a printed copy up until that time, send an email to services@electioncenter.org and request a Professional Education Program manual. You also may receive a manual by faxing a request the National Headquarters at 281-293-0453.

More than 500 of your colleagues around the nation have taken one or more courses in the Professional Education Program. We look forward to having you enroll in this challenging programming which leads to the pursuit of excellence in your profession.

The Professional Education Program was honored as the most outstanding continuing education program in America by the National University Continuing Education Association.

Subject: Goverlan Maintenance

Dear Edna,

As far as a maintenance agreement, we normally send the order confirmation as shown below. In fact, when Coun Hidalgo purchased the maintenance back in Nov 2007, the order confirm below was all that was provided. It inclu the start/end dates of the maintenance subscription and the # of licenses covered. As for the maintenance program/terms, it is available on our website: http://www.goverlan.com/Maintenance/.

Until now, no one has requested that we provide them with a maintenance agreement so it would have to be creat it helps, we have a long list of other schools using our software (a partial list of our clients is shown at: http://www.pjtec.com/client_BasePI.htm). If it is required, we can certainly create one but it will take 1-2 weeks create.

19. **Market Volatility and Unit Price Adjustments**:

Hidalgo County recognizes that during periods of national crisis and unstable economic conditions, unforeseen price increases might affect costs for goods and services contracted on an annual basis. The following procedure may be employed to mediate price volatility:

- **Requesting Price Adjustment**: Upon written request of the Vendor to the County Purchasing Agent, the County may review evidence of prevailing industry-wide market conditions that warrant an adjustment in bid prices contained in the contract.

- A Vendor must tie any price change clause to an industry-wide or otherwise nationally recognized index, or some other form of verifiable document. Such written request must be accompanied by a certified copy of the supplier's advisory or notification to the vendor of the price changes.

- The Vendor must put the Purchasing Agent on the mailing lists for such publications so that the Purchasing Agent can monitor said changes. Such membership shall be at no cost to the County.

- The County Purchasing Agent retains the right to determine whether or not such proposed price changes are in the best interest of the County.

- No price escalation will be authorized in excess of the amount of the increase referred to in the supplier's notice.

- The County may only grant a price increase if the evidence presented is deemed reliable. Should the County allow a price increase, the approved price change shall be honored for all orders received by the vendor or contractor after the effective date of such price change. Approved price changes are not applicable to orders already issued and in process at time of price change.

- **Price Reduction**: Vendor shall notify the County at the time when the Vendor's costs for items and/or supplies reduce due to stabilization in the market at which time prices for items on this contract shall be reduced accordingly. Failure by the Vendor to notify the County of a decrease in costs for items and/or supplies for which the Vendor was granted a price adjustment, may result in immediate termination of this contract and the County shall not be obligated to pay the Vendor the difference between the contract price and the price adjustment.

- **Time Frame for Adjusted Price Increases:** Price increases are only valid for the quarter in which they are requested and approved. Prices shall return to the original contract price at the beginning of the following quarter unless a Vendor notifies the County in writing within ten (10) days of expiration of the quarter in which the price increase is in effect, that it desires to have the price increase continue or that the Vendor is requesting a different price increase for the following quarter. Such request must be supplemented with sufficient justification to demonstrate that the price increase remains necessary. The County Purchasing Department shall have sole discretion whether to grant the price increase extension. The County too, shall have discretion to unilaterally reduce, eliminate or extend a price adjustment to the Vendor at any time upon written notice from the County to the Vendor demonstrating justification for such reduction, elimination or extension of the price adjustment.

- **Allowable Review Periods**: Price adjustment reviews may only be requested by the Vendor on a quarterly basis. However, the County may at its own discretion, conduct temporary price adjustment reviews at any time. The County Purchasing Agent and/or the County Auditor reserve the right to audit and/or examine any pertinent books, documents, papers, records or invoices relating directly to the contract transaction in question after reasonable notice and during normal business hours.

- **Dollar Limit to Price Changes**: The total increase in contract price shall not exceed twenty-five percent (25%) of the original contract price during the contract term.

20. No cash advance discount will be considered.

21. Bids shall be on the BID FORM enclosed and sealed in an envelope clearly marked:

22. The County reserves the right to accept or reject all or part of the bid, waive minor technicalities and award the bid to best serve the interest of the County.

23. Failure to bid may disqualify a vendor from providing products or services for the term of the contract.

24. Supplier or vendor with bid submission must furnish **Material Safety Data Sheet (MSDS)** information for all product bids.

25. Hidalgo County reserves the right to award the bid to one bidder or multiple bidders if the County determines it is in its best interest to do so.

26. **ERRORS IN BIDS, RELIEF OF BID**:

Bidders or their authorized representatives are expected to fully inform themselves as to the conditions, requirements and specifications before submitting bids: failure to do so will be at the bidder's own risk and bidder cannot secure relief on the plea of error. Neither law nor regulation make the allowance for errors of omission or commission on the part of bidders. In case of error extension of prices in the bid, the unit price shall govern.

Form HCPD-05

1. Sealed bids will be received for **HIDALGO COUNTY WIC PROGRAM-" PURCHASE OF ONE (1) NEW 2009 OR NEWER MEDICAL MOBILE CLINIC"** in accordance with the specifications attached as Exhibit "A" hereto. Bids should address all specifications set forth; Bidder guarantees products/services offered will meet, or exceed, the written specifications identified in the bid. Bidders may suggest substitutions of features which they feel would be in the best interest of Hidalgo County ("County"). All deviations from the specifications must be noted in writing, in detail, by the bidder at the time of submittal of the bid. Strong rationale must be presented for any deviation from the specifications. The absence of a written list of specification deviations will hold the bidder strictly accountable to the County to the specifications as written. Hidalgo County reserves the right to reject the deviation and its effect on the overall bid. Any deviation from the specifications as written which the bidder did not previously submit prior to bid opening, as required, will be grounds for rejection of the materials/goods/services and/or equipment when delivered.

2. **ONE (1) ORIGINAL AND THREE (3) COPIES** of all bids are required with bidders name and return address clearly typed/printed on upper left hand corner and the proper notation clearly typed/printed on the lower left hand corner of the envelope and/or package, **"BID-2009-137-04-22-SMA-HIDALGO COUNTY WIC PROGRAM–"PURCHASE OF ONE (1) NEW 2009 OR NEWER MEDICAL MOBILE CLINIC"** and in County's Purchasing Department, 2802 S. Business Highway 281, New Administration Building, Edinburg, Texas, **on or before 9:30 a.m., Wednesday, APRIL 22, 2009 NO FACSIMILES OR LATE ARRIVALS WILL BE ACCEPTED. ANY BID RECEIVED AFTER THAT TIME WILL NOT BE OPENED AND WILL BE RETURNED. OVERNIGHT MAIL MUST ALSO BE PROPERLY LABELED ON THE OUTSIDE OF EXPRESS ENVELOPE OR PACKAGE IN REFERENCE TO BID.**

   Hidalgo County reserves the right to refuse and reject any/all bids and to waive any/all formalities or technicalities, or to accept the bid considered the best and most advantageous to Hidalgo County. Hidalgo County will not be responsible for mis-sent or misplaced bids.

3. Hidalgo County reserves the right to: A.) separate and accept, or eliminate any item(s) listed under this bid that it deems necessary to accommodate budgetary and/or operational requirements; B.) reject any or all bids submitted and further reserves the right to design the evaluation criteria to be used in selecting the lowest and best bid for approval; and C.) award the bid to one bidder or to multiple bidders if the County determines it is in its best interest to do so.

   One or more vendors may be designated as approved "Primary" and/or "Secondary" vendors for purchases from this contract through the effective period of the award. In situations when purchasing from the Primary Vendor(s) is not in the best interest of the County (e.g., when vendor fails to meet established delivery schedules), departments may purchase from the Secondary Vendor(s).

   If a vendor is in default on an order, the County reserves the right to purchase the item in default and charge the increase in price, if any, and cost of handling to the vendor. Failure to pay a damage assessment is cause for contract cancellation and/or suspension or removal of the vendor from the County's Centralized Master Bidders List (CMBL).

4. The Bidder shall not substitute items named in the bid without the express written consent of Hidalgo County. Once a contract is awarded, no substitutions of products on the orders will be allowed without prior written consent from ordering department(s). Substitutions must be approved prior to shipment on a trial basis only, until original item(s) becomes available. Outstanding orders are not automatically amended by an approved substitution.

   Failure of the delivered item to perform as specified or failure to meet the stated delivery schedule shall release Hidalgo County from all obligations to the contracting party with regard to the item(s) in question. In such event, County may elect to award the contract to the next-lowest responsible bidder, or to reject all bids and re-advertise. The County may purchase on the open market any commodity reported by a vendor to be on back order when the resultant delivery time is unsatisfactory. Damage may be applicable in cases of a pattern of back orders. Back orders received after the delivery scheduled date will not be accepted.

5. For work performed at a County owned or operated location, each bidder shall, in its sole discretion, visit the job site before preparing the bid and thoroughly familiarize himself/herself with existing conditions. Bidder should take field dimensions and note all circumstances which affect the dollar amount of the bid.

6. Descriptive specifications are referenced in this document to indicate the general kind and quality of equipment desired by Hidalgo County. Due to various styles and models of equipment, bidders are required to include illustrations, specifications, explanation of warranties, and service data with their bid including catalogue numbers and any necessary references.

7. No bid may be withdrawn within thirty (30) days from the scheduled time to open bids. A bid cannot be altered or amended after the bid opening date and time. Any alterations made before the opening date and time shall be initialed by the bidder or the bidder's authorized agent identified in the bid.

8. Proposed prices are to remain firm for a minimum of ninety (90) days after bid opening. No bid can be withdrawn after the bid opening date and time without approval of County. All approvals shall be based upon an acceptable written reason for the action.
