TERMS OF PAYMENT (Subject to Credit Approval)

- \* All Materials and Labor - Net 30 Days After Each Invoice (Material bills as shipped, labor bills at completion or as phased)

1. **Change Orders:** Any work not included in the above scope of work will require a signed change order before work can be performed

2. **Term of Quote:** Prices given are firm for sixty days from proposal date.

3. **Lead Times:** Please note that we are a made-to-order mill and we cannot begin production of any order until we have a signed purchase order or a fully executed contract in house

Note that normal lead times are as follows:

- Fast Track Carpets, two weeks plus shipping.
- Running Line Carpets, six weeks plus shipping.
- Custom Carpets, eight weeks plus shipping.
- Lead times are approximate and do not start until after the purchase order or fully-executed contract is received

4. **Floor Preparation:** Additional floor preparation may be required as a result of an unforeseen condition of the floor. Costs associated with this floor preparation will be negotiated on a job-to-job basis. Our product performs properly when installed on floors that are free of dirt, oil, paint and excessive moisture. Floors that have moisture readings greater than 3.0 lbs. per 1,000 feet in 24 hours will not meet specification and will require further curing time or treatment prior to carpet installation.

We recommend only wet scraping or mechanical removal of all non-water based adhesives

5. **Asbestos Abatement:** This quote DOES NOT include asbestos abatement. Neither we nor our installers are responsible for the handling, removal or abatement of asbestos contained floor material or adhesive. Further, our policy is to request an Asbestos Hazard Emergency Response Act (AHERA) report prior to proceeding with any floor material or floor adhesive removal. We and our installers consider it the owner's responsibility to produce this report prior to executing this contract.

If any chemical stripping agents such as those commonly used in asbestos abatement have been used we and our installers may require additional measures be taken prior to installation of any product. These measures may affect the price of this quote. Please contact our Technical Services Department at 800.241.4902 ext. 2129 for more details.

Please indicate your acceptance of this proposal by returning your signed purchase order, or fully-executed contract via fax to 706.259.2638. Please address it to my attention. Should you have any questions, please call me at 800.241.4902 ext 2643 or email [miller@tandus.com](mailto:miller@tandus.com)

GSA contract # GS-27F-0032P

**SIN 31-604**

**Installation**

Prices are based on a carpet installation in an open, empty office/dormitory/quarters space on a "clean floor." A clean floor is one whose condition is appropriate to accept carpet with no additional preparation other than possibly sweeping. Sub floor preparation (take-up and disposal of existing floorcovering, flashpatching for uneven floor, extensive floor cleaning, cost of temporary warehousing, etc.) is not covered by this contract and may be negotiated with the customer agency on an open market basis.

Payment for flooring product purchased shall be made by customer agency prior to installation. When installation is required in conjunction with flooring product under contract, the contractor may invoice separately for the flooring product.

Compliance with all local laws, regulations, and ordinances is the responsibility of the contractor. Installation shall be performed during normal hours of ordering agency, Monday through Friday, holidays excluded (unless otherwise required by ordering agency). (1)
