| <p>1. The program currently does not have the need to contract private or public transportation services. The program has a collaborative agreement with Texas Migrant Head Start to facilitate transportation should our program not have adequate number of buses for program sponsored events. The program has also developed a "cost per child" report to determine the feasibility of transportation by geographical areas. The program has also contacted the Lower Rio Grande Valley Development Council, but currently the program does not have to need for alternate transportation.</p> | <p>Field Operations Director, Transp.
