Renan,

Don't mean to pressure you but I will proceed in placing the agenda item for the renewal/extension of the current contract. As far as I understand the concerns that Lava Concepts (Lee) has, those are payment issues that need to be attended to by him and the County Auditor. As far as the Purchasing Department, I need to place this agenda item if not then I there will be no contract in place as of 06-19-09.

If you have any questions, please call me or Marty. Thank you.

Hello Renan,

The above referenced contract with Lava Concepts is due to expire on 06/16/09 and the County has the option to renew. Lava Concepts has emailed several concerns that he has stipulated and I believe he sent that email to you and Marty. I discussed this with Marty for direction on this renewal. Do you want me to proceed in placing an agenda item for the following Commissioners Court date of 05/26/09 for the renewal/extension of the contract or how do you wish to proceed. It is our option to renew /extend, the specifications/requirements/contract clearly state that information.

For your information, Lava Concepts had not sent the Purchasing Department any such concerns until I emailed him the "Extension Letter" for acknowledgment of the renewal notice.

I had placed an agenda item for Tuesday's Court but I removed the item due to Lava's concerns. Pursuant to your discussion with Marty, do you want to proceed with the renewal or do you want a meeting for discussion with Lava Concepts in order to proceed forward. Let me know as soon as possible before the contract expires.

If you have any questions or require additional information, please call me or Marty. Thank you.

Good Morning Lee,

As per yesterday's telephone discussion regarding the above referenced contract, you were informed by me to submit your concerns in writing so that we could address those issues. I have not received any correspondence from you regarding such issues. At the time of our conversation, I requested for you to send me an updated insurance certificate because the document on file has expired. For compliance purposes, it is very imperative that you immediately remit your updated Certificate Of Insurances applicable to the project, which is the general and auto liability.

It is important that you submit in writing those concerns that you stated regarding this contract by 3:00 today, Wednesday, May 13, 2009, in order to determine what process to initiate.

Please call me if you have any questions, thank you.

Hello Lee,

Please review attached renewal/extension letter for further details. It is very important that you email back by deadline your acknowledgement and your updated general and auto insurances. Your general liability expired on 03/27/09 and your auto expired on July 7, 2008. Need the updated insurance information in order to avoid Auditor's Office from delaying any payment to Lava Concepts for not being in compliance with insurances.

Please call me if you have any questions and or require any information. Thank you.

Good Morning Renan,

Listen, can you please see if you can get in touch with Lee from Lava Concepts. I've been trying to get in touch with him at 648-9559. I've had no luck what so ever in getting in touch with him. Thought maybe you could get in contact with him. I need to talk to him regarding an extension for a current contract (Support and Maintenance for Hidalgo County Phone System-Shore Tell-C-08-152-06-17) and also his insurance has expired again.

I appreciate it very much for your assistance on this. Thanks.

Vangie,

I have replied in conjunction with an outstanding invoices email. I did this because I had attached all insurances, as well as, giving you an opportunity to see the other outstanding issues and concerns.

Thank You,
