Proposal Name & Number: Trades Services & Labor for Electrical, Plumbing, HVAC, Etc. #296-08

Dear Ms. Beach:

Congratulations, your company has been successful on the above referenced proposal! This contract will be effective June 1, 2008.

To see the items your company has been awarded, please review the proposal tabulation #296-08 on the following website: www.vendor.buyboard.com. In addition, on this website you will find the membership list which will provide you with the names of all entities with membership in our purchasing cooperative.

Attached to this letter you will find the following documents:

- Vendor Quick Reference Sheet
- Electronic Catalog Format Instructions

Receipt of a purchase order directly from a Cooperative member is not within the guidelines of the coop. Accepting orders directly from member entities may result in a violation of the State of Texas competitive bid statute and cancellation of the proposal award. Therefore, all orders must be processed through the Cooperative in order to comply. We request your assistance in immediately forwarding by fax (1-800-211-5454) to the cooperative any orders received directly from member entities. If by chance an order sent directly to you has been unintentionally processed, please fax it to the Cooperative (1-800-211-5454) and note it as **RECORD ONLY** to prevent duplication.

Per proposal specifications, awarded vendors will have 60 days to submit their electronic catalog. If the electronic data is not provided within 60 days of notice of award, we reserve the right to inactivate any company's award information from the Buyboard until such time the electronic data is received.

On behalf of the Texas Association of School Boards, we appreciate your interest in the Cooperative and we are looking forward to your participation in the program. If you have any questions, please contact me at 512-467-0222, ext. 7154 or 1-800-695-2919.

Sincerely,

Sharon McAfee

To whom it may concern,

We have a problem with our submittal for the Buyboard which may cause a problem in a preferred vendor - we submitted our bid in same format as previous bids but it was mistaken that our discounts are 65% of master list - this was to be actually a multiplier of 65 (or .65 off of master list which is a 35% discount). This may cause a problem with our bid however we cannot keep a discount of 65% it is below our costs for goods.

Please notify me as soon as possible. I have attached the proper sheet for your review.

Thank you
