Dear Irma & Lupita:

Mr. Mendoza agrees with me that we need to place the form on the agenda authorizing the user department (In this case, Planning) to complete the form, execute for form, file with the County Clerk and forward to Mercedes ISD. I will facilitate the matter for Planning if Mr. Sesein wishes or Planning can place on the agenda for July 7, 2009.

Thanks,
Marty

PS Please let me know asap since this a short week and agenda deadline will probably be Tuesday and not Wednesday.

Subject: Request by MercedesISD for Conflict of Interest Questionnaire (CIQ) from Hidalgo County

Good Afternoon Tony:

As we discussed last week, I now have the specifics on the request referenced. Mercedes ISD is requesting a power permit for a school that fall outside the ETJ of the City of Mercedes. The County issues said permits through the Planning Dept. The school district is requesting the following: W-9 and County's filed CIQ in order to set the County up as a vendor and thus allow the district to issue payment. To the best of our knowledge, the County has not (to date) filed a CIQ. Therefore, how should we proceed? I believe you and I narrowed it down the user department. I would recommend that we place an item on the next CC agenda for authority to complete and execute such a document including filing it with County Clerk as the statute states? I do not believe, we been posed this question before this situation. Let me know.

Thanks,

Marty
