MASTER MAINTENANCE AND SALE AGREEMENT

CUSTOMER INFORMATION

Legal Name	Hidalgo, County of		
Bill To Address	100 N. Closner, 2nd Floor		
City	Edinburg	State	TX Zip Code 78539

This Agreement sets forth the specific terms and conditions under which IKON agrees to sell the specific products identified on a Sales Order (defined below) entered into hereunder ("Products") and/or provide maintenance services for the specific items of equipment identified on a Service Order (defined below) entered into hereunder ("Services") to Customer from time to time. Either party may terminate the "master" arrangement contemplated by this Agreement at any time upon prior written notice to the other. Termination of this Agreement shall not, however, alter or otherwise modify the rights or obligations of the parties with respect to any Sales Order or Service Order placed and accepted prior to such termination.

The following terms shall apply to all Service transactions:

1. **Services.** (a) In order to obtain Services from IKON hereunder, Customer will either (i) execute a Service Order (in a form to be provided and executed by IKON) referencing this Agreement, or (ii) issue a valid and signed purchase order to IKON (each referred to in this Agreement as a "Service Order"). Each Service Order must identify the specific equipment to be serviced, the term of the Service engagement, the location at which Services shall be performed and the applicable Service charges for such order. IKON will not be responsible to provide services for equipment, for terms or locations not identified on the Service Order accepted by IKON.

(b) As part of its Services, IKON will repair or replace in accordance with the terms and conditions of this Agreement any part of the serviced equipment that becomes unserviceable due to normal usage (other than consumable supplies). Replacement parts will be furnished on an exchange basis and will be new, reconditioned or used. All parts removed due to replacement will become the property of IKON.

(c) The Services provided by IKON under a Service Order will not include the following: (i) repairs resulting from misuse (including without limitation improper voltage or the use of supplies that do not conform to the manufacturer's specifications); (ii) repairs made necessary by service performed by persons other than IKON representatives; (iii) service calls or work which the Customer requests to be performed outside of regular IKON business hours (unless covered under an extended hour service contract) and Service calls or work which the Customer requests to be performed on IKON holidays; (iv) removable cassette, copy cabinet, exit trays, or any item not related to the mechanical or electrical operation of the serviced equipment; (v) consumable supplies such as paper or staples, unless expressly provided for in the Service Order; (vi) repairs and/or service calls resulting from attachments not purchased from IKON; (vii) any software, system support or related connectivity unless specified in writing by IKON; (viii) parts no longer available from the applicable manufacturer; (ix) electrical work external to the serviced equipment, including problems resulting from overloaded or improper circuits; and (x) installation or de-installation and/or movement of the serviced equipment from one location to another unless specified in writing by IKON. Damage to serviced equipment or parts arising from causes beyond the control of IKON are not covered by this Agreement or any Service Order. IKON may terminate its Service obligations under this Agreement and/or any Service Order with respect to any item of serviced equipment that has been modified, damaged, altered or serviced by personnel other than those employed by IKON. Additionally, service necessitated as a result of inadequate key operator involvement, operator caused damage, lack of recommended service, or use of inadequate or incompatible supplies may result in Service being rendered on a time-and-material basis in addition to the Service Charges.

2. **Service Calls.** Service calls will be made during normal business hours at the installation address shown on the applicable Service Order. Service does not include coverage on IKON holidays. Travel and labor-time for the service calls after normal hours, on weekends and on holidays, if and when available and only in the event and to the extent that IKON agrees to provide such non-standard coverage, will be charged at overtime rates in effect at the time the service call is made. IKON representatives will not handle, disconnect or repair unauthorized attachments or components. Customer is responsible for disconnecting and re-connecting unauthorized attachments or components. Customer shall hold IKON and its employees and representatives harmless from and against damages to any unauthorized parts, components or accessories as well as any claims arising therefrom.

3. **Reconditioning.** Reconditioning and similar major overhauls may be covered by applicable manufacturer warranties, but are not covered by this Agreement or any Service Order. If IKON determines that such actions may be necessary as a result of normal wear and tear of materials and age factors caused by normal usage in order to keep the serviced equipment in working condition, IKON will submit to Customer an estimate of the needed repairs and the cost for such repairs (which costs will be in addition to the charges payable under the applicable Service Order).

4. **Term.** Each Service Order shall become effective on the effective date of the Service Order and shall continue for the term identified in the Service Order. At the expiration of the initial term or any extended term of any Service Order, it will automatically, subject to applicable law and without further action required by either party, renew for an additional twelve (12) month period, provided that the Customer is not then in default and subject to applicable law. The contracted rate will be adjusted to IKON's then-prevailing rates, to be reflected in an automatic increase as of the renewal date, and Customer expressly consents to such adjustment without additional notice.

16. **Ricoh Desktop Printer Warranty.** Any Services under this Agreement for Ricoh Desktop Printers (which may, in some circumstances, be identified by the designation "[DS]" on the Service Order) are provided exclusively under the terms of the One (1) Year Manufacturer's Warranty provided with such Ricoh Desktop Printers and are subject to the terms and conditions set forth therein.

17. **Payment; Risk of Loss; Taxes.** Payment terms are net ten (10) days. If invoices are unpaid and overdue, Customer agrees to pay IKON a late charge of 1.5% per month on any unpaid amounts or the maximum allowed by law, whichever is less, and in addition shall pay IKON all costs and expenses of collection, or in the enforcement of IKON's rights hereunder, including, but not limited to, reasonable internal and external legal costs, whether or not suit is brought. All remedies hereunder or at law are cumulative; provided, however, that the sole remedy of Customer for any Services not performed in accordance with the Service standards set forth in this Agreement shall be the prompt and proper re-performance of such services at no additional charge. Unless otherwise agreed upon by both parties in writing, Customer assumes all risk of theft, loss or damage, no matter how occasioned, to all Products covered by this Agreement following delivery by IKON to common carrier or, in the case of an arranged delivery by a local IKON installation vehicle, delivery by such vehicle to Customer shipping point. Except to the extent of any applicable and validated exemption, Customer agrees to pay any applicable taxes that are levied on or payable as a result of the use, sale, possession or ownership of the Products and/or Services covered hereunder, other than income taxes of IKON.

18. **Assignment; Force Majeure.** Customer shall neither assign any right or interest arising under this Agreement nor delegate any obligations hereunder without the prior written consent of IKON. Any such attempted assignment or delegation shall be void. IKON shall not be liable for failure to deliver or delays in delivery of Products or Services occasioned by causes beyond IKON's control, including without limitation strikes, lockout, fires, embargoes, war or other outbreak of hostilities, inability to obtain materials or shipping space, receipt of orders in excess of IKON's or its supplier's then-scheduled production capacity, machinery breakdowns, delays of carrier or suppliers, governmental acts and regulations or other causes beyond IKON's control.

19. **Governing Law; Entire Agreement.** This Agreement shall be governed by and construed and interpreted in accordance with the laws of the Commonwealth of Pennsylvania. The parties hereto also agree to submit to the non-exclusive jurisdiction of the courts of the Commonwealth of Pennsylvania to resolve any action under this Agreement. This Agreement constitutes the entire agreement between the parties and may not be amended except in writing signed by an officer or authorized representative of IKON. All Sales Orders and Service Orders shall be governed solely by the terms and conditions of this Agreement, notwithstanding the inclusion of any additional or different terms and conditions in any order document of any kind issued by Customer at any time. PURCHASE ORDERS ISSUED BY CUSTOMER FOR PRODUCTS AND/OR SERVICES FROM IKON, EVEN IF THEY DO NOT EXPRESSLY REFERENCE OR INCORPORATE THIS AGREEMENT, SHALL BE SUBJECT TO THIS AGREEMENT AND SERVE ONLY TO IDENTIFY THE PRODUCTS AND/OR SERVICES ORDERED AND SHALL NOT BE DEEMED TO ALTER OR OTHERWISE MODIFY THE TERMS AND CONDITIONS OF THIS AGREEMENT. The delay or failure of either party to enforce at any time any of the provisions of this Agreement shall in no way be construed to be a waiver of such provision or affect the right of such party thereafter to enforce each and every provision of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, this Agreement shall be construed as though it did not contain the particular provision held to be invalid or unenforceable. IKON may accept or reject any order in the exercise of its discretion and may rely upon each order submitted by Customer as a binding commitment. No local, general or trade custom or usage or course of prior dealings between the parties shall be relevant to supplement or explain any term used herein. This Agreement and any Sales Orders or Service Orders may be executed in one or more counterparts which, taken together, shall constitute one and the same original document. Any notices required under this agreement should be sent to: IKON Office Solutions, Inc., 3920 Arkwright Road Macon, GA 31210. Attention: IKON Quality Assurance Department

11. **Insurance.** At all times during the term of this Agreement, each party agrees to obtain and maintain in effect the following insurance coverages: (a) Each party shall maintain Workers' Compensation Insurance for all such party's employees, including coverage under the applicable State and Federal Laws where the work will be performed. Each party shall also require that all of its subcontractors maintain similar Workers' Compensation coverage. (b) Each party shall maintain Employer's Liability Insurance, typically coverage B of the Workers' Compensation policy, with limits of a minimum of: (i) \$1,000,000 for each accident for bodily injury by accident, (ii) \$1,000,000 for bodily injury by disease, and (iii) \$1,000,000 for each employee for bodily injury by disease. Each party shall also require that all of its subcontractors maintain similar Employer's Liability coverage. (c) Each party shall maintain General Liability Insurance that includes the other party as an additional insured. Limits shall be a minimum of: \$1,000,000 per occurrence for bodily injury and property damage and (i) \$2,000,000 annual aggregate. Coverage shall include those perils generally associated with a commercial general liability policy and specifically include contractual liability coverage. Coverage shall contain no exclusions for cross liability between insureds. Each party shall also require that all of its subcontractors maintain similar general liability insurance.

**The following terms shall apply to all Product sale transactions:**

12. **Order, Delivery and Acceptance.** In order to purchase Products from IKON hereunder, Customer will either (i) execute a Sales Order (in a form to be provided and executed by IKON) referencing this Agreement, or (ii) issue a valid and signed purchase order to IKON (each referred to in this Agreement as a "Sales Order"). Each Sales Order must identify the Products, the Product delivery location and the applicable Product charges for such order. IKON will not be obligated to sell or deliver Products for which such information is not provided in a Sales Order accepted by IKON. Unless otherwise agreed upon by both parties in writing, (a) delivery of Products to common carrier or, in the case of an arranged delivery by a local IKON installation vehicle, actual delivery by such vehicle to Customer shipping point, shall constitute delivery to Customer, and (b) Customer shall be responsible for all installation, transportation and rigging expenses. Customer agrees to confirm delivery of all Products covered by this Agreement when the same is delivered by signing a delivery and acceptance certificate or written delivery acknowledgement. Orders shall not be cancelable by the Customer following acceptance by IKON. IKON reserves the right to make Product deliveries in installments. All such installments shall be separately invoiced and paid for when due, without regard to subsequent deliveries. Delay in delivery of any installment shall not relieve Customer of its obligation to accept remaining installments and remit payments as invoiced by IKON. IKON reserves the right at any time to revoke any credit extended to Customer because of Customer's failure to pay for any Products when due or for any other credit reason.

13. **Returns: Damaged Products.** No Products may be returned without IKON's prior written consent. Only consumable goods invoiced within sixty days will be considered for return. On authorized returns, Customer agrees to pay a restocking charge equivalent to 30% of the purchase price. Merchandise returned without written authorization may not be accepted at the receiving dock and is the sole responsibility of the Customer. All nonsaleable merchandise (that has been opened or partially used) will be deducted from any credit due to the Customer. All claims for damaged Products or delay in delivery shall be deemed waived unless made in writing, delivered to IKON within five days after receipt of Products.

**The following terms shall apply to the IKON PlusPak Program:**

14. **IKON PlusPak Program.** For eligible equipment (as determined by IKON from time to time), Customer may elect to obtain Services by participating in the IKON PlusPak Program. To participate, Customer must purchase an IKON PlusPak for the desired item of equipment by executing either a Sales Order or a Service Order indicating a PlusPak purchase and the specific item of eligible equipment for which coverage is desired. Participation in the PlusPak Program shall commence following payment for the PlusPak and entitles Customer to receive (a) one (1) toner cartridge for the item of equipment covered by the PlusPak, and (b) Services for such item of equipment until PlusPak coverage terminates. Participation in the PlusPak program is voluntary and Customer may terminate PlusPak coverage at any time upon thirty (30) days prior written notice to IKON. PlusPak coverage shall terminate automatically upon the first to occur of (x) consumption of the PlusPak toner cartridge, (y) purchase by Customer of a non-PlusPak toner cartridge, or (z) three (3) years from the date of PlusPak purchase. By participating in the PlusPak Program, Customer acknowledges and agrees that IKON shall have no obligation to provide Service or refund PlusPak payments following termination of PlusPak coverage for any reason. In order to obtain Service following termination of coverage, Customer may purchase additional PlusPaks, or purchase Services on a time-and-materials basis at IKON's then-prevailing rates and in accordance with the terms and conditions of this Agreement. PlusPak purchase prices are non-refundable and are due and payable following delivery of PlusPak consumables. All of the terms and conditions of this Agreement shall apply to PlusPak transactions, excluding those set forth in Sections 4, 5b, 7b and 10b. In the event of a conflict between the terms and conditions of this Section and those set forth in any other Section of this Agreement, the terms and conditions of this Section shall control.

**The following terms shall apply to all transactions:**

15. **Warranty.** IKON agrees to perform its Services in a professional manner, consistent with applicable industry standards. IKON is not the manufacturer of any of the Products. However, in connection with any Product sale, IKON shall transfer to Customer any Product warranties made by the applicable Product manufacturer, to the extent transferable and without recourse. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, IKON DISCLAIMS ALL WARRANTIES AND REPRESENTATIONS, EXPRESS OR IMPLIED, OF ANY NATURE WHATSOEVER, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR USE, OR FITNESS FOR A PARTICULAR PURPOSE. IKON SHALL NOT BE RESPONSIBLE AND SHALL HAVE NO LIABILITY FOR ANY DIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING OUT OF THE USE OR PERFORMANCE OF THE EQUIPMENT OR THE LOSS OF USE OF THE EQUIPMENT. IKON'S TOTAL AGGREGATE LIABILITY TO CUSTOMER, IF ANY, UNDER ANY SALES ORDER OR SERVICE ORDER, SHALL IN NO EVENT EXCEED THE TOTAL FEES PAID TO IKON THEREUNDER. IN NO EVENT SHALL IKON BE LIABLE TO CUSTOMER FOR ANY DAMAGES RESULTING FROM OR RELATED TO ANY FAILURE OF THE SOFTWARE, INCLUDING, BUT NOT LIMITED TO, LOSS OF DATA, OR DELAY OF DELIVERY OF SERVICES UNDER THIS AGREEMENT. IKON ASSUMES NO OBLIGATION TO PROVIDE OR INSTALL ANY ANTI-VIRUS OR SIMILAR SOFTWARE AND THE SCOPE OF SERVICES CONTEMPLATED HEREBY DOES NOT INCLUDE ANY SUCH SERVICES. Customer must comply with any applicable license agreement or license terms relating to intangible property or associated services included in any Products, such as periodic software licenses and/or prepaid data base subscription rights ("Software License"), whether pursuant to written, click-through, shrink-wrap or other agreements for such purpose, with the supplier of the Software ("Software Supplier"). IKON has no right, title or interest in any Software. Customer is solely responsible for entering into Software Licenses with the applicable Software Supplier.

5. **Service Charges.** (a) Service charges ("Service Charges"), will be set forth on the Service Order and will be payable by the Customer in advance. Service Charges will not include any charges for repairs or Service that are otherwise covered by the applicable manufacturer's limited warranty during the period covered by any such warranty, to the extent IKON has agreed with such manufacturer not to charge a customer for any such charges. Customer acknowledges and agrees that: (i) alterations, attachments, specification changes, or use by Customer of sub-standard supplies that cause excessive service calls may require an increase in Service Charges; (ii) the transfer of the serviced equipment from the location indicated on the applicable Service Order may result in an increase of Service Charges or the termination of the applicable Service Order; and (iii) the Toner Inclusive Program (if applicable) is based on manufacturer supply consumption rates. Delivery of supplies will not exceed agreed upon usage. Consumption of covered supply products varying significantly from expected usage may result in additional charges for supplies. Customer agrees to pay when due, all taxes, where applicable, related to this Agreement and/or any Service Order, excluding taxes on the income of IKON. Customer shall be responsible for any costs related to freight (including fuel surcharges, which may be imposed from time to time), postage/ mailing expense (meter rentals) and/or administrative and processing fees and, to the extent IKON pays such costs. Customer shall immediately reimburse IKON.

(b) Service Charges are based on standard 8.5x11 images. IKON reserves the right to assess additional images charges for non-standard images, including 11x17 images. Customer acknowledges that pricing is based on the prevailing rates at the time of the contract. Unless otherwise expressly agreed to in writing, if the term of any Service Order exceeds 12 months, the Periodic Service Charges and the Cost of Additional Images may be increased by IKON up to 10% annually for each year beyond the initial 12-month period, and Customer expressly consents to such adjustment without additional notice.

6. **Default.** If Customer does not pay all Service Charges or other charges owing under this Agreement or any Service Order promptly when due, IKON may (i) refuse to further service the serviced equipment until such default is fully cured, or (ii) furnish Service on a C.O.D. "Per Call" basis at IKON's then-prevailing rates, at the time of Service. Except as expressly permitted by this Agreement, no refund or credit will be given for any early termination of any Service Order or any renewal thereof. If Customer defaults in its obligations hereunder, IKON may, in addition to any other remedies available at law or equity, require Customer to immediately pay to IKON all past due payments under all Service Orders, and the early termination fee described in Section 10 below.

7. **Use Of Recommended Supplies; Meter Readings.** (a) If the Customer uses other than manufacturer-recommended supplies, including paper, developer, toner, and fuser oil, and if such supplies are defective or not acceptable for use on the serviced equipment or cause abnormally frequent service calls or service problems, then IKON may, at its option, assess a surcharge or terminate the applicable Service Order with respect to such items of serviced equipment. If so terminated, Customer will be offered service on a "Per Call" basis at IKON's then-prevailing rates. It is not a condition of this Agreement that the Customer use only IKON-provided supplies.

(b) If IKON determines that Customer has used more than the manufacturer's recommended specifications for supplies provided by IKON, Customer will pay reasonable charges for those excess supplies and/or IKON may refuse additional supply shipments. Customer agrees to provide IKON true and accurate meter readings monthly and in any reasonable manner requested by IKON, whether via telephone, email or otherwise. If accurate meter readings are not provided on a timely basis, IKON reserves the right to estimate the meter readings from previous meter readings and Customer agrees to pay Service Charges based on such estimated meter reads. Appropriate adjustments will be made to subsequent billing cycles following receipt of actual and accurate meter readings. As part of its Services, Customer acknowledges and agrees that IKON may place automatic meter reading units on imaging devices at your location in order to facilitate the timely and efficient collection of accurate meter read data on a monthly, quarterly or annual basis. IKON agrees that such units will be used by IKON solely for such limited purpose. Once transmitted, all meter read data shall become the sole property of IKON and will be utilized for billing purposes.

8. **Basic Connectivity Services.** If any software, system support or related connectivity services are specifically set forth on a Service Order and accepted by IKON, IKON shall provide any such services at the Customer location set forth in the Services Order, as applicable, or on a remote basis. Customer shall provide IKON with such access to its facilities, networks and systems as may be reasonably necessary for IKON to perform such services. Customer acknowledges that IKON's performance of any such services is dependent upon Customer's timely and effective performance of its responsibilities as set forth in the Service Order, as applicable. Unless connectivity services are specifically identified in the Service Order as part of the services to be performed by IKON, IKON shall have no obligation to perform and no responsibility for the connection of any hardware or software to any Customer network or system.

9. **Customer Obligations.** Customer agrees to provide a proper place for the use of the serviced equipment, including electric service as specified by the manufacturer. Customer will provide adequate facilities (at no charge) for use by IKON representatives in connection with the Service of the serviced equipment hereunder within a reasonable distance of the serviced equipment. Customer agrees to provide "360 degree" service access to the serviced equipment. Customer will provide a key operator for the serviced equipment and will make operators available for instruction in use and care of the serviced equipment. Unless otherwise agreed upon by IKON in writing or designated in the applicable Service Order, all supplies for use with the serviced equipment will be provided by the Customer and will be available "on site" for servicing. Customer agrees that any systems utilizing similar supplies must be covered under similar inclusive service programs.

10. **Early Termination.** Customer may terminate any Service Order under this Agreement prior to its maturity so long as Customer is not then in default and provides IKON at least thirty (30) days prior written notice. For each Service Order having an initial term of at least 36 months, Customer shall pay to IKON, as liquidated damages and not as a penalty, the following early termination fee: (i) if the termination occurs in months 1 through 12 of the term of such Service Order, an amount equal to 12 times the base monthly Service Charge payable under such Service Order; (ii) if the termination occurs in months 13 through 24, an amount equal to 9 times the base monthly Service Charge; and (iii) if the termination occurs anytime after the 24th month, an amount equal to the lesser of 6 times the base monthly Service Charge or the number of months remaining under the then current term of such Service Order. For each Service Order having an initial term of less than 36 months, Customer shall pay to IKON, as liquidated damages and not as a penalty, an early termination fee equal to the lesser of 6 times the base monthly Service Charge or the number of months remaining under the initial term of such Service Order.

### Application & Environment

The positioning of the Ricoh Aficio MP C2050 is as an entry-level business color solution. When general office documents require color to highlight important data on a spreadsheet or presentation or to show a full-color photograph or illustration surrounded by text or even to print a Web page or PDF file, the Ricoh Aficio MP C2050 is the perfect solution. Designed to satisfy the need for cost-effective color output in general office environments, the MP C2050 Series is best suited for workgroups dominated by Microsoft Office® suite (Word®, Excel®, and PowerPoint®) and light Adobe® Acrobat® printing applications.

^Back to Top

Features:

Benefits:

**Scan Once/Print Many** Scan Once/Print Many technology allows the system to scan a document once, and then produce the entire set quantity using the data stored in memory from the initial scan. Output quality remains consistent from the first set to the last, and wear and tear is minimized on originals, the ARDF, and scanning hardware. Users elevate productivity by returning to work immediately with originals in hand while the system completes the job unattended.

**Networking and Connectivity** The MP C2050 is configured with a 10BaseT/100BaseTX interface and a standard RJ-45 plug to connect to the network. In addition, the mainframe has an optional USB 2.0 serial interface to connect to a print server.

**Seamless Network Integration** The MP C2050 supports all of the major network protocols and operating systems, including TCP/IP, Novell IPX/SPX, EtherTalk/AppleTalk and SMB/NetBEUI. For customers that run more than one protocol, the MP C2050 features automatic sensing, switching from one protocol to another.

**Automatic Paper Selection** Takes the guesswork out of walk-up copying and eliminates waste and image cut-off by selecting the proper size copy paper as a function of the size of the scanned original and the selected reproduction ratio

<b>Supplies</b>							
Toner MP 4500A (Black) - 4 - 630g. Btts.	884922	342					
Staple Type K for SR790/3020/3030 (5,000 per crtg. (1 crtg./carton))	410801	44					
Staple Type K Refill for SR790/3020/3030 (5,000 per crtg. (3 crtg./carton))	410802	78					
Staple Type L for SR3020(Saddle Stitch) (2,000 per Crtg. (1 Crtg./Carton))	411240	32					
Staple Type L Refill for SR3020 (Saddle Stitch) (2,000 per Crtg. (4 Crtg./Carton))	411241	53					
Marker Type 30 (4 - Markers /Box)	334049	31					
<b>Notes</b>							
(1) Mainframe includes 2 x 550 Sheet Paper Trays, 256MB RAM, 100-Sheet Bypass Tray, 100-Sheet ARDF, Duplex & Interchange.							
(4) GB HDD is an option. NO UPGRADE PATH TO COLOR SCANNING.							
(2) Mainframe includes 2 x 550 Sheet Paper Trays, 768MB RAM, 100-Sheet ARDF, Duplex, 100-Sheet Bypass, Interchange, 40 GB HDD, Scanner SD Card and Printer SD Card. Color Scanning is a standard feature.							
(3) Mainframe includes 2 x 550 Sheet Paper Trays, 768MB RAM, 100-Sheet ARDF, Duplex, 100-Sheet Bypass, Interchange, 40 GB HDD, Scanner SD Card and Printer SD Card, and Fax Board. Color Scanning is a standard feature.							
(4) Must install either FAC33 Cabinet (413762) or PB3040 (414132) or PB3050 (414134)							
(5) The Bridge Unit BU3030 (414175) is required with the SR3020 Booklet Finisher (413323), SR790 (412730) and SR3030 Finishers (413325).							
(6) 125 Sheet Capacity. Provides additional output tray to separate fax/print output from copy.							
(7) Encrypts HDD and Non-Volatile RAM data immediately upon storage, which eliminates data disclosure in the event HDD is stolen.							
(8) Punch Kit Type 3260 NA 2/3 (412206) requires the installation of either Finisher SR3030 (413325) or Booklet Finisher SR3020 (413323).							
(9) Provides an additional fax modem. Two additional G3 lines can be added. Maximum of 3 lines available.							
(10) 33 Kbps, 2 Second Transmission Speed, Standard JBIG, Standard 320 Pages. Requires Scanner/Printer Kit Type 5000 to enable LAN-Faxing, Fax Forward to Email, IP Faxing.							
(11) Memory Unit Type B 32MB increases page memory size to 16MB, SAF memory size increases to 28MB (or 2,240 pages), and resolution increases to 400 x 400 dpi.							
(12) Adds Retired Print Command Printing to the MP 4000B & MP 5000B models. Kit includes additional 256MB RAM. Hard Disk Drive is required for Locked/Hold/Stored print capabilities.							
(13) Adds Printing & B/W Scanning Capabilities to the MP 4000B/MP 5000B models. 40 GB HDD is standard. NOTE: NO UPGRADE PATH TO COLOR SCANNING.							
(14) Adds PCL Printing. Must install RPCS Printer Unit Type 5000 (003262MIU) prior to adding the option.							
(15) Adds B/W Scanning Capabilities. Must install RPCS Printer Unit (003262MIU) AND Printer Enhance Option (413948), prior to adding the option. NOTE: NO UPGRADE PATH TO COLOR SCANNING AVAILABLE.							
(16) Required for Macintosh and Postscript environments.							
(17) Overrides Copy, Print, Scanner, Document Server, File Format Converter and Paperless Fax.							
(18) One out of five options may be installed: IEEE1284 (411699), Bluetooth (412866), IEEE802.11a/b/g (414008), Gigabit Ethernet (402547) or File Format Converter (414007)							
(19) Required to convert format and drag to desktop document stored via Copy or Print mode.							
(20) Prevents unauthorized copying of confidential documents.							
(21) Hard Disk Drive Type 5000 (413889) is required for this feature.							
(22) The Hard Disk Drive Type 5000 (413889) is required to enable the following features: Document Server, Background Numbering, User Stamps, Job Presets, Pre-set Stamps (Additional Languages), Increases Collation to 1,000, Increases Dial Keys to 2,000 & Series Copy.							
(23) Requires Fax Option Type 5000 (414382)							
(24) The following items cannot be installed together on the same device: RPCS Printer Unit Type 5000 (003263MIU) and Printer Scanner Type 5000 (003263MIU).							
(25) Options for MP 4000B/MP 5000B Only.							
(26) LCIT RT3000 (414137) requires installation of LCIT PB3050 (414134) or Paper Feed Unit PB3040 (414132). This option cannot be installed with FAC33 Cabinet (413762).							
(27) SR790 Finisher (412730), SR3030 Finisher (413325) and SR3020 Booklet Finisher (413323) cannot be installed on the same device.

Staple Refill Type L (SR4000 Saddle Stitch) (8K)	411241	53					

**Notes**

- (1) System requires a finisher or the copy tray.
- (2) Includes 100-sheet single pass duplex document feeder, 256MB RAM, and 80GB HDD.
- (3) Includes 100-sheet single pass duplex document feeder, 512MB RAM, 80GB HDD, and Scanner/Printer Unit (Includes NIC (10/100BaseT Ethernet) and USB 2.0 interfaces standard).
- (4) Includes Desk/Top/Binder Lite (version 5.0), SmartDeviceMonitor for Admin & Client, TWAIN drivers, RPCS, PCL5e, PCL6 (XL) drivers.
- (5) 4,000 Sheet capacity LCT (8 1/2" x 11").
- (6) 3,000-sheet finisher with 50-sheet staple capacity.
- (7) 2,000-sheet finisher with 50-sheet staple capacity and 15-sheet saddle-stitch capacity.
- (8) 3,000-sheet finisher with 100-sheet staple capacity.
- (9) Compatible with SR970 and SR4000 Finishers. 2 & 3 hole punch (user-selectable).
- (10) Cannot hole punch and Z-fold at the same time.
- (11) Compatible with SR842 Finisher only. 2 & 3 hole punch (user-selectable).
- (12) Compatible with all finishers.
- (13) Main unit cannot be configured with both the Interposer and the Mailbox.
- (14) Converts RT43 (LCT) to 8 1/2" x 14" or 8 1/2" x 11" SEF (2,500 Sheets). Requires RT43.
- (15) Required for tab copy/print. Compatible with all finishers. Tab Sheet Holder can be used in second or third tray (but not in both).
- (16) Converts the standard tandem tray (Tray 1) to hold 11" x 17", 8 1/2" x 14" or 8 1/2" x 11" paper (1,000-sheet capacity).
- (17) Compatible with the SR970 and SR4000 Finishers. Neatly arranges output.
- (18) Compatible with the SR842 only. Neatly arranges output.
- (19) Required for retrieving files from Document Server that were stored via Copy or Print Function.
- (20) Each Z-folded sheet counts as 10 sheets.
- (21) Compatible with SR4000 and SR842 Finishers. Not compatible with SR970 Finisher.
- (22) Provides USB interface for third-party devices such as IC card readers.
- (23) Hard disk drive overwrite security option.
- (24) Requires SR842 Finisher. Jogger Unit is recommended.
- (25) Requires the BKS010 Booklet Maker.
- (26) Requires the Trimmer.
- (27) GBC StreamPunch requires the purchase of at least one die set.
- (28) Includes 256MB RAM upgrade.
- (29) Required for Post Script and Macintosh printing.
- (30) Documents which are printed with the "Data Security for Copying" Unauthorized Copy Control RPCS setting and copied on a device with this option installed will be grayed out.
- (31) Option for Scan Router EX Professional/Enterprise. Provided as an SE card.
- (32) Compatible with SR970 and SR4000 Finishers only. Not compatible with SR842 Finisher.
- (33) Of the following interface options, only one may be installed: IEEE 1284, IEEE 1394 (Firewall), IEEE 802.11b (Wireless LAN), or Bluetooth.
- (34) Of the following two interfaces, only one may be installed: 10/100BaseT Ethernet or Gigabit Ethernet.
- (35) Adds one additional fax line. Up to two lines may be added for a maximum of three lines.
- (36) Increases SAF memory to 28MB (2,240 pages) and enables 400dpi resolution.
