**Subject:** Doors needed for the Third Floor DA's Renovations

As of today, the number of doors needed for the third floor renovation:

Single doors: L/H 6, R/H 7

Side light: R/H 7, L/H 30

1-L/H single door Jam 6 1/8

2-R/H single door Jam 6 1/8

1-L/H w/side light Jam 6 1/8

1-L/H w/side light Jam 5 1/2

1-R/Hw/side light Jam 5 1/2

All other Jams 4 3/4

Door size 35 3/4 width, 83 1/4 height

Jam height 85 1/4 outside measurement, Jam width 54"

Glass width for side light 14 1/4 for side light.

Stairwell 2- 36" Hollow metal doors (2 hour fire rating) 1- L/H and 1- R/H

Storage room 1-24" L/H door

Will send more info when I speak with my carpenter. Will need to bid it out, get a AJOC or State vendor in order to expedite it. Unknown amount at this time?

FYI
