4. Hauling services for Precinct No. 2 will be done by Precinct No. 2 forces along with awarded vendor, when required.

5. **Bid Award:** Hidalgo County reserves the right to award the lowest qualified bid on a lump sum basis to one bidder or to multiple bidders if the County determines it is in the best interest to do so.

6. Hidalgo County Precinct No. 2 reserves the right to continue this bid for an additional sixty (60) day grace period at the end of the contract term for unforeseen delay in award of new bid for next contract term.

7. Hidalgo County is requesting the minimum of **Five (5) vendor owned hauling trucks** (proof of ownership (title) shall be furnished along with your bid) to be available on an as needed basis with a minimum of twenty-two tons per load. Please note the make, year, model, vehicle identification number, license plates and capacity of your hauling trucks on Exhibit “D”.
8. Insurance Certificates (Exhibit “C”) must be submitted to the Purchasing Department for approval prior to any services being performed by the awarded bidder.
9. Bidders will be required to complete and submit the Supplemental Hauling Data Sheet for every driver as detailed in Exhibit “E” upon award.

The successful bidder(s) must present evidence that the proposed subcontractor possess all the necessary licenses and permits to perform the services and the subcontractor has obtained the required insurance which names the contractor as an additional insured. Requesting authorization for subcontracting does not constitute compliance with the primary specification contained herein which state the minimum number vendor owned vehicles required.
11. The County reserves the right to reject any or all bids, to waive any or all formalities, or to accept the bid considered the best and most advantageous to the County, giving due consideration to the location of the pit from the area of the precinct where the “Hauling Services” is to be transported, and to hold the bid for a period of ninety (90) days without taking action thereon.
12. Any contract award to a successful bidder will be in effect until (a) the contract expires, (b) delivery and acceptance of products, and/or performance of services ordered, or (c) terminated by County with thirty day’s written notice prior to cancellation.
13. All costs and expenses associated with the preparation and submission of proposals shall be the responsibility of the submitter and no reimbursements for such charges or expenses shall be passed onto the County.
14. **Market Volatility and Unit Price Adjustments:**
Hidalgo County recognizes that during periods of national crisis and unstable economic conditions, unforeseen price increases might affect costs for goods and services contracted on an annual basis. The following procedure may be employed to mediate price volatility:
 - i) **Requesting Price Adjustment:** Upon written request of the Vendor to the County Purchasing Agent, the County may review evidence of prevailing industry-wide market

- conditions that warrant an adjustment in bid prices contained in the contract.
- ii) A Vendor must tie any price change clause to an industry-wide or otherwise nationally recognized index, or some other form of verifiable document. Such written request must be accompanied by a certified copy of the supplier's advisory or notification to the vendor of the price changes.
 - iii) The Vendor must put the Purchasing Agent on the mailing lists for such publications so that the Purchasing Agent can monitor said changes. Such membership shall be at no cost to the County.
 - iv) The County Purchasing Agent retains the right to determine whether or not such proposed price changes are in the best interest of the County.
 - v) No price escalation will be authorized in excess of the amount of the increase referred to in the supplier's notice.
 - vi) The County may only grant a price increase if the evidence presented is deemed reliable. Should the County allow a price increase, the approved price change shall be honored for all orders received by the vendor or contractor after the effective date of such price change. Approved price changes are not applicable to orders already issued and in process at time of price change.
- b) **Price Reduction:** Vendor shall notify the County at the time when the Vendor's costs for items and/or supplies reduce due to stabilization in the market at which time prices for items on this contract shall be reduced accordingly. Failure by the Vendor to notify the County of a decrease in costs for items and/or supplies for which the Vendor was granted a price adjustment, may result in immediate termination of this contract and the County shall not be obligated to pay the Vendor the difference between the contract price and the price adjustment.
- c) **Time frame for Adjusted Price Increases:** Price increases are only valid for the quarter in which they are requested and approved. Prices shall return to the original contract price at the beginning of the following quarter unless a Vendor notifies the County in writing within ten (10) days of expiration of the quarter in which the price increase is in effect, that it desires to have the price increase continue or that the Vendor is requesting a different price increase for the following quarter. Such request must be supplemented with sufficient justification to demonstrate that the price increase remains necessary. The County Purchasing Department shall have sole discretion whether to grant the price increase extension. The County too, shall have discretion to unilaterally reduce, eliminate or extend a price adjustment to the Vendor at any time upon written notice from the County to the Vendor demonstrating justification for such reduction, elimination or extension of the price adjustment.
- d) **Allowable Review Periods:** Price adjustment reviews may only be requested by the Vendor on a quarterly basis. However, the County may at its own discretion, conduct temporary price adjustment reviews at any time. The County Purchasing Agent and/or the County Auditor reserve the right to audit and/or examine any pertinent books, documents, papers, records or invoices relating directly to the contract transaction in question after reasonable notice and during normal business hours.
- e) **Dollar Limit to Price Changes:** The total increase in contract price shall not exceed twenty-

five percent (25%) of the original contract price during the contract term.

15. **ADDITIONAL INFORMATION**

Further information required for this project can be addressed through the Hidalgo County Purchasing Department through Sandra Montalvo or Rolando Flores. Part II. BID PRICE ADJUSTMENT BY HIDALGO COUNTY PRECINCT NO. 2

At the time of bid opening South Texas is experiencing historic high fuel prices. Therefore, Hidalgo County Precinct No. 2 is requesting pricing adjustments based on the following: A Fuel Cost Base Bid Price for project will be based on the OPIS Fuel Index for May 14, 2007. For each 10% (increase or decrease) in the OPIS Index of May 14, 2007 during the contract term, the fuel cost(s) portion of the awarded bid price(s) will be adjusted accordingly. (As per above samples, a 10% increase is reflected as follows: \$ 1.00=\$1.10 and \$ 1.10=\$1.21; a 10% decrease is reflected as follows: \$1.00=\$0.90 and \$1.10=\$0.99) In the event you submit an invoice reflecting a price change under this provision, the Hidalgo County Precinct No. 2 will only honor the change if a copy of the OPIS report on which the change is based accompanies the invoice. Additionally, the Hidalgo County Precinct No. 2 reserves the right to independently verify changes in OPIS pricing and to modify an invoice amount based on a 10% change in the OPIS Index. **In determining whether price changes are permitted hereunder. The appropriate OPIS Index is the index issued of the date of the invoice.**

Acknowledgment and agreement to Bid Price Adjustment Part I & II for the term of the contract including any grace period extension.
