Good afternoon,

I am looking at C-08-196-09-30 – contract with Quest Diagnostics Inc. for “Laboratory Services for Hidalgo County”, it will end at the end of September. We have the option of a two (2) one (1) year extensions. Are the services satisfactory to your department? Would you like to exercise the first one (1) year extension?

Please let me know of your department’s so I may proceed, I am trying to place on for next cc.
