Re: Hidalgo County Juvenile Justice Center Subdivision

Dear Ms. Salazar:

I am in receipt of a letter from the domestic water supplier North Alamo Water Supply Corporation (NAWSC) regarding an outstanding payment due to them for the cost of 11 offsite easements that were needed for the installation of the waterline required for this project. NAWSC does their easement acquisition and I hereby certify that this work was done. Attached are copies of the easement documents and the letter from NAWSC. The amount due to them is \$ 3,300.00. Please place this item on the agenda of the Commissioners' Court for approval.

Should you have any questions, please feel free to call me.

Sincerely,

Alfonso Quintanilla, P.E., R.P.L.S.
President

Re: Outstanding fees for Juvenile Justice Center Subdivision

Dear Mr. Quintanilla

It has come to our attention that the Juvenile Justice Center was recorded without North Alamo Water Supply Corporation issuing a Thirty-Year Letter. North Alamo does not issued the 30-Year Letter until all fees pending have been paid. The fees pending are for the easements that were acquired by North Alamo along Richardson Road. The total due is \$3,300.00 for 11 easements @ \$300.00 per easement. Payment of these easements will allow me to complete my files on this subdivision. Your assistance in this matter will be greatly appreciated.

Should you need additional information feel free to contact me at 956-383-1618

Sincerely

North Alamo Water Supply Corporation
