General Provisions, Compliance and Reporting Article I, Section 1.07, Statutes and Standards of General Applicability, is hereby amended to include the following:

Contractor shall comply with all provisions required by implementing the regulations of the Department of Agriculture, 7 CFR Part 246, 248; Department of Justice Guidelines for Enforcement of Title VI, Civil Rights Act of 1964; 28 CFR § 50.3 and 28 CFR Part 42; and Food & Nutrition Service (FNS) directives and guidelines, to the effect that no person will, on the grounds of race, color, national origin, sex, age, or disability be excluded from participation under any program or activity for which Contractor receives

federal financial assistance from FNS; and hereby gives assurance that it shall immediately take measures necessary to implement this Program Attachment.

Contractor shall compile data, maintain records and submit reports, as required, to permit effective enforcement of the nondiscrimination laws and permit authorized USDA and State of Texas personnel, during normal working hours, to review such records, books, and accounts as needed to ascertain compliance with the nondiscrimination laws. The Department of Agriculture, Food and Nutrition Service (USDA), has the right to seek judicial enforcement if Contractor violates any nondiscrimination laws. This Assurance is binding on Contractor, its successors, transferees, and assignees, as long as they receive assistance or retain possession of any assistance from the Department of Agriculture. The person or persons whose signatures appear on the Core Contract are authorized to sign this Assurance on behalf of Contractor.

Contractor shall comply with all of the requirements of the current WIC Policy and Procedures Manual and Program rules as well as state and federal laws and amendments governing or regulating the WIC Program. A copy of the current WIC Policy and Procedures Manual has been made available to Contractor. The WIC Policy and Procedures Manual, and all revisions made to the WIC Policy and Procedures Manual are incorporated into this Agreement by reference. Contractor has a duty to remain familiar with the contents within the WIC Policy and Procedures Manual.

Contractor is responsible for ensuring that employees or agents acting on behalf of Contractor comply with all of the requirements of the WIC Policy and Procedures Manual, Program rules and all state and federal laws and amendments governing and regulating the WIC Program.

General Provisions, Payment Methods and Restrictions Article IV, Section 4.01, Payment Methods, is hereby modified to include the following paragraphs:

The participant caseload will be assigned by DSHS by giving written notice to Contractor. The participant caseload is subject to change upon written notice to Contractor from DSHS with Contractor's concurrence. Contractor assumes liability for all food costs resulting from Contractor exceeding its assigned caseload. The number of individuals served in excess of assigned caseload are not to be included in the calculation of earned administrative funds as described below.

DSHS will reimburse Contractor for administrative costs incurred when determining eligibility, providing appropriate nutrition education and counseling, issuing food instruments, making participant referrals, vendor evaluation, outreach, start-up costs and general administrative support.

Administrative costs will be reimbursed based on actual costs, but not to exceed the "maximum reimbursement" set out below, based upon the sum of the participants who actually receive food instruments each month plus infants who do not receive any food instruments whose breastfeeding mothers were participants to the extent that the total so

derived does not exceed Contractor's total assigned caseload within any given month. Surplus funds (the amount by which maximum reimbursements exceed actual costs) can be accumulated and carried forward within the Program Attachment term. Surplus encumbered by September 30 shall be billed and vouchers received by DSHS no later than sixty (60) calendar days following the term of the program attachment.

PARTICIPANTS SERVED PER MONTH MAXIMUM REIMBURSEMENT:

During the term of the Program Attachment, Contractor shall earn administrative funds at the rate of \$10.69 for each participant served as defined above.

DSHS may pay for additional goods or services as specified in this Attachment if provided by Contractor during the term of this Attachment (but not otherwise paid during the term of this Attachment) if it is in the best interest of DSHS to do so, and funds are available.

The Contractor will be notified if a change in funding occurs and will have thirty (30) days to provide written notice to the DSHS if it intends to terminate this Program Attachment.

Contractor agrees that:

- (1) Contractor shall identify and document separately not less than 19% of total administrative costs as expenditures directly related to nutrition education and counseling. Nutrition education and counseling expenditures shall be supported by documentation of participant attendance or non-attendance within the DSHS WIC Program.
- (2) DSHS will reimburse Contractor for administrative expenses at a rate not greater than 5.26 times the amount of properly documented expenditures for nutrition education and counseling, but not more than is earned based on actual participation not to exceed Contractor's assigned participant caseload, plus any incentive funds allocated to Contractor by DSHS.
- (3) DSHS will limit (cap) reimbursement of Contractor's indirect costs at twenty (20) percent applied to Contractor's total direct salaries plus benefits reimbursed by DSHS.
- (4) DSHS will identify annually to Contractor an amount of funds that shall be spent for breastfeeding promotion. The allocation of breastfeeding funds to Contractor will be based on Contractor's proportional share of the statewide combined total of pregnant and breastfeeding participants as reported to DSHS WIC Program.
- (5) DSHS WIC Program also reserves the right to withhold a proportionate amount of earned administrative funds when evidence exists that nutrition education and/or

breastfeeding promotion is not being provided by Contractor, or Contractor is not complying with the provisions of USDA and/or DSHS directives.

- (6) DSHS reserves the right to utilize a competitive offering for the award of any future contracts at the end of the term of this Program Attachment.
- (7) DSHS may amend or terminate this Program Attachment if available funds become reduced, depleted, or unavailable during the term of the Program Attachment to the extent that the WIC Program is unable to provide administrative funding at the rate(s) stated in this Program Attachment. DSHS will provide written notification to Contractor of such fact.
- (8) DSHS may pay for additional services as specified in this Program Attachment if provided by Contractor during the term of this Program Attachment (but not otherwise paid during the term of this Program Attachment) if it is in the best interest of DSHS and DSHS WIC Program to do so. If Contractor exceeds the amount of earned administrative funds as stated above, Contractor shall continue to bill DSHS for the services provided. If additional funds become available at a later date for the provision of these services, DSHS WIC Program may pay Contractor a share of these funds.
- (9) DSHS may provide incentives to Contractor's Local WIC Agencies for participants who are provided WIC services outside the normal traditional hours to the extent that federal funding is available.
- (10) During the term of this Program Attachment, DSHS may adjust the base reimbursement rate as defined in this Program Attachment if it is in the best interest of DSHS and the DSHS WIC Program and if administrative WIC Grant funds change.

Contractor shall indicate separately on the face of the claim for reimbursement (State of Texas Purchase Voucher, Form B-13) the costs associated with nutrition education, breast-feeding, and other administrative costs.

General Provisions, Payment Methods and Restrictions Article IV, Section 4.04, Working Capital Advance, is not applicable to this Program Attachment. However, Contractor will be allowed the option of receiving a two (2) month cash advance in accordance with WIC Program Policy and Procedures.

General Provisions, Records Retention Article VIII, Section 8.01, Retention shall be replaced with the following:

Recordkeeping requirements. Contractor shall maintain full and complete records concerning Program operations. Such records shall comply with 7 CFR Part 3016 and the following requirements:

- (1) Records shall include, but not be limited to, information pertaining to financial operations, food delivery systems, food instrument issuance and redemption, equipment purchases and inventory, certification, nutrition education, civil rights and fair hearing procedures.
- (2) All records shall be retained for a minimum of three years following the date of submission of the final expenditure report for the period to which the report pertains. If any litigation, claim, negotiation, audit or other action involving the records has been started before the end of the three-year period, the records shall be kept until all issues are resolved, or until the end of the regular three-year period, whichever is later. If USDA deems any of the WIC program records to be of historical interest, it may require DSHS or the Contractor to forward such records to the USDA whenever either entity is disposing of them.
- (3) Records for nonexpendable property acquired in whole or in part with WIC program funds shall be retained for three years after its final disposition.
- (4) All records shall be available during normal business hours for representatives of the USDA, DSHS and the Comptroller General of the United States to inspect, audit, and copy. Any reports or other documents resulting from the examination of such records that are publicly released may not include confidential applicant or participant information.

General Provisions, Notice Requirements Article X, Section 10.01, Child Abuse Reporting Requirement, is hereby amended to include the following:

If Contractor chooses to interview a client to determine if an affirmative defense to prosecution exists, as defined by DSHS, which would allow them under the DSHS policy to not make a report of child abuse, the Contractor shall conduct these interviews in the following manner:

- For ineligible clients, the interview shall be conducted after the entire WIC visit is done. For eligible clients, the interview may occur at the point in time when all WIC activities, including communication of eligibility and individual counseling, are completed with the exception of food instrument issuance.
- The interview shall be conducted only by a competent authority or a supervisor and in a confidential setting.
- Prior to asking the client any questions, the interviewer shall inform the client that the questions have no bearing on the client's WIC eligibility and receipt of services.

General Provisions, General Business Operations of Contractor Article XII, Section 12.02, Management and Control Systems, Item a, regarding internal budgeting and Item c, regarding billing, collection, and fee schedules are not applicable to this Program Attachment.

General Provisions, General Business Operations of Contractor Article XII, Section 12.06, Overtime Compensation, is not applicable to this Program Attachment.

General Provisions, General Business Operations of Contractor Article XII, the last three sentences of Section 12.20, Equipment (including Controlled Assets) Purchases, are not applicable to this Program Attachment.

Contractor shall also maintain an inventory of equipment and designated reportable assets placed in the custody of the Contractor by DSHS. Contractor shall submit an annual cumulative report to DSHS Property Management Group in a format and upon a delivery date designated by DSHS. Contractor shall administer a program of maintenance, repair and protection of assets under this Contract so as to assure their full availability and usefulness. In the event Contractor is indemnified, reimbursed, or otherwise compensated for any loss of, destruction of, or damage to the assets provided under this Contract, it shall use the proceeds to repair or replace said assets.

General Provisions, General Business Operations of Contractor Article XII, Section 12.26, Property Acquisitions, is not applicable to this Program Attachment.

General Provisions, General Terms Article XIII, Section 13.15, Amendment, shall be replaced with the following:

Parties agree that the Department may unilaterally reduce funds pursuant to the terms of this Contract without the written agreement of Contractor. All other amendments to this contract must be in writing through letters of amendment. By signing this Contract, Contractor agrees to abide by all letters of revisions to the Contract.

Contractor shall expend program income during the Program Attachment term and may not carry forward to any succeeding term. Program income not expended in the term in which it is earned shall be refunded to DSHS. DSHS may base future funding levels, in part, upon Contractor's proficiency in identifying, billing, collecting, and reporting program income, and in utilizing it for the purposes and conditions set forth in this Contract.

Section 3.06 **Nonsupplanting.** Contractor shall not supplant (i.e., use funds from this Contract to replace or substitute existing funding from other sources that also supports the activities that are the subject of this Contract) but rather shall use funds from this Contract to supplement existing state or local funds currently available for a particular activity. Section 4.03 Final Billing Submission. Unless otherwise provided by the Department, Contractor shall submit a reimbursement or payment request as a final close-out bill not later than sixty (60) calendar days following the end of the term of the Program Attachment for goods received and services rendered during the term. If necessary to meet this deadline, Contractor may submit reimbursement or payment requests by facsimile transmission. Reimbursement or payment requests received in DSHS's offices more than sixty (60) calendar days following the end of the applicable term will not be paid. Consideration of requests for an exception will be made on a case-by-case basis, subject to the availability of funding, and only for an extenuating circumstance, such as, a catastrophic event, natural disaster, or criminal activity that substantially interferes with normal business operations, or causes damage or destruction of a place of business and/or records. A written statement describing the extenuating circumstance and the last request for reimbursement must be submitted for review and approval to the DSHS Accounting Section.

Section 4.05 Financial Status Reports (FSRs). Except as otherwise provided in these General Provisions or in the terms of the Program Attachment(s), for contracts with categorical budgets, Contractor shall submit quarterly FSRs to Accounts Payable by the thirtieth calendar day of the month following the end of each quarter of the Program Attachment term for Department review and financial assessment. The final FSR must be submitted not later than sixty (60) days following the end of the applicable term.

Section 4.06 Third Party Payors. A third party payor is any person or entity who has the legal responsibility for paying for all or part of the services provided, including commercial health or liability insurance carriers, Medicaid, or other federal, state, local, and private funding sources. Except as provided in this Contract, Contractor shall screen all clients and shall not bill the Department for services eligible for reimbursement from third party payors. Contractor shall (a) enroll as a provider in Children's Health Insurance Program and Medicaid if providing approved services authorized under this Contract that may be covered by those programs, and bill those programs for the covered services; (b) provide assistance to individuals to enroll in such programs when the screening process indicates possible eligibility for such programs; (c) allow clients that are otherwise eligible for Department services, but cannot pay a deductible required by a third party payor, to receive services up to the amount of the deductible and to bill

the Department for the deductible; (d) not bill the Department for any services eligible for third party reimbursement until all appeals to third party payors have been exhausted, in which case the 30-day requirement in the Billing Submission section will be extended until all such appeals have been exhausted; (e) maintain appropriate documentation from the third party payor reflecting attempts to obtain reimbursement; (f) bill all third party payors for services provided under this Contract before submitting any request for reimbursement to Department; and (g) provide third party billing functions at no cost to the client.

Payments and reimbursements are contingent upon a signed Contract and will not exceed the total amount of authorized funds under this Contract. Contractor is entitled to payment or reimbursement only if the service, work, and/or product has been authorized by the Department and performed or provided pursuant to this Contract. If those conditions are met, Department will make payment in accordance with the Texas prompt payment law (Tex. Gov. Code Chapter 2251). Contractor must comply with Tex. Gov. Code Chapter 2251 regarding its prompt payment obligations to subcontractors. Payment of invoices by the Department shall not constitute acceptance or approval of Contractor's performance, and all invoices and Contractor's performance are subject to audit or review by the Department.

Section 5.02 Withholding Payments. Department may withhold all or part of any payments to Contractor to offset reimbursement for any ineligible expenditures, disallowed costs, or overpayments that Contractor has not refunded to Department, or if financial status report(s) required by the Department are not submitted by the date(s) due. Department may take repayment (recoup) from funds available under this Contract in amounts necessary to fulfill Contractor's repayment obligations.

Section 5.03 Condition Precedent to Requesting Payment. Contractor shall disburse program income, rebates, refunds, contract settlements, audit recoveries, and interest earned on such funds before requesting cash payments including any advance payments from Department.

Contractor agrees to make a good faith effort to subcontract with HUBs during the performance of this Contract and shall report HUB subcontract activity to the Department's HUB Coordinator by the 15th day of each month for the prior month's activity, if there was any such activity, in accordance with 34 Tex. Contractor is responsible to DSHS for the performance of any subcontractor. Contractor shall monitor subcontractors for both financial and programmatic performance and shall maintain pertinent records that must be available for inspection by DSHS. Contractor shall ensure that subcontractors are fully aware of the requirements placed upon them by state/federal statutes, rules, and regulations and under this Contract. Contractor shall not contract with a subcontractor, at any tier, that is debarred or suspended or excluded from or ineligible for participation in federal assistance programs.

Section 12.13 Status of Subcontractors. Contractor shall include in all its contracts with subcontractors, the certifications stated in the Assurances and Certifications Article of these General Provisions. Contractor shall also require all subcontractors to certify that they are not delinquent on any repayment agreements; have not had a required license or certification revoked; and have not had a contract terminated by the Department. Contractors shall further require that subcontractors certify that they have not voluntarily surrendered within the past three (3) years any license issued by the Department.

Section 12.15 Independent Contractor. Contractor is an independent contractor. Contractor shall direct and be responsible for the performance of its employees, subcontractors, joint venture participants or agents. Contractor is not an agent or employee of the Department or the State of Texas for any purpose whatsoever. For purposes of this Contract, Contractor acknowledges that its employees, subcontractors, joint venture participants or agents will not be eligible for unemployment compensation from the Department or the State of Texas.

Section 12.16 Authority to Bind. The person or persons signing this Contract on behalf of Contractor, or representing themselves as signing this Contract on behalf of Contractor, warrant and guarantee that they have been duly authorized by Contractor to execute this Contract for Contractor and to validly and legally bind Contractor to all of its terms.

Section 12.17 Tax Liability. Contractor shall comply with all state and federal tax laws and is solely responsible for filing all required state and federal tax forms and making all tax payments. In the event that the Department discovers that Contractor has failed to remain current on a liability to the IRS, this Contract will be subject to remedies and sanctions under this Contract, including immediate termination at the Department's discretion. In the event of Contract termination under this section, the Department will not enter into a contract with Contractor for three (3) years from the date of termination.

Section 12.18 Notice of Organizational Change. Contractor shall submit written notice to the Division Contract Management Unit assigned to the Program Attachment within ten (10) business days of any change to the following: Contractor's name; contact information; key personnel, officer, director or partner; organizational structure; legal standing; or authority to do business in Texas. Section 12.20 Equipment (Including Controlled Assets) Purchases. Equipment means an article of nonexpendable, tangible personal property having a useful lifetime of more than one year and an acquisition cost of \$5,000 or more, and "controlled assets." Controlled assets include firearms regardless of the acquisition cost, and the following assets with an acquisition cost of \$500 or more: desktop and laptop computers, non-portable printers and copiers,

emergency management equipment, communication devices and systems, medical and laboratory equipment, and media equipment. Contractors on a cost reimbursement payment method shall inventory all equipment. If the purchase of equipment is approved in writing by the Department, Contractor is required to initiate the purchase of that equipment in the first quarter of the Contract or Program Attachment term, as applicable. Failure to initiate the purchase of equipment may result in loss of availability of funds for the purchase of equipment. Requests to purchase previously approved equipment after the first quarter of the Program Attachment must be submitted to the Division Contract Management Unit assigned to the Program Attachment.

Section 12.21 Supplies. Supplies are defined as consumable items necessary to carry out the services under this Contract including medical supplies, drugs, janitorial supplies, office supplies, patient educational supplies, software, and any items of tangible personal property other than those defined as equipment above.

Section 12.22 Changes to Equipment List. All items of equipment purchased with funds under this Contract shall be itemized in Contractor's equipment list as finally approved by the Department in the executed Contract. Any changes to the approved equipment list in the executed Contract must be approved in writing by Department prior to the purchase of equipment. Contractor shall submit to the Division Contract Management Unit assigned to the Program Attachment, a written description including complete product specifications and need justification prior to purchasing any item of unapproved equipment. If approved, Department will acknowledge its approval by means of a written amendment or by written acceptance of Contractor's Contract Revision Request, as appropriate.

Section 12.23 Equipment Inventory and Protection of Assets. Contractor shall maintain an inventory of equipment and submit an annual cumulative report to the Department's Contract Oversight and Support Section, Mail Code 1326, P.O. Box 149347, Austin, Texas 78714-9347, no later than October 15th of each year. The report is located on the DSHS website at <http://www.dshs.state.tx.us/contracts/forms.shtm>. Contractor shall administer a program of maintenance, repair, and protection of assets under this Contract so as to assure their full availability and usefulness. In the event Contractor is indemnified, reimbursed, or otherwise compensated for any loss of, destruction of, or damage to the assets provided under this Contract, Contractor shall use the proceeds to repair or replace those assets.

Section 12.24 Bankruptcy. In the event of bankruptcy, Contractor shall sever Department property, equipment, and supplies in possession of Contractor from the bankruptcy, and title shall revert to Department. If directed by DSHS, Contractor shall return all such property, equipment and supplies to DSHS. Contractor shall ensure that its subcontracts, if any, contain a specific provision requiring that in the event the subcontractor's bankruptcy, the subcontractor must sever Department property, equipment, and supplies in possession of the subcontractor from the bankruptcy, and title reverts to Department, who may require that the property, equipment and supplies be returned to DSHS.

Section 12.25 Title to Property. At the conclusion of the contractual relationship between the Department and the Contractor, for any reason, title to any remaining equipment and supplies purchased with funds under this Contract reverts to Department. Title may be transferred to any

other party designated by Department. The Department may, at its option and to the extent allowed by law, transfer the reversionary interest to such property to Contractor.

Section 12.26 Property Acquisitions. Department funds may not be used to purchase buildings or real property. Any costs related to the initial acquisition of the buildings or real property are not allowable.

Section 12.27 Disposition of Property. Contractor shall follow the procedures in the American Hospital Association's (AHA's) "Estimated Useful Lives of Depreciable Hospital Assets" in disposing, at any time during or after the Contract term, of equipment purchased with the Department funds, except when federal or state statutory requirements supersedes or when the equipment requires licensure or registration by the state, or when the acquisition price of the equipment is equal to or greater than \$5,000. All other equipment not listed in the AHA reference (other than equipment that requires licensure or registration or that has an acquisition cost equal to or greater than \$5,000) shall be controlled by the requirements of UGMS. If, prior to the end of the useful life, any item of equipment is no longer needed to perform services under this Contract, or becomes inoperable, or if the equipment requires licensure or registration or had an acquisition price equal to or greater than \$5,000, Contractor shall request disposition approval and instructions in writing from the Division Contract Management Unit assigned to the Program Attachment. After an item reaches the end of its useful life, Contractor must ensure that disposition of any equipment is in accordance with Generally Accepted Accounting Principles, and any applicable federal guidance.

Section 12.28 Closeout of Equipment. At the end of the term of a Program Attachment that has no additional renewals or that will not be renewed (Closeout) or when a Program Attachment is otherwise terminated, Contractor shall submit to the Division Contract Management Unit assigned to the Program Attachment, an inventory of equipment purchased with Department funds and request disposition instructions for such equipment. All equipment purchased with Department funds shall be secured by the Contractor at the time of Closeout or termination of the Program Attachment and shall be disposed of according to the Department's disposition instructions, which may include return of the equipment to DSHS or transfer of possession to another DSHS contractor, at the Contractor's expense.

Section 12.29 Assets as Collateral Prohibited. Contractors on a cost reimbursement payment method shall not encumber equipment purchased with Department funds without prior written approval from the Department.

ARTICLE XIII GENERAL TERMS

Section 13.01 Assignment. Contractor shall not transfer, assign, or sell its interest, in whole or in part, in this Contract, or in any equipment purchased with funds from this Contract, without the prior written consent of the Department.

Section 13.02 Lobbying. Contractor shall comply with Tex. Gov Code § 556.0055, which prohibits contractors who receive state funds from using those funds to pay lobbying expenses. Further, Contractor shall not use funds paid under this Contract to pay any person for influencing or attempting to influence an officer or employee of any federal or state agency, a member of

Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any contract or the extension, continuation, renewal, amendment, or modification of any contract (31 USC § 1352 and UGMS). If at any time this Contract exceeds \$100,000 of federal funds, Contractor shall file with the Division Contract Management Unit assigned to the Program Attachment a declaration containing the name of any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on behalf of Contractor in connection with this Contract, a certification that none of the funds provided by Department have been or will be used for payment to lobbyists, and disclosure of the names of any and all registered lobbyists with whom Contractor has an agreement. Contractor shall file the declaration, certification, and disclosure at the time of application for this Contract; upon execution of this Contract unless Contractor previously filed a declaration, certification, or disclosure form in connection with the award; and at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the information contained in any declaration, certification, or disclosure previously filed. Contractor shall require any person who requests or receives a subcontract to file the same declaration, certification, and disclosure with the Division Contract Management Unit assigned to the Program Attachment. Contractor shall also comply, as applicable, with the lobbying restrictions and requirements in OMB Circulars A-122 Attachment B paragraph 25; A-87 Attachment B section 27; A-110 section__27 and A-21 paragraphs 17 and 24. Contractor shall include this provision in any subcontracts.

Section 13.03 Conflict of Interest. Contractor represents to the Department that it does not have nor shall it knowingly acquire any financial or other interest that would conflict in any manner with the performance of its obligations under this Contract. Potential conflicts of interest include, but are not limited to, an existing or potential business or personal relationship between Contractor, its principal (or a member of the principal's immediate family), or any affiliate or subcontractor and Department or HHSC, their commissioners, officers or employees, or any other entity or person involved in any way in any project that is the subject of this Contract. Contractor shall establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain.

Section 13.04 Transactions Between Related Parties. Contractor shall identify and report to DSHS any transactions between Contractor and a related party that is part of the work that the Department is purchasing under this Contract before entering into the transaction or immediately upon discovery. Contractor shall submit to the Division Contract Management Unit assigned to the Program Attachment the name, address and telephone number of the related party, how the party is related to the Contractor and the work the related party will perform under this Contract. A related party is a person or entity related to the Contractor by blood or marriage, common ownership or any association that permits either to significantly influence or direct the actions or policies of the other. The Contractor, for purposes of reporting transactions between related parties, includes the entity contracting with the Department under this Contract as well as the chief executive officer, chief financial officer and program director of the Contractor. Contractor shall comply with Tex. Gov. Code Chapter 573. Contractor shall maintain records and supply any additional information requested by the Department, regarding a transaction between related parties, needed to enable the Department to determine the appropriateness of the transaction pursuant to applicable state or federal law, regulations or circulars, which may include 45 CFR part 74, OMB Circ. No. A-110, 2 CFR § 215.42, and UGMS.

Section 13.05 Intellectual Property. Tex. Health & Safety Code § 12.020 authorizes DSHS to protect intellectual property developed as a result of this Contract.

- a) "Intellectual property" means created property that may be protected under copyright, patent, or trademark/service mark law.
- b) For purposes of this Contract intellectual property prepared for DSHS use, or a work specially ordered or commissioned through a contract for DSHS use is "work made for hire." DSHS owns works made for hire unless it agrees otherwise by contract. To the extent that title and interest to any such work may not, by operation of law, vest in DSHS, or such work may not be considered a work made for hire, Contractor irrevocably assigns the rights, title and interest therein to DSHS. DSHS shall have the right to obtain and hold in its name any and all patents, copyright, registrations or other such protections as may be appropriate to the subject matter, and any extensions and renewals thereof. Contractor must give DSHS and the State of Texas, as well as any person designated by DSHS and the State of Texas, all assistance required to perfect the rights defined herein without charge or expense beyond those amounts payable to Contractor for goods provided or services rendered under this Contract.
- c) If federal funds are used to finance activities supported by this Contract that result in the production of intellectual property, the federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for federal government purposes (1) the copyright in any intellectual property developed under this Contract, including any subcontract; and (2) any rights of copyright to which a Contractor purchases ownership with contract funds. Contractor shall place an acknowledgment of federal awarding agency grant support and a disclaimer, as appropriate, on any publication written or published with such support and, if feasible, on any publication reporting the results of or describing a grant-supported activity. An acknowledgment shall be to the effect that "This publication was made possible by grant number _____ from (federal awarding agency)" or "The project described was supported by grant number _____ from (federal awarding agency)" and "Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the (federal awarding agency)."
- d) In the event the terms of a federal grant award the copyright to Contractor, DSHS reserves a royalty-free, nonexclusive, worldwide and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for DSHS, public health, and state governmental noncommercial purposes (1) the copyright, trademark, service mark, and/or patent on an invention, discovery, or improvement to any process, machine, manufacture, or composition of matter; products; technology; scientific information; trade secrets; and computer software, in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (2) any rights of copyright, service or trade marks or patents to which a grantee, subgrantee or a Contractor purchases ownership with contract funds.
- e) If the results of the contract performance are subject to copyright law, the Contractor cannot publish those results without prior review and approval of DSHS. Contractor shall submit requests for review and approval to the Division Contract Management Unit assigned to the Program Attachment.

Section 13.06 Other Intangible Property. At the conclusion of the contractual relationship between Department and the Contractor, for any reason, Department shall have the sole ownership rights and interest in all non-copyrightable intangible property that was developed, produced or obtained by Contractor as a specific requirement under this Contract or under any grant that funds this Contract, such as domain names, URLs, etc. Contractor shall cooperate with Department and perform all actions necessary to transfer ownership of such property to the Department or its designee, or otherwise affirm Department's ownership rights and interest in such property. This provision shall survive the termination or expiration of this Contract.

Section 13.07 Severability and Ambiguity. If any provision of this Contract is construed to be illegal or invalid, the illegal or invalid provision will be deemed stricken and deleted to the same extent and effect as if never incorporated, but all other provisions will continue. The Parties represent and agree that the language contained in this Contract is to be construed as jointly drafted, proposed and accepted.

Section 13.08 Legal Notice. Any notice required or permitted to be given by the provisions of this Contract shall be deemed to have been received by a Party on the third business day after the date on which it was mailed to the Party at the address specified by the Party to the other Party in writing or, if sent by certified mail, on the date of receipt.

Section 13.09 Successors. This Contract shall be binding upon the Parties and their successors and assignees, except as expressly provided in this Contract.

Section 13.10 Headings. The articles and section headings used in this Contract are for convenience of reference only and shall not be construed in any way to define, limit or describe the scope or intent of any provisions.

Section 13.11 Parties. The Parties represent to each other that they are entities fully familiar with transactions of the kind reflected by the contract documents, and are capable of understanding the terminology and meaning of their terms and conditions and of obtaining independent legal advice pertaining to this Contract.

Section 13.12 Survivability of Terms. Termination or expiration of this Contract or a Program Attachment for any reason shall not release either Party from any liabilities or obligations set forth in this Contract that (a) the Parties have expressly agreed shall survive any such termination or expiration, or (b) remain to be performed or (c) by their nature would be intended to be applicable following any such termination or expiration.

Section 13.13 Direct Operation. At the Department's discretion, the Department may temporarily assume operations of a Contractor's program or programs funded under this Contract when the continued operation of the program by Contractor puts at risk the health or safety of clients and/or participants served by the Contractor.

Section 13.14 Customer Service Information. If requested, Contractor shall supply such information as required by the Department to comply with the provisions of Tex. Gov. Code Chapter 2114 regarding Customer Service surveys.

Section 13.15 Amendment. Parties agree that the Department may unilaterally reduce funds pursuant to the terms of this Contract without the written agreement of Contractor. All other amendments to this Contract must be in writing and agreed to by both Parties, except as otherwise specified in the Contractor's Notification of Change to Certain Contract Provisions section or the Contractor's Request for Revision to Certain Contract Provisions section of this Article. Contractor's request for certain budget revisions or other amendments must be submitted in writing, including a justification for the request, to the Division Contract Management Unit assigned to the Program Attachment; and if a budget revision or amendment is requested during the last quarter of the Contract or Program Attachment term, as applicable, Contractor's written justification must include a reason for the delay in making the request. Revision or other amendment requests may be granted at the discretion of DSHS. Except as otherwise provided in this Article, Contractor shall not perform or produce, and DSHS shall not pay for the performance or production of, different or additional goods, services, work or products except pursuant to an amendment of this Contract that is executed in compliance with this section; and DSHS may not waive any term, covenant, or condition of this Contract unless by amendment or otherwise in compliance with this Article.

Section 13.16 Contractor's Notification of Change to Certain Contract Provisions. The following changes may be made to this Contract without a written amendment or the Department's prior approval:

- a) contractor's contact person and contact information;
- b) contact information for key personnel, as stated in Contractor's response to the Solicitation Document, if any;
- c) cumulative budget line item transfers that exceed 10% among direct cost categories, other than the equipment category, of cost reimbursement contract Program Attachments of less than \$100,000, provided that the total budget amount is unchanged;
- d) minor corrections or clarifications to the Contract language that in no way alter the scope of work, objectives or performance measures; and
- e) a change in the Contractor's share of the budget concerning non-DSHS funding other than program income and match, regardless of the amount of the change, provided that in changing the budget, Contractor is not supplanting DSHS funds.

Contractor within ten (10) calendar days shall notify in writing the Division Contract Management Unit assigned to the Program Attachment of any change enumerated in this section. The notification may be by letter, fax or email. Cumulative budget line item transfers of 10% or less among direct cost categories, other than equipment, of cost reimbursement contracts of any amount do not require written amendment or prior approval or notification.

Section 13.17 Contractor's Request for Revision of Certain Contract Provisions. A Contractor's Revision Request is an alternative method for amending certain specified provisions of this Contract that is initiated by the Contractor, but must be approved by DSHS. The following amendments to this Contract may be made through a Contractor's Revision Request, rather than through the amendment process described in the Amendment section of this Article:

- a) cumulative budget line item transfers among direct cost categories, other than the equipment category, that exceed 10% of Program Attachments of \$100,000 or more, provided that the total budget amount is unchanged;

- b) line item transfer to other categories of funds for direct payment to trainees for training allowances;
- c) change in clinic hours or location;
- d) change in equipment list substituting an item of equipment equivalent to an item of equipment on the approved budget, (For example, purchase of XYZ brand computer instead of approved ABC brand computer with essentially identical features as the XYZ computer);
- e) changes in the equipment category of a previously approved equipment budget (other than acquisition of additional equipment, which requires an amendment to this Contract);
- f) changes specified in applicable OMB Circular cost principles as requiring prior approval, regardless of dollar threshold (e.g., foreign travel expenses, overtime premiums, membership fees); and
- g) changes to community sites, independent school districts or schools, in substance abuse Program Attachments.

In order to request a revision of any of the enumerated provisions, Contractor shall obtain a Contract Revision Request form from the DSHS website and complete the form as directed by the Department. Two copies of the completed form must be signed by Contractor's representative who is authorized to sign contracts on behalf of Contractor, and both original, signed forms must be submitted to the Division Contract Management Unit assigned to the Program Attachment. Any approved revision will not be effective unless signed by the DSHS Director of the Client Services Contracting Unit. A separate Contractor Revision Request is required for each Program Attachment to be revised. Circumstances of a requested contract revision may indicate the need for an amendment described in the Amendment section of this Article rather than a contract revision amendment under this section.

Section 13.18 Immunity Not Waived. THE PARTIES EXPRESSLY AGREE THAT NO PROVISION OF THIS CONTRACT IS IN ANY WAY INTENDED TO CONSTITUTE A WAIVER BY DEPARTMENT OR THE STATE OF TEXAS OF ANY IMMUNITIES FROM SUIT OR FROM LIABILITY THAT DEPARTMENT OR THE STATE OF TEXAS MAY HAVE BY OPERATION OF LAW.

Section 13.19 Hold Harmless and Indemnification. Contractor, as an independent contractor, agrees to hold Department, the State of Texas, individual state employees and officers, and the federal government harmless and to indemnify them from any and all liability, suits, claims, losses, damages and judgments, and to pay all costs, fees, and damages to the extent that such costs, fees, and damages arise from performance or nonperformance of Contractor, its employees, subcontractors, joint venture participants or agents under this Contract.

Section 13.20 Waiver. Acceptance by either Party of partial performance or failure to complain of any action, non-action or default under this Contract shall not constitute a waiver of either Party's rights under this Contract.

Section 13.21 Electronic and Information Resources Accessibility Standards. As required by 1 Tex. Admin. Code Chapter 213, as a state agency, DSHS must procure products that comply with the State of Texas Accessibility requirements for Electronic and Information Resources specified in 1 Tex. Admin. Code Chapter 213 when such products are available in the

commercial marketplace or when such products are developed in response to a procurement solicitation. If performance under this Contract includes the development, modification or maintenance of a website or other electronic and information resources for DSHS or for the public on behalf of DSHS, Contractor shall provide the Department of Information Resources (DIR) with the URL to its Voluntary Product Accessibility Template (VPAT) for reviewing compliance with the State of Texas Accessibility requirements (based on the federal standards established under Section 508 of the Rehabilitation Act), or indicate that the product/service accessibility information is available from the General Services Administration "Buy Accessible Wizard" (<http://www.buyaccessible.gov>). Contractors not listed with the "Buy Accessible Wizard" or supplying a URL to their VPAT must provide DIR with a report that addresses the same accessibility criteria in substantively the same format. Additional information regarding the "Buy Accessible Wizard" or obtaining a copy of the VPAT is located at <http://www.section508.gov/>.

Section 13.22 Force Majeure. Neither Party will be liable for any failure or delay in performing all or some of its obligations, as applicable, under this Contract if such failure or delay is due to any cause beyond the reasonable control of such Party, including, but not limited to, extraordinarily severe weather, strikes, natural disasters, fire, civil disturbance, epidemic, war, court order, or acts of God. The existence of any such cause of delay or failure will extend the period of performance in the exercise of reasonable diligence until after the cause of the delay or failure has been removed and, if applicable, for any reasonable period of time thereafter required to resume performance. A Party, within a period of time reasonable under the circumstances, must inform the other by any reasonable method (phone, email, etc.) and, as soon as practicable, must submit written notice with proof of receipt, of the existence of a force majeure event or otherwise waive the right as a defense to non-performance.

Section 13.23 Interim Contracts. The Parties agree that the Contract and/or any of its Program Attachments shall automatically continue as an "Interim Contract" beyond the expiration date of the term of the Contract or Program Attachment(s), as applicable, under the following circumstances: (1) on or shortly prior to the expiration date of the Contract or Program Attachment, there is a state of disaster declared by the Governor that affects the ability or resources of the DSHS contract or program staff managing the Contract to complete in a timely manner the extension, renewal, or other standard contract process for the Contract or Program Attachment; and (2) DSHS makes the determination in its sole discretion that an Interim Contract is appropriate under the circumstances. DSHS shall notify Contractor promptly in writing if such a determination is made. The notice will specify whether DSHS is extending the Contract or Program Attachment for additional time for Contractor to perform or complete the previously contracted goods and services (with no new or additional funding) or is purchasing additional goods and services as described in the Program Attachment for the term of the Interim Contract, or both. The notice will include billing instructions and detailed information on how DSHS will fund the goods or services to be procured during the Interim Contract term. The Interim Contract will terminate thirty (30) days after the disaster declaration is terminated unless the Parties agree to a shorter period of time.

ARTICLE XIV BREACH OF CONTRACT AND REMEDIES FOR NON-COMPLIANCE

Section 14.01 Actions Constituting Breach of Contract. Actions or inactions that constitute breach of contract include, but are not limited to, the following:

- a) failure to properly provide the services and/or goods purchased under this Contract;
- b) failure to comply with any provision of this Contract, including failure to comply with all applicable statutes, rules or regulations;
- c) failure to pay refunds or penalties owed to the Department;
- d) failure to comply with a repayment agreement with the Department or agreed order issued by the Department;
- e) failure by Contractor to provide a full accounting of funds expended under this Contract;
- f) discovery of a material misrepresentation in any aspect of Contractor's application or response to the Solicitation Document;
- g) any misrepresentation in the assurances and certifications in the Contractor's application or response to the Solicitation Document or in this Contract; or
- h) Contractor is on or is added to the Excluded Parties List System (EPLS).

Section 14.02 General Remedies and Sanctions. The Department will monitor Contractor for both programmatic and financial compliance. The remedies set forth below are available to the Department against Contractor and any entity that subcontracts with Contractor for provision of services or goods. HHSC OIG may investigate, audit and impose or recommend imposition of sanctions to Department for any breach of this Contract and may monitor Contractor for financial compliance. The Department may impose one or more remedies or sanctions for each item of noncompliance and will determine sanctions on a case-by-case basis. Contractor is responsible for complying with all of the terms of this Contract. The listing of or use of one or more of the remedies or sanctions listed below does not relieve Contractor of any obligations under this Contract. A state or federal statute, rule or regulation, or federal guideline will prevail over the provisions of this Article unless the statute, rule, regulation, or guideline can be read together with the provision(s) of this Article to give effect to both. If the Contractor breaches this Contract by failing to comply with one or more of the terms of this Contract, including but not limited to compliance with applicable statutes, rules or regulations, the Department may take one or more of the actions listed below:

- a) terminate this Contract or a Program Attachment of this Contract as it relates to a specific program type. In the case of termination, the Department will inform Contractor of the termination no less than thirty (30) calendar days before the effective date of the termination in a notice of termination, except for circumstances that require immediate termination as described in the Emergency Action section of this Article. The notice of termination will state the effective date of the termination, the reasons for the termination, and, if applicable, alert the Contractor of the opportunity to request a hearing on the termination pursuant to Tex. Gov. Code Chapter 2105 regarding administration of Block Grants. The Contractor agrees that it shall not make any claim for payment or reimbursement for services provided from the effective date of termination;
- b) suspend all or part of this Contract. Suspension is, depending on the context, either (1) the temporary withdrawal of Contractor's authority to obligate funds pending corrective action by Contractor or its subcontractor(s) or pending a decision to terminate or amend

this Contract, or (2) an action taken by the Department to immediately exclude a person from participating in contract transactions for a period of time, pending completion of an investigation and such legal or debarment proceedings as may ensue. Contractor may not bill DSHS for services performed during suspension, and Contractor's costs resulting from obligations incurred by Contractor during a suspension are not allowable unless expressly authorized by the notice of suspension;

- c) deny additional or future contracts with Contractor;
- d) reduce the funding amount for failure to 1) provide goods and services as described in this Contract or consistent with Contract performance expectations, 2) achieve or maintain the proposed level of service, 3) expend funds appropriately and at a rate that will make full use of the award, or 4) achieve local match, if required;
- e) disallow costs and credit for matching funds, if any, for all or part of the activities or action not in compliance;
- f) temporarily withhold cash payments. Temporarily withholding cash payments means the temporary withholding of a working capital advance, if applicable, or reimbursements or payments to Contractor for proper charges or obligations incurred, pending resolution of issues of noncompliance with conditions of this Contract or indebtedness to the United States or to the State of Texas;
- g) permanently withhold cash payments. Permanent withholding of cash payment means that Department retains funds billed by Contractor for (1) unallowable, undocumented, disputed, inaccurate, improper, or erroneous billings; (2) material failure to comply with Contract provisions; or (3) indebtedness to the United States or to the State of Texas;
- h) declare this Contract void upon the Department's determination that this Contract was obtained fraudulently or upon the Department's determination that this Contract was illegal or invalid from this Contract's inception and demand repayment of any funds paid under this Contract;
- i) request that Contractor be removed from the Centralized Master Bidders List (CMBL) or any other state bid list, and barred from participating in future contracting opportunities with the State of Texas;
- j) delay execution of a new contract or contract renewal with Contractor while other imposed or proposed sanctions are pending resolution;
- k) place Contractor on probation. Probation means that Contractor will be placed on accelerated monitoring for a period not to exceed six (6) months at which time items of noncompliance must be resolved or substantial improvement shown by Contractor. Accelerated monitoring means more frequent or more extensive monitoring will be performed by Department than would routinely be accomplished;
- l) require Contractor to obtain technical or managerial assistance;
- m) establish additional prior approvals for expenditure of funds by Contractor;
- n) require additional or more detailed, financial and/or programmatic reports to be submitted by Contractor;
- o) demand repayment from Contractor when it is verified that the Contractor has been overpaid, e.g., because of disallowed costs, payments not supported by proper documentation, improper billing or accounting practices, or failure to comply with Contract terms;
- p) pursue a claim for damages as a result of breach of contract;

- q) require Contractor to prohibit any employee of Contractor from performing under this Contract or having direct contact with DSHS-funded clients or participants, or require removal of any officer or governing body member, if the employee, officer or member of the governing body has been indicted or convicted of the misuse of state or federal funds, fraud or illegal acts that are in contraindication to continued obligations under this Contract, as reasonably determined by DSHS;
- r) withhold any payments to Contractor to satisfy any recoupment, liquidated damages, or any penalty (if the penalty is permitted by statute) imposed by DSHS, and take repayment from funds available under this Contract in amounts necessary to fulfill Contractor's payment or repayment obligations;
- s) reduce the Contract term;
- t) recoup improper payments when it is verified that the Contractor has been overpaid, e.g., because of disallowed costs, payments not supported by proper documentation, improper billing or accounting practices or failure to comply with Contract terms;
- u) assess liquidated damages; or
- v) impose other remedies or penalties permitted by statute.

Section 14.03 Notice of Remedies or Sanctions. Department will formally notify Contractor in writing when a remedy or sanction is imposed (with the exception of accelerated monitoring, which may be unannounced), stating the nature of the remedies and sanction(s), the reasons for imposing them, the corrective actions, if any, that must be taken before the actions will be removed and the time allowed for completing the corrective actions, and the method, if any, of requesting reconsideration of the remedies and sanctions imposed. Other than in the case of repayment or recoupment, Contractor is required to file, within fifteen (15) calendar days of receipt of notice, a written response to Department acknowledging receipt of such notice. If requested by the Department, the written response shall state how Contractor shall correct the noncompliance (corrective action plan) or demonstrate in writing that the findings on which the remedies or sanction(s) are based are either invalid or do not warrant the remedies or sanction(s). If Department determines that a remedy or sanction is warranted, unless the remedy or sanction is subject to review under a federal or state statute, regulation, rule, or guideline, Department's decision is final. Department shall provide written notice to Contractor of Department's decision. If required by the Department, Contractor shall submit a corrective action plan for DSHS approval and take corrective action as stated in the approved corrective action plan. If DSHS determines that repayment is warranted, DSHS will issue a demand letter to Contractor for repayment. If full repayment is not received within the time limit stated in the demand letter, and if recoupment is available, DSHS will recoup the amount due to DSHS from funds otherwise due to Contractor under this Contract.

Section 14.04 Emergency Action. In an emergency, Department may immediately terminate or suspend all or part of this Contract, temporarily or permanently withhold cash payments, deny future contract awards, or delay contract execution by delivering written notice to Contractor, by any verifiable method, stating the reason for the emergency action. An "emergency" is defined as the following:

- a) Contractor is noncompliant and the noncompliance has a direct adverse impact on the public or client health, welfare or safety. The direct adverse impact may be programmatic or financial and may include failing to provide services, providing inadequate services, providing unnecessary services, or utilizing resources so that the

- public or clients do not receive the benefits contemplated by the scope of work or performance measures; or
- b) Contractor is expending funds inappropriately.

Whether Contractor's conduct or noncompliance is an emergency will be determined by Department on a case-by-case basis and will be based upon the nature of the noncompliance or conduct.

ARTICLE XV CLAIMS AGAINST THE DEPARTMENT

Section 15.01 Breach of Contract Claim. The process for a breach of contract claim against the Department provided for in Tex. Gov. Code Chapter 2260 and implemented in Department Rules §§ 1.431-1.447 shall be used by DSHS and Contractor to attempt to resolve any breach of contract claim against DSHS.

Section 15.02 Notice. Contractor's claims for breach of this Contract that the Parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Tex. Gov. Code Chapter 2260, subchapter B. To initiate the process, Contractor shall submit written notice, as required by subchapter B, to DSHS's Office of General Counsel. The notice shall specifically state that the provisions of Chapter 2260, subchapter B, are being invoked. A copy of the notice shall also be given to all other representatives of DSHS and Contractor. Subchapter B is a condition precedent to the filing of a contested case proceeding under Tex. Gov. Code Chapter 2260, subchapter C.

Section 15.03 Sole Remedy. The contested case process provided in Tex. Gov. Code Chapter 2260, subchapter C, is Contractor's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by DSHS if the Parties are unable to resolve their disputes under this Article.

Section 15.04 Condition Precedent to Suit. Compliance with the contested case process provided in Tex. Gov. Code Chapter 2260, subchapter C, is a condition precedent to seeking consent to sue from the Legislature under Tex. Civ. Prac. & Rem. Code Chapter 107. Neither the execution of this Contract by DSHS nor any other conduct of any representative of DSHS relating to this Contract shall be considered a waiver of sovereign immunity to suit.

Section 15.05 Performance Not Suspended. Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by Contractor, in whole or in part.

ARTICLE XVI TERMINATION

Section 16.01 Expiration of Contract or Program Attachment(s). Except as provided in the Survivability of Terms section of the General Terms Article, Contractor's service obligations set forth in each Program Attachment shall end upon the expiration date of that Program Attachment unless extended or renewed by written amendment. Prior to completion of the term of all

Program Attachments, all or a part of this Contract may be terminated with or without cause as set forth below.

Section 16.02 Effect of Termination. Termination is the permanent withdrawal of Contractor's authority to obligate previously awarded funds before that authority would otherwise expire or the voluntary relinquishment by Contractor of the authority to obligate previously awarded funds. Contractor's costs resulting from obligations incurred by Contractor after termination of an award are not allowable unless expressly authorized by the notice of termination. Upon termination of this Contract or Program Attachment, as applicable, Contractor shall cooperate with DSHS to the fullest extent possible to ensure the orderly and safe transfer of responsibilities under this Contract or Program Attachment, as applicable, to DSHS or other entity designated by DSHS. Upon termination of all or part of this Contract, Department and Contractor will be discharged from any further obligation created under the applicable terms of this Contract or the Program Attachment, as applicable, except for the equitable settlement of the respective accrued interests or obligations incurred prior to termination and for Contractor's duty to cooperate with DSHS, and except as provided in the Survivability of Terms section of the General Terms Article. Termination does not, however, constitute a waiver of any remedies for breach of this Contract. In addition, Contractor's obligations to retain records and maintain confidentiality of information shall survive this Contract.

Section 16.03 Acts Not Constituting Termination. Termination does not include the Department's (1) withdrawal of funds awarded on the basis of the Contractor's underestimate of the unobligated balance in a prior period; (2) withdrawal of the unobligated balance at the expiration of the term of a program attachment; (3) refusal to extend a program attachment or award additional funds to make a competing or noncompeting continuation, renewal, extension, or supplemental award; (4) non-renewal of a contract or program attachment at Department's sole discretion; or (5) voiding of a contract upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception.

Section 16.04 Termination Without Cause.

- a) Either Party may terminate this Contract or a Program Attachment, as applicable, with at least thirty (30) calendar days prior written notice to the other Party, except that if Contractor seeks to terminate a Contract or Program Attachment that involves residential client services, Contractor must give the Department at least ninety (90) calendar days prior written notice and must submit a transition plan to ensure client services are not disrupted.
- b) The Parties may terminate this Contract or a Program Attachment by mutual agreement.
- c) Either Party may terminate this Contract or a Program Attachment with at least thirty (30) calendar days prior written notice to the other Party in the event funds become unavailable through lack of appropriations, budget cuts, transfer of funds between programs or health and human services agencies, amendments to the Appropriations Act, health and human services consolidations, or any disruption of current appropriated funding for this Contract or Program Attachment.
- d) Department may terminate this Contract or a Program Attachment immediately when, in the sole determination of Department, termination is in the best interest of the State of Texas.

Section 16.05 Termination For Cause. Either Party may terminate for material breach of this Contract with at least thirty (30) calendar days written notice to the other Party. Department may terminate this Contract, in whole or in part, for breach of contract or for any other conduct that jeopardizes the Contract objectives, by giving at least thirty (30) calendar days written notice to Contractor. Such conduct may include one or more of the following:

- a) Contractor has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction;
- b) Contractor fails to communicate with Department or fails to allow its employees or those of its subcontractor to communicate with Department as necessary for the performance or oversight of this Contract;
- c) Contractor breaches a standard of confidentiality with respect to the services provided under this Contract;
- d) Department determines that Contractor is without sufficient personnel or resources to perform under this Contract or that Contractor is otherwise unable or unwilling to fulfill any of its requirements under this Contract or exercise adequate control over expenditures or assets;
- e) Department determines that Contractor, its agent or another representative offered or gave a gratuity (e.g., entertainment or gift) to an official or employee of DSHS or HHSC for the purpose of obtaining a contract or favorable treatment;
- f) Department determines that this Contract includes financial participation by a person who received compensation from DSHS to participate in developing, drafting or preparing the specifications, requirements or statement(s) of work or Solicitation Document on which this Contract is based in violation of Tex. Gov. Code § 2155.004; or Department determines that Contractor was ineligible to receive this Contract under Tex. Gov. Code §§ 2155.006 or 2261.053 related to certain disaster response contracts;
- g) Contractor appears to be financially unstable. Indicators of financial instability may include one or more of the following:
 - 1) Contractor fails to make payments;
 - 2) Contractor makes an assignment for the benefit of its creditors;
 - 3) Contractor admits in writing its inability to pay its debts generally as they become due;
 - 4) if judgment for the payment of money in excess of \$50,000 (that is not covered by insurance) is rendered by any court or governmental body against Contractor, and Contractor does not (a) discharge the judgment or (b) provide for its discharge in accordance with its terms, or (c) procure a stay of execution within thirty (30) calendar days from the date of entry of the judgment, and within the thirty (30)-day period or a longer period during which execution of the judgment has been stayed, appeal from the judgment and cause the execution to be stayed during such appeal while providing such reserves for the judgment as may be required under generally accepted accounting principles;
 - 5) a writ or warrant of attachment or any similar process is issued by any court against all or any material portion of the property of Contractor, and such writ or warrant of attachment or any similar process is not released or bonded within thirty (30) calendar days after its entry;
 - 6) Contractor is adjudicated bankrupt or insolvent;

- 7) Contractor files a case under the Federal Bankruptcy Code or seeks relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution, receivership or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any case or petition against it under any such law;
- 8) any property or portion of the property of Contractor is sequestered by court order and the order remains in effect for more than thirty (30) calendar days after Contractor obtains knowledge thereof;
- 9) a petition is filed against Contractor under any state reorganization, arrangement, insolvency, readjustment of debt, dissolution, receivership or liquidation law of any jurisdiction, whether now or hereafter in effect, and such petition is not dismissed within thirty (30) calendar days;
- 10) Contractor consents to the appointment of a receiver, trustee, or liquidator of Contractor or of all or any part of its property;
- h) Contractor's management system does not meet the UGMS management standards; or
- i) Any required license, certification, permit, registration or approval required to conduct Contractor's business or to perform services under this Contract is revoked, is surrendered, expires, is not renewed, is inactivated or is suspended.

Section 16.06 Notice of Termination. Either Party may deliver written notice of intent to terminate by any verifiable method. If either Party gives notice of its intent to terminate all or a part of this Contract, Department and Contractor shall attempt to resolve any issues related to the anticipated termination in good faith during the notice period.

ARTICLE XVII VOID, SUSPENDED, AND TERMINATED CONTRACTS

Section 17.01 Void Contracts. Department may hold this Contract void upon determination that the award was obtained fraudulently or was otherwise illegal or invalid from its inception.

Section 17.02 Effect of Void, Suspended, or Involuntarily Terminated Contract. A Contractor who has been a party to a contract with DSHS that has been found to be void, suspended, or terminated for cause is not eligible for expansion of current contracts, if any, or new contracts or renewals until the Department has determined that Contractor has satisfactorily resolved the issues underlying the suspension or termination. Additionally, if this Contract is found to be void, any amount paid is subject to repayment.

Section 17.03 Appeals Rights. Pursuant to Tex. Gov. Code § 2105.302, after receiving notice from the Department of termination of a contract with DSHS funded by block grant funds, Contractor may request an administrative hearing under Tex. Gov. Code Chapter 2001.

ARTICLE XVIII CLOSEOUT AND CONTRACT RECONCILIATION

Section 18.01 Cessation of Services At Closeout. Upon expiration of this Contract or Program Attachment, as applicable, (and any renewals of this Contract or Program Attachment) on its own terms, Contractor shall cease services under this Contract or Program Attachment; and shall cooperate with DSHS to the fullest extent possible upon expiration or prior to expiration, as necessary, to ensure the orderly and safe transfer of responsibilities under this Contract to DSHS or other entity designated by DSHS. Upon receiving notice of Contract or Program Attachment termination or non-renewal, the Contractor agrees to immediately begin to effect an orderly and safe transition of recipients of services to alternative service providers, as needed. Contractor also agrees to completely cease providing services under this Contract or Program Attachment by the date specified in the termination or non-renewal notice. Contractor shall not bill DSHS for services performed after termination or expiration of this Contract or Program Attachment, or incur any additional expenses once this Contract or Program Attachment is terminated or has expired. Upon termination, expiration or non-renewal of this Contract or a Program Attachment, Contractor shall immediately initiate Closeout activities described in this Article.

Section 18.02 Administrative Offset. The Department shall have the right to administratively offset amounts owed by Contractor against billings.

Section 18.03 Deadline for Closeout. Contractor shall submit all financial, performance, and other Closeout reports required under this Contract within sixty (60) calendar days after the Contract or Program Attachment end date. Unless otherwise provided under the Final Billing Submission section of the Payment Methods and Restrictions Article, the Department is not liable for any claims that are not received within sixty (60) calendar days after the Contract or Program Attachment end date.

Section 18.04 Payment of Refunds. Any funds paid to the Contractor in excess of the amount to which the Contractor is finally determined to be entitled under the terms of this Contract constitute a debt to the Department and will result in a refund due. Contractor shall pay any amount due within the time period established by the Department.

Section 18.05 Disallowances and Adjustments. The Closeout of this Contract or Program Attachment does not affect the Department's right to disallow costs and recover funds on the basis of a later audit or other review or the Contractor's obligation to return any funds due as a result of later refunds, corrections, or other transactions.

Section 18.06 Contract Reconciliation. If Contractor is required to annually reconcile multi-year contracts, Contractor, within sixty (60) calendar days after the end of each year of this Contract, shall submit to the Division Contract Management Unit assigned to the Program Attachment all financial and reconciliation reports required by Department in forms as determined by Department. Required reconciliation forms and reports may include the following: Cash Match Participation Form, In-kind Match Participation Form, Program Income Report, Equipment Inventory, Controlled Items Inventory, Contractor's Release Agreement, and Reconciliation Refund Remittance Form. Any additional forms or reports required by Department will be posted on the DSHS website prior to the reconciliation period. Unless otherwise directed by Department, all forms and reports must be submitted in hard copies, with original signatures if required, to DSHS by the due date.
