	The Scope Of Work
<p>This is the weekly and crew hourly rate to provide adequate manpower for the safe removal of cast stone capping and wall tiles that are loose on the Hidalgo County Court House building, upon removal of any tiles, seal coat areas of concern with proper and adequate sealer, tiles shall be removed only at the discretion and direction of the Owners Authorized Representative (OAR)</p> <p>Other work that may be covered in this scope is to perform investigative in field research including photo documentation, to determine the extent of damage for failing structural cast stone attachments, provide client with a written report of findings and recommendations. We have a bore scope remote camera for non destructive visualization, and inspection behind the wall that we will utilize in an attempt of inspecting the conditions of the cast stone structural fasteners.</p> <p>At this time, it is understood that this work shall be carried out without the need of a man lifting and or hoisting equipment, should it become necessary to use such equipment, this equipment can be supplied to the project by the client and his resources. If it requested that we provide this equipment then the cost thereof will be discussed and approved in writing prior to such an event</p>
