1. Approximately 500' east of Mile 6 West on the south side of Mile 15 North - Bore - Enrique Guel - 3/4 service connection.
2. Monte Alto (NEC of 2nd & Guadalupe) Bore - Katrina Villarreal - 3/4 service connection.

The granting, giving and authorizing of permission for the said aforenamed Permittee to so construct, reconstruct, lay and maintain a water line along the above described public road being conditioned that Permittee agrees that:

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the _____day of _____, 2010 does by these presents GRANT, GIVE AND RELINQUISH TO:

Agua Special Utility District

hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 1" inch /water/ gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, described as follows:

The granting, giving and authorizing of permission for the said aforenamed Permittee to so construct, reconstruct, lay and maintain a _____ line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.

2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.

3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.

LEGAL SERVICES AGREEMENT RELATING TO COLLECTION OF DELINQUENT COURT COSTS, FINES AND FEES

This Legal Services Agreement Relating to Collection of Delinquent Court Costs, Fines and Fees ("Agreement") is made to be effective the 27th day of March, 2007 by and between Hidalgo County, Texas (the "County") and the law firm of Ray, Wood & Bonilla (referred to as "Law Firm").

A. TERM. The Agreement is effective beginning on the date set forth above and will continue for an initial term of three (3) years unless earlier terminated by either party in accordance with the terms of this Agreement. The County may extend this Agreement for two (2) additional two (2) year periods by providing written notice of such extension to Law Firm.

B. DUTIES OF THE PARTIES.

B.1. During the term of this Agreement, Law Firm will review the County's programs relating to the collection of delinquent court costs, fines and fees and will advise County regarding its rights, duties and obligations relating to the collection of such amounts and the legal issues relating to the design and implementation of an enhanced delinquent collections program. Law Firm will diligently pursue collection of delinquent court costs, fines and fees owed to the County by defendants in cases referred to Law Firm and will provide legal services relating to the collection of said amounts, including rendition of legal advice regarding payment agreements, additional fees that may be applicable, consolidated billings, and similar matters. In addition, Law Firm will develop a comprehensive program for initiating contact with delinquent defendants via mail and telephone calls, and for researching and identifying updated address, employment and other information regarding such defendants, and will use other lawful means to facilitate payment of the delinquent court costs, fines and fees owed. Utilizing its proprietary software system, Law Firm will track all collection activity relating to accounts referred by County and will make regular reports to the County regarding its collection and information gathering efforts. It is expressly provided however, that Law Firm will not make nor attempt to make in-person contacts with any of the subject defendants.

B.2. The County agrees to employ, and does hereby employ, Law Firm to provide the services described above. The County agrees to make monthly referrals of all delinquent cases to Law Firm for collection. The delinquent cases to be referred by the County are all cases involving unpaid fines, fees, court costs and related charges that (1) arise from a criminal case against a defendant prosecuted in the justice courts or county courts at law, where either a judgment of conviction has been rendered or the defendant failed to appear at a scheduled appearance date or any granted extension; (2)

at least 60 days have elapsed following the date of conviction or the date the defendant failed to appear, and (3) no appeal has been perfected to an appellate court of appropriate jurisdiction.

B.3. The County will provide to Law Firm, for each case referred, the name, last known address and last known telephone number(s) of the subject defendant along with all available information regarding the date of the subject offense, the date judgment was entered in the case, the court in which the judgment was entered, the date the owed amount became delinquent, the date any warrant on the case was issued, and the amount of the delinquency. The County agrees to refer delinquent accounts via electronic or magnetic medium in a format agreed upon by the County and Law Firm. The County further agrees to provide the most accurate information available and to update, to correct, and to supplement as appropriate any information it has provided to Law Firm, including, but not limited to, adjustments of the amount owed or the timing of payments due or satisfaction of any amount owed by payment or other court-approved means.

B.4. The County agrees to take the action necessary to impose the thirty percent (30%) collection fee authorized by Texas Code of Criminal Procedure Section 103.0031, and in all cases in which such fee is applicable and collection is achieved, such fee shall be paid to Law Firm as compensation for services rendered under this agreement. If the statutory collection fee is not applicable in a particular delinquent case, the County shall pay Law Firm a fee of thirty percent (30%) of the total amount collected on all such accounts referred to Law Firm for collection. Anytime after the expiration of the 365 days after referral of a case to Law Firm, Law Firm may return the case to the County, and Law Firm will have no further obligation to pursue collection of the case and will have no right to be compensated for any payment thereafter made on the case.

B.5. In the event a defendant resolves his financial obligations to the County by performance of community service, time served or other non-monetary satisfaction, satisfaction of the defendants' obligations by such non-monetary means will not entitle Law Firm to any fee. The County shall provide prompt notice to Law Firm of any court-ordered activity in a case which provides for or results in non-monetary satisfaction of the defendant's obligations to the County.

B.6. Law Firm shall direct delinquent defendants to make required payments directly to the County. The County agrees to promptly notify Law Firm of all payments received on cases referred to Law Firm. Law Firm agrees to notify the County promptly of any monies received by Law Firm from subject defendants despite Law Firm's direction to remit payments to County, and shall forward any such payments to County within three business days. Law Firm will provide County with regular detailed reports of all collection activity taken in cases referred to Law Firm.

B.7. With regard to monies received by the County in payment of subject cases, County shall report to Law Firm monthly the amounts received and cases to which the payments relate. Law Firm shall deliver an invoice to the County monthly requesting payment of any fees due as a result of such collections and the County shall deliver payment of fees due to Law Firm within 30 days of receipt of the invoice.

B.8. Law Firm agrees to indemnify, hold harmless, protect and defend the County and its officers and employees from and against any and all loss, damages, liability, claims or injury resulting from any acts of willful misconduct or gross negligence by Law Firm, its agents or employees in connection with this Agreement. These indemnified damages specifically exclude any damages which arise from the willful misconduct or gross negligence of the County, its officers or employees.

C. APPLICABLE LAW. This Agreement will be construed in accordance with the laws of the State of Texas.

D. REPORTING. Reports called for in this Agreement shall be delivered as required to the following representatives of the respective parties, until written notice of change is delivered:

IN RE: Contract Renewal

Dear Judge Salinas:

We are pleased to have recently received notification from Leticia H. Saenz, CPPB, that Hidalgo County wishes to renew the *Contract for Services* which the County has with *LCS Corrections Services, Inc.* for the housing of County inmates in the *LCS* facility in Hidalgo County.

We agree that it would be in everyone's best interest for County to exercise its right to renew the contract for an additional one (1) year term. Due to increased costs, we would like to propose that the renewal be at an increased per diem rate, as set forth in §4.03, of Forty-two dollars ($42.00). We believe that such an increase is reasonable based on our operating costs, as set forth in §1.02 of the contract. All other terms and conditions of the contract shall remain unchanged.

The contract permits the County to extend the current term by written notice of such intent. This letter is to advise that we will agree to such renewal. If you would like to proceed on the forgoing basis, please sign the attached copy of this letter where indicated and return it to me in the enclosed envelope.

Should you have any questions or require further information, please feel free to contact the undersigned at the above phone number. Thank you for your assistance in this matter.

Sincerely yours,

By:

The Contractor shall maintain a master file of all grievances filed and the actions taken.

Section 3.20. Use of Force. The Contractor shall establish written procedures governing the use of force against inmates. These procedures shall conform to all of the applicable regulations and standards of the TCJS. The Contractor shall maintain a master file of all incidents that occur.

Section 3.21. Inspection and Technical Assistance. The Contractor agrees to periodic inspections of the facility by the Sheriff. Findings of the inspection will be shared with the Contractor in order to promote improvements to facility operations, conditions of confinement and service levels.

Section 3.22. **Access to Books and Records.** The Contractor agrees to maintain and make available for inspection, audit or reproduction by the County, the TCJS and/or their employees, attorneys, agents and/or independent auditors, all books, documents and other records pertaining to the services provided hereunder, and/or to the sums billed to the County by the Contractor. Such records shall be maintained by the Contractor for at least three (3) years following termination of this Agreement, and thereafter until any pending audit or litigation and all questions arising there from and involving this Agreement or such records has been finally resolved.

ARTICLE IV
COUNTY'S RIGHT TO HOUSE INMATES AND PAYMENT

Section 4.01. **County's Right to House Inmates.** The County may house up to four hundred fifty-six (456) County inmates in the facility at any time during the Term of this Agreement on a space available basis, and agrees to pay the per diem rate specified in Section 4.03 below for the housing and care of such inmates, and the detention services to be provided by the Contractor pursuant to this Agreement. The foregoing notwithstanding, the County shall only be required to pay for inmates actually housed at the facility. The term "County inmates" as used herein includes only inmates being held by the County, or sentenced by courts of the County, or being held in the County by reason of their residence in the County; it does not, however, include inmates coming from other counties, states or federal jurisdictions or agencies.

Section 4.02. **Scheduling of Usage.** The Contractor and the Sheriff shall develop a mutually agreeable schedule for the assignment of inmates to the facility during the Term of this Agreement, and any extensions thereof. The Sheriff may, at his discretion and subject to section 4.01 above, assign as many inmates to the facility on "an as needed basis", as he shall determine without special arrangement or notice, and the Contractor shall accept, house and provide services to such inmates pursuant to this Agreement.

Section 4.03. **Per Diem Rate.** The per diem rate for the actual housing and care of County inmates on "an as needed basis" and related detention and transportation services specified in this Agreement is Thirty-six and 25/100 dollars ($36.25) per inmate per day. A portion of any day shall count as an inmate day under this Agreement; however, the County shall be billed for the day of arrival, but not for the day of departure for any inmate. If the County elects to house inmates from other counties, states or federal jurisdictions or agencies ("non-county inmates"), then the per diem rate for such non-county inmates shall be the greater of the foregoing per diem rate of $36.25 or ninety-eight percent (98%) of the actual per diem fee allowed and paid to the County by such other counties, states or federal jurisdictions or agencies for the housing and care of such non-county inmates. In the event that the County chooses to

house any non-county inmates in the facility, the County shall be solely responsible for billing and collecting from such counties, states or federal jurisdictions or agencies, and the Contractor shall be entitled to bill the County and be paid for the housing and care of such non-county inmates in accordance with the procedures set forth in Section 4.04 below. If the Contractor is required to transport any such non-county inmates, then in addition to the fee for housing and caring for such non-county inmates as set forth above, the County shall pay to LCS, the same amount of transportation fees that the County is permitted to bill and collect from the counties, states or federal agencies responsible for those prisoners, if any.

Section 4.04. **Billing Procedure.** The Contractor shall submit an itemized invoice for the services provided hereunder (together with an invoice for any reimbursable medical expenses as set forth in Section 3.08(h) above) each month to the County, in arrears. Invoices will be submitted to the SHERIFF of the County designated to receive the same on behalf of the County. The County shall make payments to the Contractor within thirty (30) days after receipt of the invoice. Payment shall be made payable to "*LCS - Hidalgo, LLC.*" and shall be delivered to the Contractor at the address set forth in section 6.04 below.

Amounts that are not timely paid in accordance with the above procedure shall bear interest at the lesser of the annual percentage rate of 10%, or the maximum legal rate applicable to the County. The County further agrees that the Contractor shall be entitled to recover its reasonable and necessary attorneys fees and costs incurred in collection of amounts due under this Agreement.

Section 4.05. **Regulation of Maximum Occupancy.** Nothing herein shall create any obligation upon the Contractor to house the County's inmates where the housing of said inmates will raise the population of the facility above the permissible number of inmates allowed by law, or will create a condition of overcrowding or create conditions which endanger the life and/or welfare of personnel and inmates at the facility, or result in possible violation of the constitutional rights of the inmates at the facility. At any time that the Contractor determines that a condition exists at the facility necessitating the removal of any of the inmates, or any specified number thereof, the Contractor shall following at least eight (8) hours prior notice to the Sheriff (unless a different deadline is agreed to by the parties) return said inmate, to the County or to the TDCJ-ID.

Section 4.06. **Inmate Eligibility.** The only inmates eligible for incarceration in the facility pursuant to this Agreement are adult male inmates that are classified in accordance with the custody level of the facility in accordance with the applicable regulations and standards of the TCJS and meeting the classification requirements for the facility beds as described in the

TCJS Manual, Chapter 271, "Objective Jail Classification Manual."

All inmates proposed by the County to be transferred to the facility under this Agreement must meet the eligibility requirements set forth above. Inmates shall not (1) have a history of escape or attempted escape from custody; (2) be in need of psychiatric care or have a history of mental illness; and (3) shall not require chronic health care (to include but not limited to those inmates known by the County to have an unstable cardiac condition, those requiring renal dialysis, those known to have an infectious disease, those known to be HIV positive or diagnosed as having Acquired Immune Deficiency Syndrome (AIDS), those known to have unresolved orthopedic problems and those known to be unstable diabetics).

Prior to the Contractor receiving inmates for transportation the facility, the County shall furnish the following: (1) complete information and documentation relating to the inmate's case history; (2) all of the inmate's records concerning classification, including conduct records; (3) medical and clinical records, including certification of tuberculosis screening or treatment; and (4) any information necessary to advise the Contractor in regard to any special medication, diet or special exercise regimen requirements applicable to each prospective inmate.

Section 4.07. **Continuing Reservation Regarding Inmates.** The Contractor reserves the right for its designated representative to review the background of all inmates sought to be transferred to the facility, and the County shall cooperate with and provide information requested regarding any inmate by the Contractor. The Contractor reserves the right to refuse, for good cause, acceptance of any inmate. Likewise, if any inmate's behavior, medical or psychological condition, or other circumstance of reasonable concern to the Contractor makes that inmate unacceptable for continued incarceration in the facility in the opinion of the Contractor, the Contractor shall following at least eight (8) hours prior notice to the Sheriff (unless a different deadline is agreed to by the parties) return said inmate, to the County or to the TDCJ-ID. Inmates may also be removed from the facility when their classification changes for any purpose, including long-term medical segregation.

Section 4.08. **Inmate Sentences.** The Contractor shall not be in charge of, or responsible for, the computation or processing of inmates' time of confinement, including, but not limited to, computation of good time awards/credits and discharge dates. All such computations and record keeping shall continue to be the responsibility of the County. It shall be the responsibility of the County to notify the Contractor of any discharge date for an inmate at least ten (10) days before such date. The Contractor will release inmates of the County only when such release is specifically requested in writing by the Sheriff.

However, it is agreed that the preferred and usual course of dealing between the parties shall be for the Contractor to transport and return inmates to the County shortly before their discharge date, and for the County to discharge the inmate from its own facility. The County accepts the responsibility for the calculations and determinations set forth above and for giving the Contractor notice of the same, and shall indemnify and hold the Contractor harmless for all liability or expenses of any kind arising there from. The County is responsible for all paperwork and arrangements for inmates to be transferred to the TDCJ-ID.

ARTICLE V.
INSURANCE AND INDEMNIFICATION

Section 5.01. **Indemnification.** The Contractor hereby agrees to indemnify and hold the County and its agents, officers and employees harmless from all costs, claims, expenses, and liabilities (including attorney's fees) whatsoever that may be incurred by the County, its agents, officers or employees, arising from any and all acts done or omitted to be done by the Contractor, or the employees, agents, subcontractors or assigns, in connection with the operation of the facility or the provision of services by the Contractor pursuant to this Agreement, and from any and all claims or causes of action that may be brought by any third party by reason of or pursuant to this Agreement; provided that this section shall not be construed as creating any right, cause of action, or claim of waiver or estoppels for or on behalf of any third party nor shall it be construed as a waiver or modification of the availability of the defense of governmental immunity or any other legal defense available to either the Contractor or the County.

Section 5.02. **Contractor to Provide Defense.** In case any action or proceeding is brought against the County regarding any claim or matter referenced in the foregoing section, the County shall provide immediate notice to the Contractor and the Contractor shall defend against such action by counsel reasonably satisfactory to the County, unless such action or proceeding is defended against by counsel for any carrier of liability insurance provided for herein. The aforementioned indemnification shall not be affected by a claim that negligence of the County or its respective agents, employees, or licensees contributed in part to the loss or damage indemnified against. The County shall have the right to utilize separate counsel to participate in the investigation and defense of any such claims, the fees and expenses of such counsel shall be paid by the County unless the employment of such counsel has been previously authorized in writing by the Contractor.

Section 5.03. **Waiver and Releases.** Neither the Contractor nor the County shall waive, release, or otherwise forfeit any possible defense that the Contractor or the County may have regarding any claim arising from or made in connection with the operation of the facility by the Contractor, without the written

consent of the other party to this Agreement; provided that the Contractor shall have authority to compromise and settle any claim for monetary consideration only, for which the Contractor is indemnifying the County. The County and the Contractor shall preserve all such available defenses and cooperate with each other to make such defenses available for each other's benefit to the maximum extent allowed by law, including any defenses the County may have regarding litigation, losses, and costs resulting from claims or litigation pending at the time this Agreement becomes effective or arising thereafter from occurrences prior to the effective date of this Agreement.

Section 5.05. Insurance. The Contractor shall secure and maintain in effect, or shall cause to be secured and maintained, an insurance policy or policies providing (i) coverage against all claims arising from services performed under this Agreement; and (ii) coverage to protect the County from actions by third parties against the Contractor as a result of this Agreement. The insurance policy, or policies, required by this section shall be for not less than any limits of liability specified herein, or required by law, whichever is greater, and shall include coverage for liabilities assumed by this Agreement, as applicable to the obligations of the Contractor hereunder. The County shall be named as an additional insured on each such insurance policy.

Section 5.06. Additional Insurance. The Contractor shall continuously maintain such accident, general liability, worker's compensation, and automobile insurance, as required by law, to include protecting the Contractor, its officers, employees, and agents from and against any and all liability caused by or arising out of any aspect of the operation of the facility and the furnishing of services pursuant to this Agreement, including the payment of damages and attorney's fees. The Contractor shall provide proof of insurance coverage to the County upon request.

Section 5.07. Coverage Amounts. The general liability and automotive insurance and coverage shall be maintained in an amount that is not less than $1,000,000 per occurrence and $2,000,000 general aggregate. The Contractor shall further maintain statutory worker's compensation insurance in not less than the statutory amounts.

ARTICLE VI.

Section 6.14. Counterparts. This Agreement may be executed in duplicate original counterparts, each of which when so executed shall be deemed to be an original, and such counterparts shall together constitute but one in the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement by their respective duly authorized representatives on this the 29 day of January 2002.

Along with unlimited technical support phone calls and a copy of all released upgrades, we are also including entrance into our Regional Users Group trainings for as many people from your agency as you would like to see attend.

Because the budgeting process can be somewhat robust, we are now offering several options for renewing support:

For and in Consideration of the mutual benefits to be derived from operation of the TCLEDDS System, I hereby agree to the following:

1. **Proprietary Interest/Copyright Protection.** I understand that the TCLEDDS System has been devised by Productivity Center, Inc. ("PC"). The ownership and proprietary interest in same is governed by the agreement between those entities regarding its development. I acknowledge that neither me nor my employer have a proprietary interest in TCLEDDS and that it has been developed as a proprietary program, application, or trade secret, and that the trademark, patent, and/or copyright of same belongs to the owner thereof. I agree to hold and use TCLEDDS and the information obtained thereby in strictest confidence and will not divulge, nor permit myself or others under my supervision to divulge any data, design, or information with respect to TCLEDDS or the programs and technology embodied therein or other information relating thereto to any individuals or consultants not approved by The Commission to access this system. Any trademarked, patented, or copyrighted materials including but not limited to, commercial computer software that may be made available during the course of using TCLEDDS is protected by copyright laws and is NOT to be copied or reproduced in any manner of form without prior written permission from the trademark, patent, or copyright owner.

2. **Non-Disclosure.** Any information I receive concerning any TCLEDDS data, person, system, or asset of The Commission or the TCLEDDS System is of value to the State of Texas, and is considered confidential or sensitive. I will not disclose any data or information to any other individual or entity unless such release of information is directly related to the performance of my law enforcement duties/responsibilities. I agree that both during and after my use of the TCLEDDS System, I will keep confidential all information and material provided to me by The Commission (excepting only such information as is already known to the public) and not to release, use, or disclose any such information without the prior written permission of The Commission. I will not show or give Database Code, Design and/or Data to any person/consultant or company not on the approved TCLEDDS user list for the State of Texas.

3. **Non-Compete.** I agree not to copy, use, remove, transfer and/or disclose to any software consultant and/or software company any part of the TCLEDDS application.

4. **Security.** With respect to the TCLEDDS System and all related information and materials, I agree not to provide or otherwise make available any licensed program or optional material, including but not limited to database data and/or images, flow charts, logic diagrams and source code, in any form, to any unauthorized person without prior written permission of Productivity Center, Inc. I will abide by all written conditions and restrictions imposed by the TCLEDDS Network Manager, and I will NOT attempt to circumvent the computer security system by using or attempting to use any transaction, software, files or resources I am not authorized to use.

5. **Passwords.** Computer system password(s) I receive or devise are confidential. I will not disclose to any unauthorized person or entity any password(s) or post them where they may be viewed by unauthorized persons. Use of a password(s) not issued specifically to me is expressly prohibited. I am responsible for any computer transactions performed as a result of access that is authorized by use of my password and approved user ID.

6. **Other Applications.** I agree that all of the foregoing TCLEDDS applications shall be subject of the confidentiality, non-use, and non-disclosure requirements hereof. I acknowledge that performance of this contract may result in the development of new proprietary and secret concepts, methods, techniques, processes, adaptations, and ideas, and I agree that the same shall be solely and exclusively to Productivity Center, Inc. without regard to the origin thereof, and that I will not, other than in the performance of this contract, make use of or disclose the same to anyone.

7. **Return of Property.** Upon termination of my access to the TCLEDDS System for any reason, Productivity Center, Inc. shall have the right immediately to obtain access to and possession of all its properties, including but not limited to, current copies of all programs and necessary documentation, all files, intermediate materials, and supplies held by me.

8. **Breach.** I understand that any breach of the computer non-disclosure and security restrictions contained herein may result in immediate termination of access to the TCLEDDS System. Further, because any such breach will cause irreparable harm to The Commission and will cause damages that are incapable of calculation, difficult to ascertain with any certainty, and unknown at this time, I agree that any such breach or threatened breach will subject me to the following (in addition to any and all other legal remedies to which The Commission may be entitled):

   a) Injunction. The obtaining by The Commission of an injunction restraining me from breaching this agreement, which I agree may be obtained without showing or proving any actual damage sustained by The Commission; and/or

   b) Criminal. Prosecution for violation of law under "Breach of Computer Security" or "Harmful Access" as defined in V.T.C.A. **Texas Penal Code,** Chapter 33, Sections 33.02 and 33.03.

1. **Monitoring.** I understand that all access, logons, and entries on the TCLEDDS System are subject to review by the Texas Commission on Law Enforcement and Productivity Center, Inc. and that Productivity Center, Inc. will periodically and randomly monitor any such entries, including E-mail, to assure compliance with the provisions hereof. I understand that if my site uses a server to distribute TCLEDDS to its users, my site will be expected to provide and/or make available complete reports of log-in and log-on names of all TCLEDDS users at my site or for my units.

2. **Miscellaneous.**
   a) Severability. Each paragraph and provision hereof is severable from the entire AGREEMENT and if any provision is declared invalid, the remaining provisions shall nevertheless remain in effect.

   b) Law of Texas. This AGREEMENT shall be governed by and construed in accordance with the laws of the State of Texas and shall be enforced in the County of Travis.

   c) Amendment. No changes to this AGREEMENT shall be made except upon written agreement of both parties.

   d) Headings. The heading used therein are for convenience of reference only and shall not constitute a part hereof or effect the construction or interpretation hereof.

   e) Waiver. No failure on the part of any party to exercise, and no delay in exercising, and no course of dealing with respect to any right hereunder shall operate as a waiver therof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of an other right. The remedies provided herein are cumulative and not exclusive of any remedies provided by law or in equity, except as expressly set forth herein.

   f) Counterparts. This AGREEMENT may be executed in any number of and by the different parties hereto on separate counterparts, each of which when executed shall be deemed to be an original, and such counterparts shall together constitute but one and the same instrument.

I have read and understood the above information. I will comply with all policies, standards, and procedures adopted to safeguard information and associated resources. Further, if I become aware of violations of any of these policies, standards, or procedures, I will report them to my supervisor and the Texas Commission on Law Enforcement Network Manager.

IN WITNESS WHEREOF, the parties hereto have caused this AGREEMENT to be executed as of the date first above written.
