QUOTATION #25356686  
DOCUMENT DATE: 03/17/2010

Please find the attached quotation for your forthcoming software maintenance term. Keeping your maintenance current entitles you to exclusive benefits, and if you choose to discontinue your coverage, you will become ineligible for these valuable benefits and services. All maintenance fees from the date of discontinuation will be due and payable if you decide to reactivate your coverage at a later date. For details about the maintenance program benefits for your licensing, please visit <http://gis.esri.com/software/maintenance/qualifying.cfm>

Customers who have multiple copies of some ESRI products may have the option of supporting some of their licenses with secondary maintenance. Please contact Customer Service to find out more about the availability of secondary maintenance.

**Maintenance fees for ArcIMS, ArcSDE, and ArcGIS Server current with maintenance prior to December 31, 2006 have been transferred to the new ArcGIS Server 9.2 licenses. The ArcGIS Server 9.2 migration policy allows these transferred licenses to be eligible for maintenance fees with no increase in pricing for software maintenance. For detailed information regarding this policy, please visit <http://www.esri.com/software/maintenance/about/announcements.html>**
