Profile Information

Introduction

The **Profile Details** section collects information about your organization such as the name of your agency and project title, the geographic area your project will serve and information about your grant officials. Click on the **Save and Continue** button at any time to save the information entered on this page. If you do not click on this button and navigate away from the page, your work will be lost. When you click the **Save and Continue** button, you may receive several error messages that instruct you to complete the required fields. Your data on any given tab will not save to the system until all required fields are complete and correct. In addition, you have a 2-hour time limit for each tab where you will need to complete the information correctly and then click the **Save and Continue** button. There is a timestamp in the upper-right hand corner of the page that notes when you first clicked on the tab. From that point, you have 2 hours to complete the information on that tab correctly. If you do not complete the information correctly (for the required fields) and then you click on the **Save and Continue** button, you will be redirected to the eGrants Home Page. If this happens, your data will not be saved in the system. You may also choose to compose a message on this page for OOG to review. This can be done by typing in the **Notes By Grantee / OOG** message box.

Email Addresses & Grant Officials Information

Designating Grant Officials Within your Application:

Enter a valid and unique email address for each grant official and click the **Verify Email and Set Official to the Project** button. If you receive an error message regarding an email address, the grant official you are trying to assign to the project has not registered for a user account in eGrants. Please inform the agency's grant official or designee that they must log in to the [eGrants Home Page](#), and register for a user account. If you need technical assistance, please contact the [eGrants Help Desk](#) by email.

Updating Grant Officials on Active Grants:

To reassign a grant official - **Authorized Official, Financial Officer, Project Director, or Grant Writer** - to your grant project, ensure that the new official registers for a user account in eGrants **first**. Next, go to the Request.Adjustment tab and check the box indicating you would like to Designate a New Grant Official, provide a brief explanation for the change in the Grant Adjustment Justification box, and then click the 'Create Adjustment Request' button. This will open the Profile.Details tab allowing you to make the appropriate changes. After you have entered a valid email address for the new Official, go to the Certify.Adjustment tab and click on the 'Certify Adjustment' button to send your request to OOG for review. If your organization is designating a new Authorized Official, check your records to see if a revised Resolution is required. Upload the approved Resolution to your grant project on the 'Summary / Upload Files' sub-tab. If you need technical assistance, please contact the [eGrants Help Desk](#) by email.
