N.A.F.T.O. is designed to be owned, operated, and supported by the membership. Therefore, an annual membership fee is necessary. The fee is \$40.00, \$10.00 of which is returned to state chapters when those chapters have been formed. Membership fees are renewable in January of each year. Persons joining N.A.F.T.O. for the first time will receive credit for the year in which they join and all of the year following!

Membership Benefits:

- Regional and state chapter conferences and training sessions
- An annual training conference at the national level
- Consulting support to FTO program members, managers, supervisors, and department administrators

How To Join

Step 1: You must have a registered account before you can purchase a NAFTO membership. To register click [here](#) and then login under your new account name.

If you already have a registered account, make sure you are [logged in](#) under that name and then come back to this page.

Step 2: Once you have a registered account and are logged in. You will see the payment level and processor below.

Choose your payment and then click the "Subscribe" link at the bottom of the page.

Subscribe

To become a subscriber of this site, you will need a registered user account.

You can register a new user account [here](#). Alternatively, if you already have a user account, you can login [here](#).
