MONITORING AGREEMENT

1. This agreement made and entered into this 1ST day of MAY, 20 10 between First State Security and Alarms AND HIDALGO COUNTY PCT. #4 (hereinafter called "Subscriber"), of 1102 N. DOOLITTLE RD., EDINBURG, TEXAS, 78539

2. The Company agrees to provide monitoring and notification services for a MONTHLY fee of $18.00 ANNUALLY, due and payable in advance quarterly commencing on MAY 1ST.

3. The Company's sole obligation under this agreement shall be to monitor signals received by means of the Subscriber's electronic-protective system and to respond thereto by making every reasonable effort to transmit notification of the alarm promptly to the Police, Fire, or other authorities and/or the person or persons whose names and telephone numbers are set forth in the Notification Instruction or as same may be changed on written notification by the Subscriber from time to time, unless there is just cause to assume that an emergency condition does not exist.

4. The electronic-protective system at Subscriber's premises is not the property of the Company, and said system is to be kept in working condition by the Subscriber. The Company cannot be responsible, at any time, for its working condition or any failure of same.

5. The Subscriber shall properly set the electronic-protective system for the protection required. The Subscriber shall carefully test the electronic- protective system each time same is set and shall immediately report any inadequacy or failure of said system to the Company and to a service representative for repair.

6. The Company shall not be obligated to perform any monitoring service hereunder during any time when any necessary telephone equipment is not in working order since signals to Company are received solely by means of telephonic communication.

7. It is agreed that the Company is not an insurer and that the payment hereinbefore named is based solely upon the value of the services herein described and it is not the intention of the parties that the Company assume responsibility for any loss occasioned by malfeasance or misfeasance of the services under this agreement or for loss or damage sustained through burglary, theft, robbery, fire or other cause or any liability on the part of the Company, by virtue of this agreement or because of the relationship hereby established. Subscriber shall be responsible for obtaining their own insurance coverage for any of the above losses.

8. If the Company is found liable for any loss or damage due to its negligence or the failure to perform its obligations in this agreement, including installing, monitoring, repairing or taking over the system, in any respect at all, the Company's maximum liability will be $250.00.

9. The Company shall not be liable for any loss or damage to Subscriber or to third parties caused by defects of deficiencies in the electronic- protective equipment of any Subscriber nor shall the Company incur any liability for any delay in response time or non-response of Police, Fire, or other authorities, institutions or individuals notified by the Company, and Subscriber shall hold Company harmless therefrom and assume the risk for said loss or damage.

10. Company's liability under this agreement is limited to the repair or replacement of defective parts.

11. This agreement shall remain in full force and effect for a period of 12 months from the date of execution and shall be renewed annually thereafter for additional one year terms upon the same terms and conditions as herein contained unless said service is terminated by either party giving written notice to the other party within thirty days prior to the expiration of the original or additional annual term or unless terminated by provisions set forth in paragraph 12.

12. This contract may be cancelled by either party in the event that the premises are destroyed by fire, windstorm or other catastrophe so as to substantially damage the premises in a way that makes it impractical to continue service thereto.

13. The service fee specified herein may be changed by the Company after said agreement has been in effect for a period of at least 24 months. Said change shall be effective by Company giving Subscriber thirty days written notice prior to said adjustment in said service fee. Said service fee amount may be modified accordingly during the complete 12 month period. Should said increase be for a total of more than 15% over and above the existing rate at the time of said increase, then Subscriber may terminate this contract on the effective date of such adjustment.

14. This agreement shall be construed in accordance with the laws of TEXAS as are now in force and hereinafter amended.

15. This contract contains the entire agreement between parties hereto and cannot be altered without the written consent of both parties.

16. Company reserves the right for termination of services if contracted account is past-due more than 60 days from billing date. This is hereby agreed and accepted.

Dear Commissioner Handy:

Attached for your approval is our invoice for services rendered through December 2009. The following is attached:

- L & G's Invoice
- Sub-consultant Invoice (when applicable)
- Exhibit C "Project Schedule"

TASK		% COMPL
FC 11006 – DESIGN SCHEMATICS		
We have completed a 120 ft. ROW and 100 ft. ROW best fit option schematic, along with typical sections, a hydrologic map, and a constraints map. We have also developed a 120ft. East/West/Center schematic to justify the best-fit alignment. We have developed a project matrix identifying ROW, relocation and environmental constraints for both 120 ft., 100 ft., and the LT/RT/CT options. A preliminary profile has been added to the best fit schematic along with pictures and the alignment of the City of Donna's sewer line. A design kick-off meeting was held with TxDOT on May 26, 2009 and preliminary schematic was submitted. Project matrices and DSR were pre-scoped at the meeting. We have resubmitted schematic to TxDOT & have preliminary schematic ready for project manager. Schematic was presented at Public Meeting on November 17th. Once we review public comments we will finalize and submit to TxDOT for further processing.	L&G	80%
FC 12001 – EA REPORTS		
L&G submitted the environmental document on November 2, 2009. L&G is waiting for comments from the Pharr District Office.	L&G	70%
FC 12002 – PUBLIC INVOLVEMENT		
TxDOT held a Public Meeting on November 17th at Runn Elementary and L&G assisted with the exhibits and sign-in table. L&G will now await the transcript to complete this task.	L&G	90%
FC 12040 – CULTURAL RESOURCES		
L&G has completed the surveys and the reports and were submitted to TxDOT. Comments have been received and are revising reports.	L&G	95%
FC 13002 – OWNERSHIP DATA COLLECTION		
We have identified land owners along the proposed 120' and 100' options.	L&G	85%
FC 15011 – SURVEY PLANS AND DESIGN/SUB		
This task has not begun.	RODS	0%

FC 16001 – ROADWAY DESIGN		
We have established a 120 ft. and 100 ft. best fit alignment and have established the existing centerline based on old plans and appraisal district data. A preliminary profile of the proposed centerline and the East/West proposed ROW was generated based on Lidar data to aid in the assessment of outfalls and the development of an overall drainage plan. The possibility of setting the grades of the proposed rural roadway to that of the future urban section has been ruled out due to roadway flooding concerns. To discuss vertical alignment at the floodway more coordination is needed after our bridge life cycle cost analysis determined that the existing pilot channel bridge will need to be replaced. A preliminary profile has been developed for the project. We met with the Diocese Property Department on October 15, 2009 and adjusted the alignment based on impacts to the parking lot of Christ Rey Chapel. Align will be finalized based on Public Meeting comments.	L&G	60%
FC 16104 – OUTFALL DESIGN		
We have identified potential outfalls and developed a hydrologic map. We are also evaluating the hydraulic capacities of existing outfalls.	L&G	50%
FC 16302 – TRAFFIC CONTROL PLAN		
Preliminary TCP typical sections and sequence of construction are being finalized.	L&G	30%
FC 16304 – IRRIGATION		
We have identified existing irrigation lines and included them in the schematic. We have set preliminary coordination letters to the Donna Irrigation District. Met with Donna Irrigation District on August 27, 2009 and again on September 17th.	L&G	50%
FC 16306 – QUANTITIES & SPECS		
A preliminary estimate with quantities, specification list as well as General Notes has been developed.	L&G	20%
FC 16307 – UTILITIES		
Surface utilities have been identified and initial letters have been sent to all utilities. We have begun receiving comments back from utility companies. We have met with and continue to coordinate with the City of Donna. Information on the City of Donna's sewer line was obtained and that information has been added to the project schematic. We met with the city of Donna on August 26, 2009 in regards to their sanitary sewer and water lines. We also met with D.I.D on September 09, 2009.	L&G	50%
FC 32000 – CONSTRUCTION MANAGEMENT		
This task has not yet begun.	L&G	0%

FC 16001 – ROADWAY DESIGN		
We have established a 120 ft. and 100 ft. best fit alignment and have established the existing centerline based on old plans and appraisal district data. A preliminary profile of the proposed centerline and the East/West proposed ROW was generated based on Lidar data to aid in the assessment of outfalls and the development of an overall drainage plan. The possibility of setting the grades of the proposed rural roadway to that of the future urban section has been ruled out due to roadway flooding concerns. To discuss vertical alignment at the floodway more coordination is needed after our bridge life cycle cost analysis determined that the existing pilot channel bridge will need to be replaced. A preliminary profile has been developed for the project. We met with the Diocese Property Department on October 15, 2009 and adjusted the alignment based on impacts to the parking lot of Christ Rey Chapel.	L&G	60%

LEASE AGREEMENT

HIDALGO COUNTY BID #

C-09-023-05-26

THIS AGREEMENT this day made and entered into by and **between MCALLEN COMMUNICATIONS COMPANY, Inc.**, a Texas corporation, acting by and through its duly authorized officers, hereinafter called "Lessor", and **COUNTY OF HIDALGO, TEXAS**, hereinafter called "Lessee";

WITNESSETH

WHEREAS, Lessor responded to a request for bids for the "Lease of Tower Space"; and

WHEREAS, Lessor submitted a bid to provide services in accordance with the specifications as bid, a copy of such specifications and bid being attached hereto as Exhibits "A" and "B" respectively, and incorporated herein for all purposes (the Specifications"); and

WHEREAS, in recognition of and in consideration of Lessor's agreement to perform the Services in accordance with Specifications, the Commissioners Court of County awarded the bid to the Lessor.

WHEREAS, Lessor is the owner of a 440 foot radio tower and concrete building at a location described as being Latitude 26° 32' 37" NORTH X Longitude 98° 22' 08" WEST, AMSL 302.3', AGL 459', Highest point AMSL 761.3', or hereafter called the Radio Tower; FCC Registration #1201637, and

WHEREAS, Lessee operates a private station, and is desirous of using space on Lessor's said radio tower for its transmitting antenna and space in said building below said tower for the use of its transmitting equipment;

NOW, THEREFORE, Lessor does not by these presents, LEASE LET, and DEMISE unto the Lessee the right to use said radio tower at a distance of Four Hundred Forty **(440)** feet from the ground for the installation and maintenance of their antenna and the right to use such space in the building at the foot of said tower as may be reasonably necessary for the operation of their equipment.

The term of this lease shall be for **ONE (1) year**, commencing with the execution of this lease, May 26, 2009 and terminating on May 25, 2010; subject, however to earlier termination as hereinafter provided.

Provided Lessee is not in default hereunder, Lessee is granted the option to renew this lease for an additional two (2) one (1) year terms, (the "renewal term"). Lessee shall give Lessor written notice of its intent to exercise its renewal option at least thirty (30) days prior to the expiration of the initial term or, if applicable, the first renewal term. Failure to timely deliver such notice shall constitute a waiver of this option to renew.

The rent payable by Lessee to Lessor under this lease agreement for the period set out above be charged at the rate **of $2.22 per foot per month, a monthly payment of $976.80, or an annual payment of $11,721.60.** Each monthly rental payment is due on the first day of each month during the term of the lease.

The parties agree her and covenant with each other as follows:

1. Lessee shall pay the rent to Lessor at P. O. Box 1139, Edinburg, Texas 78540-1139, as aforesaid, as the same shall fall due.

2. Subject to the terms and conditions hereof, Lessor will maintain the radio tower, the building, and the ingress and egress road in suitable condition for use by Lessee for the purpose authorized hereunder.

3. Lessee shall promptly execute and fulfill all requirements of law, Federal, State and Local, applying to its business, and radio transmittal. Lessee shall not assign this agreement or sublet the premises, or any part thereof, without the consent of the Lessor in writing. Lessee shall not make any alteration in the building or tower without written consent.

4. If the leased premises shall be damaged by, or as a result of fire, windstorm, or other casualty, the Lessor shall make repairs to such leased premises (exclusive of antenna and property of Lessee) with reasonable dispatch. Lessor shall not be responsible for any delays arising in connection with the adjustment of insurance loss or labor troubles and no abatement of rent shall be made in this case. There shall be no abatement of rent, unless the damage is so extensive that the tower and transmitter building leased hereunder cannot be used for radio transmission by Lessee while being repaired, in which event, rent shall abate until such time as said tower and transmitter building shall have been put in repair. In the event the leased property, either the tower or the transmitter building, is destroyed or so damaged that in the opinion of the Lessor, it cannot be repaired within ninety (90) days after the loss, or if Lessor shall decide not to rebuild, or if the damage shall be caused under conditions not insured against by the Lessor and the Lessor shall decide not to repair the damage, then the Lessor, at its option, may terminate this lease and the rent shall be paid to the date of such damage and thereupon, the lease shall terminate.

5. If the Lessee shall fail to pay the rent of any installment thereof when due, the Lessor may, by thirty (30) days written notice to Lessee, cancel and terminate this lease.

6. Lessor shall furnish electric power required to operate the Lessee's radio base station equipment. Lessee shall install two transmitters/receivers that provide interoperable communications between users of 800 Mhz and VHF two way radio equipment with the appropriate antennas and peripherals, specifically: One (1) Generator, One (1) 500 Gallon Fuel Tank, Two (2) Cross band Stations, One (1) Antenna (One Antenna to Transmit and one to receive as stated in Addendum #4) and Cabin, Two (2) 83" Cabinets at said tower site. Upon execution of this lease agreement, Lessor shall fence tower area where Lessee's may install a combination lock and furnish combination to Lessee. Lessor shall be not be responsible for any power failure including operations of generator equipment and fuel tank. By the same token, the Lessor shall not be responsible for the Lessee's radio equipment maintenance, unless a separate maintenance equipment contract is drawn to cover specified maintenance.

7. It is a condition precedent to any cause of action in the Lessee, its personal representative or assigns, arising out of default of or breach by the Lessor any covenant of this lease or failure to comply with any law, ordinance or governmental regulation, that the Lessee shall serve written notice on the Lessor of the condition, defect, act, omission, or breach complained of. All notices required hereunder or that may be given hereunder shall be effective for all purposes if addressed by Lessee to Lessor at its principal place of business at P. O. Box 1139, Edinburg, Texas, and by Lessor to Lessee at its principal place of business.

8. If the Lessor is unable to give Lessee possession of the property and premises leased hereby on the date fixed for the commencement of this term, Lessee may terminate the Lease on written notice.

9. No representative, agreement, or promise has been made by the Lessor, or any agent of Lessor, except as stated herein or in a written communication to the Lessee signed by the Lessor, and this lease may not be changed, varied, or extended except by instrument in writing signed by both parties hereto. It supersedes any and all prior agreements and understandings between the parties hereto with respect to the leased property and premises and the terms of this agreement.

10. Lessor shall not be liable for any loss, damage, or injury of any kind or character to any person or property caused by or arising from any act or omission of Lessee, or of any of its agents, employees, licenses, or invitees, or occasioned by the failure of Lessee to maintain any of Lessee's equipment located on the premises. Lessor owns no vehicles and has no auto liability insurance. Lessor has no uninsured/underinsured motorist coverage. Lessor has no employees and has no worker's compensation insurance. In

the event Lessor is awarded bid for tower services, Lessor shall provide proof of general liability coverage as stated in the bid packet.

11. Lessor leases the surface property from a third party. The property is operated for ranching, and leased for hunting, and oil and gas. There is livestock and wildlife on the property, including snakes, spiders, scorpions, etc. Lessee or its agents, contractors, or subcontractors should be notified of the activities and the wildlife.

12. The tower building is equipped with an Argus Security System which monitors tower lights, temperature, and unauthorized entry. A code is required to gain entry to the site. Lessor recommends that Lessee or its agents, contractors, or subcontractors telephone Lessor prior to working at the site to avoid any unwarranted calls to law enforcement officials.

13. In any case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision thereof and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

14. This agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective heirs, executors, administrators, legal representatives, successors, and assigns where permitted by this Agreement.

15. This Agreement shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Hidalgo County, Texas. The parties hereby consent to personal jurisdiction in Hidalgo County, Texas.

16. Nothing in this Agreement shall be construed so as to require the commission of any act contrary to law, and whenever there is any conflict between any provision of this Agreement and any present or future law, ordinance or administrative, executive or judicial regulation, order to decree, or amendment thereof, contrary to which the parties have no legal right to contract, the latter shall prevail, but in such event the affected provision or provisions of this Agreement shall be modified only to the extent necessary to bring them within the legal requirements and only during the time such conflicts exists.

17. No waiver by Lessor or Lessee of any breach of any provision of this Agreement shall be deemed to be a waiver of any preceding or succeeding breach of the same or any other provision hereof.

18. This Agreement contains the entire contract between the parties hereto, and each party acknowledges that neither has made (either directly or through any agent or representative) any representation or agreements in connection with this Agreement not specifically set forth herein. This agreement may be modified or amended only by agreement in writing executed by County and Contractor, and not otherwise.

19. At any time after the initial twelve (12) months of the term of this lease, this agreement may be terminated by Lessee without cause upon thirty (30) days written notice and payment of a Termination Fee equal to one-half (1/2) of the rent payable under the balance of the current term of this lease.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,

2. You do not certify your TIN when required (see the Part II instructions on page 4 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules regarding partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt From Backup Withholding

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),

2. The United States or any of its agencies or instrumentalities,

3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,

4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or

5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,

7. A foreign central bank of issue,

8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,

9. A futures commission merchant registered with the Commodity Futures Trading Commission,

10. A real estate investment trust,

11. An entity registered at all times during the tax year under the Investment Company Act of 1940,

12. A common trust fund operated by a bank under section 584(a),

13. A financial institution,

14. A middleman known in the investment community as a nominee or custodian, or

15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over $600 required to be reported and direct sales over $5,000 [1]	Generally, exempt recipients 1 through 7 [2]

[1] See Form 1099-MISC, Miscellaneous Income, and its instructions.

[2] However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at *www.socialsecurity.gov*. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/businesses* and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting *www.irs.gov* or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: *A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.*

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.
