Yvette, I discussed with Commissioner Palacios the low bid submitted Wednesday May 26th bid opening. I told Commissioner that there was one sole bid and that the bid amount exceeded that amount allocated for this project. Commissioner commented that some bid items were rather high. Commissioner directed me to reject the bid submitted and to re-advertise the project. For the re-advertisement, the precinct will probably remove some bid items that can be done by the precinct's force account.

Please let me know if you need any additional information.

Thanks,

Agapito Vargas, Executive Director
