4. **BID PRICE SHALL BE PER TON**
5. Hidalgo County reserves the right to reject any or all bids, to waive any or all formalities, or to accept the bid considered the best and most advantageous to the County, including compliance to the bid specifications. After bid is awarded and low bidder(s) default(s) in meeting the general instructions to bidders and/or comply with the contractual agreement, Hidalgo County reserves the right to seek services from the next lowest bidder(s). In such event, County shall charge the successful bidder(s) the difference for any additional cost of such item(s).
8. Hidalgo County may seek purchases from state awarded vendors or any other cooperative purchasing programs, whenever it is in the best interest to do so.
9. The contract shall remain in effect until contract expires, deliver/completion of services ordered or terminated by either party with a (30) thirty day written notice prior to any cancellation. 15. It is expressly understood and agreed that in case Hidalgo County should need "**Gravel Bedding Material**" not available within the time frame needed from the successful vendor during the term of this contract, Hidalgo County reserves the right to purchase these items from other sources other than the successful vendor and shall not be in violation of any terms or conditions of said contract. Further, Hidalgo County reserves the right to seek another vendor if, at any time, vendor's prices do not conform to public pricing.

18. Market Volatility and Unit Price Adjustments:

Hidalgo County recognizes that during periods of national crisis and unstable economic conditions, unforeseen price increases might affect costs for goods and services contracted on an annual basis. The following procedure may be employed to mediate price volatility:

- a) **Requesting Price Adjustment:** Upon written request of the Vendor to the County Purchasing Agent, the County may review evidence of prevailing industry-wide market conditions that warrant an adjustment in bid prices contained in the contract.
 - i) A Vendor must tie any price change clause to an industry-wide or otherwise nationally recognized index, or some other form of verifiable document. Such written request must be accompanied by a certified copy of the supplier's advisory or notification to the vendor of the price changes.
 - ii) The Vendor must put the Purchasing Agent on the mailing lists for such publications so that the Purchasing Agent can monitor said changes. Such membership shall be at no cost to the County.
 - iii) The County Purchasing Agent retains the right to determine whether or not such proposed price changes are in the best interest of the County.
 - iv) No price escalation will be authorized in excess of the amount of the increase referred to in the supplier's notice.
 - v) The County may only grant a price increase if the evidence presented is deemed reliable. Should the County allow a price increase, the approved price change shall be honored for all orders received by the vendor or contractor after the effective date of such price change. Approved price changes are not applicable to orders already issued and in process at time of price change.
- b) **Price Reduction:** Vendor shall notify the County at the time when the Vendor's costs for items and/or supplies reduce due to stabilization in the market at which time prices for items on this contract shall be reduced accordingly. Failure by the Vendor to notify the County of a decrease in costs for items and/or supplies for which the Vendor was granted a price adjustment, may result in immediate termination of this contract and the County shall not be

obligated to pay the Vendor the difference between the contract price and the price adjustment.

- c) **Time frame for Adjusted Price Increases:** Price increases are only valid for the quarter in which they are requested and approved. Prices shall return to the original contract price at the beginning of the following quarter unless a Vendor notifies the County in writing within ten (10) days of expiration of the quarter in which the price increase is in effect, that it desires to have the price increase continue or that the Vendor is requesting a different price increase for the following quarter. Such request must be supplemented with sufficient justification to demonstrate that the price increase remains necessary. The County Purchasing Department shall have sole discretion whether to grant the price increase extension. The County too, shall have discretion to unilaterally reduce, eliminate or extend a price adjustment to the Vendor at any time upon written notice from the County to the Vendor demonstrating justification for such reduction, elimination or extension of the price adjustment.
- d) **Allowable Review Periods:** Price adjustment reviews may only be requested by the Vendor on a quarterly basis. However, the County may at its own discretion, conduct temporary price adjustment reviews at any time. The County Purchasing Agent and/or the County Auditor reserve the right to audit and/or examine any pertinent books, documents, papers, records or invoices relating directly to the contract transaction in question after reasonable notice and during normal business hours.
- e) **Dollar Limit to Price Changes:** The total increase in contract price shall not exceed twenty-five percent (25%) of the original contract price during the contract term.
