Good Afternoon,

To: Hon. Jose E. Garcia,

1. Hidalgo County is going to reject the bid since not all specifications are being met, and Hidalgo County will go out for bids again. I will let Ms. Sylvia (your co-worker) know when the bid packet will be released. In approximately 2 weeks from now, a new bid will be released to the vendors with modified specifications (no longer requiring the renovation to the Jury Room).
2. Hidalgo County is going to exercise the "holdover" provision which is article 1.2 of the current contract (see attached).

Hidalgo County thanks you for participating, and if you have any questions please email me.

Thank you,

ERIC TREVINO

Pursuant to our conversation earlier today over the phone,

1. If you are unable to make renovations to Jury Room as specified on the specifications (refer to # 10 on specifications attached) please confirm and explain your reason(s).

2. Email me in DETAIL as to what type of furniture is missing that belongs to you that you left behind where the 430th District Court is currently occupying. Please mention in what offices they were in, and mention the dates when they were left behind.
3. Have you ever filed a claim about the missing furniture to anyone before (for example: a police report or the County)? Here in the Purchasing Department we have not heard anything about the missing furniture until today.

Please email me your response by no later than Wednesday, July 7, 2010 by noon or as soon as possible. Thank you.

Thank you,
ERIC TREVINO
