RE: Self Help Colonia Initiative Contract 728003 Request for amendment

Mr. De La Cruz,

This is to inform you that we are in the need to amend our Self Help Colonia Initiate contract #728003. Currently our contract reads to construct 10 Reconstruction and 12 New Construction. We are in the need to change the number of new construction activity and transfer more units to reconstruction. Therefore the contract will read 5 New Construction and 17 Reconstruction.

In the process of conducting colonia outreach it has become very clear that the need for reconstruction is greater than had been anticipated. This is why we are asking to consider the change in the contract to read as described above.

Should you need additional information do not hesitate to contact me regarding. Thank you for your assistance in this matter.

Saul Villarreal,  
Assistant Executive Director
