POLICY HOLDER DISCLOSURE

**NOTICE OF TERRORISM
INSURANCE COVERAGE**

Under the Terrorism Risk Insurance Act of 2002, effective November 26, 2002 (the "Act"), you have a right to purchase insurance coverage for losses arising out of acts of terrorism, as defined in Section 102(1) of the Act: The term "certified act of terrorism" means any act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State, and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; to have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion; and that causes losses of at least \$5,000,000.

You should know that coverage for losses caused by "certified acts of terrorism" is partially reimbursed by the United States under a formula established by federal law. Under this formula, the United States pays 90% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium for this coverage is shown below and does not include any charges for the portion of loss covered by the federal government under the Act.

This act is scheduled to expire December 31, 2005 unless extended by the Federal Government. Your policy will be effective while the federal program is still in effect, but a decision by the Federal Government on extension of the program may not have been made by this date. The Federal Program may terminate, be extended as is or extended with modifications during the term of your policy and treatment of terrorism may change under your policy. We strongly suggest that you review the terms and conditions contained in the Conditional Exclusion of Terrorism (Relating to disposition of federal terrorism risk insurance act of 2002) forms IL 09 95 and/or CG 21 87 as applicable to your policy.

IN ACCORDANCE WITH THE ACT, YOU MUST CHOOSE TO ACCEPT OR REJECT COVERAGE FOR "CERTIFIED ACTS OF TERRORISM".
