- The first Payment will be due on the Effective Date.
- You, the undersigned Customer, have applied to us to use the above-described items ("Product") for lawful commercial (non-consumer) purposes. **THIS IS AN UNCONDITIONAL, NON-CANCELABLE AGREEMENT FOR THE MINIMUM TERM INDICATED ABOVE.** If we accept this Schedule, you agree to use the above Product on all the terms hereof, including the Terms and Conditions on the

3. Image Charges/Meters: In return for the Minimum Payment, you are entitled to use the number of Guaranteed Minimum Images as specified in the Payment Schedule of this Agreement. The Meter Reading/Billing Frequency is the period of time (monthly, quarterly, etc.) for which the number of images used will be reconciled. If you use more than the Guaranteed Minimum Images during the selected Meter Reading/Billing Frequency period, you will pay additional charges at the applicable Cost of Additional Images as specified in the Payment Schedule of this Schedule for images, black and white and/or color, which exceed the Guaranteed Minimum Images ("Additional Images"). The charge for Additional Images is calculated by multiplying the number of Additional Images times the applicable Cost of Additional Images. The Meter Reading/Billing Frequency may be different than the Minimum Payment Billing Frequency as specified in the Payment Schedule of this Schedule. You will provide us or our designee with the actual meter reading(s) by submitting meter reads electronically via an automated meter read program, or in any other reasonable manner requested by us or our designee from time to time. If such meter reading is not received within seven (7) days of either the end of the Meter Reading/Billing Frequency period or at our request, we may estimate the number of images used. Adjustments for estimated charges for Additional Images will be made upon receipt of actual meter reading(s). Notwithstanding any adjustment, you will never pay less than the Minimum Payment.

IKON OFFICE SOLUTIONS, INC.
IMAGE MANAGEMENT PLUS COMMITMENTS

The below service commitments (collectively, the "Service Commitments") are brought to you by IKON Office Solutions, Inc., an Ohio corporation having its principal place of business at 70 Valley Stream Parkway, Malvern, PA 19355 ("IKON"), one of the largest distributors of office solutions in the world. The words "you" and "your" refer to you, our customer. You agree that IKON alone is the party to provide all of the services set forth below and is fully responsible to you, the customer, for all of the Service Commitments. The Service Commitments are only applicable to the equipment ("Equipment") described in the Image Management Plus Product Schedule to which these Service Commitments are attached, excluding facsimile machines, single-function and wide-format printers and production units. The Service Commitments are effective on the date the Equipment is accepted by you and apply during IKON's normal business hours, excluding weekends and IKON recognized holidays. They remain in effect for the Minimum Term so long as no ongoing default exists on your part.

TERM PRICE PROTECTION

The Image Management Minimum Payment and the Cost of Additional Images, as described on the Image Management Plus Product Schedule, will not increase in price during the Minimum Term of the Image Management Plus Product Schedule, unless agreed to in writing and signed by both parties.

EQUIPMENT SERVICE AND SUPPLIES

IKON will provide full coverage maintenance services, including replacement parts, drums, labor and all service calls, during Normal Business Hours. "Normal Business Hours" are between 8:00am and 5:00pm, Monday to Friday excluding public holidays. IKON will also provide the supplies required to produce images on the Equipment covered under the Image Management Plus Product Schedule (other than non-metered equipment and soft-metered Equipment). The supplies will be provided according to manufacturer's specifications. Optional supply items such as paper and transparencies are not included.

Includes staples

RESPONSE TIME COMMITMENT

IKON will provide a quarterly average response time of 2 to 6 business hours for all service calls located within a 30-mile radius of any IKON office, and 4 to 8 business hours for service calls located within a 31-60 mile radius for the term of the Image Management Plus Product Schedule. Response time is measured in aggregate for all Equipment covered by the Image Management Plus Product Schedule.

UPTIME PERFORMANCE COMMITMENT

IKON will service the Equipment to be Operational with a quarterly uptime average of 96% during Normal Business Hours, excluding preventative and interim maintenance time. Downtime will begin at the time you place a service call to IKON and will end when the Equipment is again Operational. You agree to make the Equipment available to IKON for scheduled preventative and interim maintenance. You further agree to give IKON advance notice of any critical and specific uptime needs you may have so that IKON can schedule with you interim and preventative maintenance in advance of such needs. As used in these Service Commitments "Operational" means substantial compliance with the manufacturer's specifications and/or performance standards and excludes customary end-user corrective actions.

IMAGE VOLUME FLEXIBILITY AND EQUIPMENT ADDITIONS

At any time after the expiration of the initial ninety day period of the original term of the Image Management Plus Product Schedule to which these Service Commitments relate, IKON will, upon your request, review your image volume. If the image volume has moved upward or downward in an amount sufficient for you to consider an alternative plan, IKON will, on a quarterly basis, present pricing options to conform to a new image volume. If you agree that additional equipment is required to satisfy your increased image volume requirements, IKON will include the equipment in the pricing options. The addition of equipment and/or increases/decreases to the Guaranteed Minimum Images requires an amendment ("Amendment") to the Image Management Plus Product Schedule that must be agreed to and signed by both you and IKON. The Amendment may not be less than the remaining term of the existing Image Management Plus Product Schedule but may be extended for a term up to 60 months. Adjustments to the Guaranteed Minimum Images commitment and/or the addition of equipment may result in a higher or lower minimum payment. Images decreases are limited to 25% of the Guaranteed Minimum Images in effect at the time of Amendment.

EQUIPMENT AND PROFESSIONAL SERVICES UPGRADE OPTION

At any time after the expiration of one-half of the original term of the Image Management Plus Product Schedule to which these Service Commitments relate, you may reconfigure the Equipment by adding, exchanging, or upgrading to an item of Equipment with additional features or enhanced technology. A new Image Management Plus Product Schedule or Amendment for not less than the remaining term of the existing Image Management Plus Product Schedule or Amendment, must be agreed to and signed by you and IKON. The Image Management Cost of Additional Images and the Minimum Payment of the new Image Management Plus Product Schedule or Amendment will be based on any obligations remaining on the Equipment, the added equipment and new image volume commitment. Your IKON Account Executive will be pleased to work with you on a Technology Refresh prior to the end of your Image Management Plus Product Schedule or Amendment.

PERFORMANCE COMMITMENT

IKON is committed to performing these Service Commitments and agrees to perform its services in a manner consistent with the applicable manufacturer's specifications. If IKON fails to meet any Service Commitments and in the unlikely event that IKON is not able to repair the Equipment in your office, IKON, at IKON's election, will provide to you either the delivery of a temporary loaner, for use while the Equipment is being repaired at IKON's service center, or IKON will replace such Equipment with comparable Equipment of equal or greater capability at no additional charge. These are the exclusive remedies available to you under the Image Management Plus Commitments Customer's exclusive remedy shall be for IKON to re-perform any Services not in compliance with this warranty and brought to IKON's attention in writing within a reasonable time, but in no event more than thirty (30) days after such Services are performed. If you are dissatisfied with IKON's performance, you must send a registered letter outlining your concerns to the address specified below in the "Quality Assurance" section. Please allow 30 days for resolution.

ACCOUNT MANAGEMENT

Your IKON sales professional will, upon your request, be pleased to review your equipment performance metrics on a quarterly basis and mutually convenient date and time. IKON will follow up within 8 business hours of a call or e-mail to one of our account management team members requesting a metrics review. IKON will, upon your request, be pleased to annually review your business environment and discuss ways in which we may improve efficiencies and reduce costs relating to your document management processes.

IKON agrees that such units will be used by IKON solely for such purpose. Once transmitted, all meter read data shall become the sole property of IKON and will be utilized for billing purposes.
