The insurer shall be subject to approval by the UCP.
- C. Failure to maintain required insurance will be cause for the UCP to take control of the Housing UNITS and will cancel any claim that CHDO may have to the use of the Housing UNITS. CHDO shall provide UCP with certificates of insurance reflecting all coverages required in Exhibit E , and shall, upon request of UCP, promptly provide UCP with copies of the insurance policies.
- D. Right to Re-evaluate and Adjust Limits. The UCP shall retain the right to reevaluate the insurance requirements and adjust the coverage limits upon thirty (30) days written notice. Insurance coverage limits shall be adjusted no more frequently than once a year.

5. Exhibit E, Insurance Requirements

SECTION 26. JURISDICTION AND VENUE

SECTION 27. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS

CHDO shall comply with all federal, state and local laws, statutes, ordinances, rules, regulations, orders and decrees of any court or administrative body or tribunal related to the activities and performances of CHDO under this agreement. Upon request by UCP, CHDO shall furnish satisfactory proof of its compliance herewith.

SECTION 28. MARKET VOLATILITY AND UNIT PRICE ADJUSTMENTS

Hidalgo County recognizes that during periods of national crisis and unstable economic conditions, unforeseen price increases might affect costs for goods and services contracted on an annual basis. The following procedure may be employed to mediate price volatility:

- A. **Requesting Price Adjustment:** Upon written request of the CHDO to the County Purchasing Agent, the County may review evidence of prevailing industry-wide market conditions that warrant an adjustment in bid prices contained in the contract.
- A CHDO must tie any price change clause to an industry-wide or otherwise nationally recognized index, or some other form of verifiable document. Such written request must be accompanied by a certified copy of the supplier's advisory or notification to the CHDO of the price changes.
 - The CHDO must put the Purchasing Agent on the mailing lists for such publications so that the Purchasing Agent can monitor said changes. Such membership shall be at no cost to the County.
 - The County Purchasing Agent retains the right to determine whether or not such proposed price changes are in the best interest of the County.
 - No price escalation will be authorized in excess of the amount of the increase referred to in the supplier's notice.
 - The County may only grant a price increase if the evidence presented is deemed reliable. Should the County allow a price increase, the approved price change shall be honored for all orders received by the CHDO or contractor after the effective date of

such price change. Approved price changes are not applicable to orders already issued and in process at time of price change.

- B. **Price Reduction:** CHDO shall notify the County at the time when the CHDO's costs for items and/or supplies reduce due to stabilization in the market at which time prices for items on this contract shall be reduced accordingly. Failure by the CHDO to notify the County of a decrease in costs for items and/or supplies for which the CHDO was granted a price adjustment, may result in immediate termination of this contract and the County shall not be obligated to pay the CHDO the difference between the contract price and the price adjustment.
- C. **Timeframe for Adjusted Price Increases:** Price increases are only valid for the quarter in which they are requested and approved. Prices shall return to the original contract price at the beginning of the following quarter unless a CHDO notifies the County in writing within ten (10) days of expiration of the quarter in which the price increase is in effect, that it desires to have the price increase continue or that the CHDO is requesting a different price increase for the following quarter. Such request must be supplemented with sufficient justification to demonstrate that the price increase remains necessary. The County Purchasing Department shall have sole discretion whether to grant the price increase extension. The County too, shall have discretion to unilaterally reduce, eliminate or extend a price adjustment to the CHDO at any time upon written notice from the County to the CHDO demonstrating justification for such reduction, elimination or extension of the price adjustment.
- D. **Allowable Review Periods:** Price adjustment reviews may only be requested by the CHDO on a quarterly basis. However, the County may at its own discretion, conduct temporary price adjustment reviews at any time. The County Purchasing Agent and/or the County Auditor reserve the right to audit and/or examine any pertinent books, documents, papers, records or invoices relating directly to the contract transaction in question after reasonable notice and during normal business hours.
- E. **Dollar Limit to Price Changes:** The total increase in contract price shall not exceed twenty-five percent (25%) of the original contract price during the contract term.

SECTION 29. REMEDIES

It is expressly understood and agreed by the parties hereto that any right or remedy provided for in this Section 28 or in any other provision of this agreement shall not preclude the exercise of any other right or remedy under this agreement or under any provision of law, nor shall any action taken in the exercise of any right or remedy be deemed a waiver of any other rights or remedies. Failure to exercise any right or remedy hereunder shall not constitute a waiver of the right to exercise that or any other right or remedy at any time.
