RE: Construction of Projects Financed by Vehicle Registration Fee Revenue Bonds

Dear Mr. Burleson:

During the joint workshop of the Hidalgo County Regional Mobility Authority (the "RMA") and the Hidalgo County Commissioners Court, it appears the Hidalgo County Commissioners Court is in support of the [Transportation Project and Pledge Agreement].

As stated in such joint workshop the Commissioners and the County Judge would like to request that the Hidalgo County Regional Mobility Authority present to the Commissioners Court during a regularly scheduled, open session of the Court, the project development plan which relates to the project partially financed by the [Transportation Project and Pledge Agreement] which is to be undertaken by the RMA.

The Hidalgo County Commissioners Court desires to review such project development plan prior to taking final action approving the [Transportation Project and Pledge Agreement].

Enclosed is a revised draft of the [Transportation Project and Pledge Agreement] which Hidalgo County contemplates executing.

If you have any questions, please do not hesitate to contact me.

Sincerely

By:

Ramon Garcia,
Hidalgo County Judge

Sandra de Leon
