Except as provided within this CRR, all other provisions of the Contract remain in effect. In the event of a conflict between the terms of the Contract and the terms of this CRR, this CRR shall control.

The Program Attachment is hereby revised as follows:

1. Revision Request - Section of Program Attachment to be revised: _____ DSHS Contract Manager Initials: _____

Description of the revision requested. Describe any attachments to this form, which shall be incorporated into this document as a part of the Contract: Submitting the CRR and Contract Budget / Revised Budget form along with the equipment list for consideration and authorization of a Budget Revision to the Immunization - Branch Locals grant contact. Requesting to move anticipated available monies from the Personnel & Fringes Categories into the Equipment, Supplies and Other Categories in order to maximize the use of these funds.

Effective date of revision, as specified by Department, is _____.

The general rule is that any change to the Contract requires a written Amendment (GP §13.15 [subrecipient]). The only exceptions are those explicitly stated in §13.16 (Contractor's Notification of Change) and §13.17 (Contractor's Request for Revision).

Instructions: **Two originals** of the completed form must be signed by Contractor's representative who is authorized to sign contracts on behalf of Contractor, and both original, signed forms must be submitted to the Contract Manager in the Contract Management Unit assigned to the Program Attachment. A separate CRR is required for each Program Attachment to be revised. A fully executed original will be returned to Contractor if approved by the Department.

Note: Circumstances of a requested CRR may indicate the need for a Contract Amendment with written justification rather than a CRR.
