Recognized as the authority for guardianship in the United States

Your membership in the National Guardianship Association is important. The number of vulnerable people who need guardianship is increasing at an alarming rate. Now is the time for NGA, with you as a valued member, to lead in the education of all guardianship practitioners, to define guardianship practice standards for individuals and agencies, and to inform the public about issues of good guardianship practice. Membership is available to anyone interested in improving guardianship practice in the categories below:

INDIVIDUAL MEMBERSHIP

Individual membership is open to those who serve as professional guardians, as well as to individuals who support guardianship in related fields of health care, the court system, social work services, etc. Annual dues are $170.

ORGANIZATION MEMBERSHIP

Organizational membership is available to those who wish to enroll multiple individuals from the same for-profit business, government agency, court system office, non-profit agency, etc. Membership in this category applies to organizations that provide professional guardianship services, as well as to those that offer related services that support guardianship. Annual dues of $250 provide a listing for one person that the organization identifies as their primary contact. Other individuals may then be added as members from the same organization for an additional $100 per person. All benefits of membership are available to each individual who is identified as a member by the organization.

NOTE: Organizational Members are eligible to use the member discount rate for a total of three (3) conference registrations, regardless of whether the individuals being registered are the same as those the organization has listed as members. All other benefits, however, apply only to the designated primary contact and any additional paid members in that organization.

FAMILY / VOLUNTEER / RETIRED MEMBERSHIP

This membership category is open to family members who serve as guardians for an individual, to individuals working as guardians without remuneration, or for those who are retired from providing professional guardianship services, but want to continue to access the NGA membership benefits. Annual dues are $50. Note: Members in these categories are not listed in "Find A Guardian" on the website, but they are included in the Membership Directory and receive all other membership benefits.

AS AN NGA MEMBER, YOU ANNOUNCE TO OTHER PROFESSIONALS THAT YOU RESPECT WHAT IT MEANS TO PRACTICE SURROGATE DECISION-MAKING & AFFORD YOURSELF EVERY OPPORTUNITY TO IMPROVE YOUR SKILLS.

- You become eligible for NGA's exclusive professional liability insurance program available from Dominion Insurance Co. that is tailored to the specific needs of professional fiduciaries and backed by world-famous Lloyds of London.
- You can use NGA's Listserv and new Ethics Forum to obtain answers to questions about guardianship practices, and to become engaged in open frank discussions about other issues affecting professionals concerned with surrogacy.
- You have access to the "Members Only" area of the NGA website at www.guardianship.org. This privileged section features resources to help you access probate codes, member directories, staff assistance, and other peer consultation.
- You can attend the annual Conference on Guardianship and NGA Colloquium at a discounted rate, as well as take advantage of member discounts on publications and other services.
- You will be acknowledged publically among those who support quality in guardianship. Each professional guardian receives a listing in the *Find A Guardian* section of the NGA website, and all members are included in the annual NGA Membership Resource Directory.
- You receive *The National Guardian*, NGA's regular newsletter to help you keep current with practice, appellate law, technical, and legislative developments across the country.
- You become part of a network of members nationally and internationally, who have experience with surrogate decision making. This vast network can provide you with a myriad of support.
- You assist in the development of standards of practice and ethics that will guide and shape the character of guardianship. NGA has been selected by several states to assist them in developing their standards of practice.
- You have a voice in legislative and practice standards through position papers generated by NGA.

BUT JUST AS IMPORTANT AS WHAT YOU GET FROM NGA IS WHAT YOU HAVE THE OPPORTUNITY TO GIVE TO YOUR PROFESSION AND YOUR PEERS. AS A MEMBER OF NGA YOU OFFER OTHERS THE OPPORTUNITY TO SHARE YOUR EXPERTISE, YOU HAVE THE OPPORTUNITY TO PROVIDE LEADERSHIP THROUGH COMMITTEE AND BOARD SERVICE, AND BY ADHERING TO NGA STANDARDS YOU LIFT THE PROFESSION TO A HIGHER LEVEL

To Whom It May Concern: **03/23/11**

As the investigator for the Hidalgo County Probate Court I am required to visit wards of the court who are incapacitated physically or mentally and unable to care for themselves. Judge Homero Garza appoints guardians for these wards. My job requires that I visit and make sure the wards are being cared for, that they are receiving the benefits they are supposed to be receiving, and that they are not being abused. My job also requires that I make sure the guardians are doing their job properly.

Therefore, I have become a National Certified Legal Guardian. Because of this, I know the requirements of the guardianship role and I make sure the guardians appointed by the court are doing their job properly. Being a member of the National Guardianship Association and the Texas Guardianship Association allows me to stay up with the latest court decisions and other matters affecting guardianship.

THE STATE OF TEXAS §
§
COUNTY OF HIDALGO §

PROFESSIONAL SERVICES CONTRACT
C-08-225-09-09

THIS AGREEMENT is made effective the **9TH** day of **SEPTEMBER, 2008**, by and between the **COUNTY OF HIDALGO, TEXAS**, ("County") and **DOS LAND SURVEYING, LLC** a Texas Limited Liability Company ("Surveyor")

W I T N E S S E T H:

WHEREAS, the County requires Surveying services for **VARIOUS ROAD & BRIDGE AND C.I.P PROJECTS (On An As Needed Basis)** located within **HIDALGO COUNTY PRECINCT NO. 1**; and

WHEREAS, County has determined that the services of Professional Surveyor are sometimes necessary to carry out the required Surveying activities; and

WHEREAS, pursuant to Texas Government Code Section 2254.002, "The Professional Services Procurement Act," Government Code, the County requested proposals from Professional Right-of-Way Surveyor to assist the County by providing Surveying services; and

WHEREAS, the County has selected the Surveyor to provide Surveying services within the County of Hidalgo, Texas through its procured approved pool of Surveyors.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, County and Surveyor do mutually agree as follows:

1. **Scope of Services. .** Surveyor agrees to provide to County the services shown in Exhibit "A" attached hereto and entitled "Services to be Provided by the Surveyor." Further Hidalgo County reserves the right to request these services from other sources other than the successful vendor and shall not be in violation of any terms or conditions of said contract.

2. **Term.** This Contract becomes effective when fully executed by both parties and will terminate one (1) year from the date of execution or unless sooner terminated as provided herein. The Surveyor will not begin work or incur costs until authorized in writing by the County

order.

3. Method of Payment. Payments to the **Surveyor** for services rendered will be made while work is in progress as executed through a lump sum fee assigned to each work authorization (hereinafter referred to as **"Work Authorization"**) in accordance with **Paragraph 4** herein. For each **Work Authorization**, the **Surveyor** shall prepare and submit to the **County** monthly progress reports in sufficient detail to support the progress of the work and in support of a request for payment (hereinafter referred to as "**Request for Payment**"). The progress report shall indicate the percent completion of the work accomplished by the **Surveyor** during the billing period and to the date of the **Request for Payment**. On or before noon of the first Monday of each month during the performance of the services, the **Surveyor** shall submit to the **County** for approval a **Request for Payment**. Payment of the lump sum fee for each **Work Authorization** identified in the **Request for Payment** will be in proportion to the percent completion of the work tasks identified in such **Work Authorizations** together with a detailed breakdown of the amount and the sum of all prior payments. The **County** shall review each such **Request for Payment** and may make such exceptions as the **County** reasonably deems necessary or appropriate under the circumstances then existing. About ten (10) working days after the Commissioners Court of the **County** meets approving such payment, the **County** shall make payment to the **Surveyor** in the amount approved as aforesaid subject to **Paragraph 4** herein and below.

If the **Project**, or any portion(s) thereof, are deleted or otherwise not completed, compensation to the **Surveyor** by the **County** for the **Project** or such portions of the project shall be only the amounts paid the **Surveyor** for actual work performed in accordance with the **Work Authorization**(s) approved by the **County.**

Final Payment. After final completion of the work and acceptance thereof by the **County** the **Surveyor** shall submit a final request for payment (**"Final Request for Payment"**) which shall set forth all amounts due and remaining unpaid to the **Surveyor** and upon approval thereof by the **County,** the **County** shall pay to the **Surveyor** the amount due (**"Final Payment"**) under such **Final Request for**

Payment in accordance with the provisions of **Paragraph 4** hereof. The **Final Payment** shall not be made until the **Surveyor** delivers to the **County** an affidavit that so far as the **Surveyor** has knowledge or information any

and all amounts due for materials and services over which the **Surveyor** has control have been paid.

Qualification on Obligations to Pay. Any provision hereof to the contrary notwithstanding, the

County shall not be obligated to make any payment (whether a payment under **Paragraph 4** hereof or **Final Payment**) to the **Surveyor** hereunder if any one or more of the following conditions precedent exist:

(1) The **Surveyor** is in default of any of its obligations hereunder or otherwise is in default under this Agreement or under any contract documents related to this Agreement;

(2) Any part of such payment is attributable to the **Surveyor's** services which are not performed in accordance with this Agreement; provided, however, such payment shall be made as to the part thereof attributable to the **Surveyor's** services which were performed in accordance with this Agreement.

(3) The **Surveyor** has failed to make payments promptly to consultants or other third parties used in connection with the **Project** for which the **County** has made payment to the **Surveyor;**

(4) If the **County,** in good faith judgment, determines that the portion of the compensation then remaining unpaid will not be sufficient to complete the **Surveyor's** services in accordance with this Agreement, no additional payments will be due the **Surveyor** hereunder unless and until the **Surveyor**, at its sole cost, performs a sufficient portion of the **Surveyor's** services so that such portion of the compensation then remaining unpaid is determined by the **County** to be sufficient to so complete the **Surveyor's** services.

No partial payment made hereunder shall be or construed to be final acceptance or approval of that part of the **Surveyor's** services to which such partial payment related or relieves the **Surveyor** of any of its obligations hereunder with respect thereto.

The **Surveyor** shall promptly pay all bills for labor and material performed and furnished by others in connection with the performance of the **Surveyor's** services.

Waiver. The making of the **Final Payment** shall constitute a waiver of all claims by the **County** except those arising from (1) faulty or defective services of the **Surveyor** appearing after completion of

the **Project.** (2) failure of the **Surveyor 's** services to comply with the requirements of this Agreement or any contracts or Agreements related to the **Project**, or (3) terms of any special warranties required by this Agreement or provided at law or in equity. The acceptance of **Final Payment** shall constitute a waiver of all claims by the **Surveyor** except those previously made in writing and identified by the **Surveyor** as unsettled at the time of the **Final Request for Payment**.

4. **Work Authorization**. After execution of this Agreement, the **Surveyor** shall proceed with the work outlined under Article 2 hereof, only as authorized by the **County** through an agreed **Work Authorization** document in the form identified in **EXHIBIT "D"- *Work Authorization Form***, attached hereto and made a part of this Agreement. The **Surveyor** will identify, as approved by the **County,** the needed services for the **Project,** as required through the course of the development to the **Project.** The **County** shall authorize the **Surveyor** to perform one or more of the agreed tasks identified in **EXHIBIT "A",** attached hereto, in the form of individual work authorizations. Upon authorization from the **County,** the **Surveyor** will prepare a **Work Authorization** document, which will include a description of the work to be performed, including a description of the tasks and milestones, a work schedule, and an estimated cost proposal agreed upon by the **County** and the **Surveyor**. The estimated cost proposal shall set forth in detail the computation of the cost of each work task, at the hourly rates established and identified in **EXHIBIT "B",** attached hereto. The **Work Authorizations** shall not waive the **County's** and the **Surveyor's** responsibilities and obligations established in this Agreement.

The estimated cost proposal for each **Work Authorization**, developed by the **Surveyor** and approved by the **County** shall be used by the **County** to appropriate a purchase order for the **Work Authorization.** Each executed **Work Authorization** shall become a part of this **Agreement**. Upon satisfactory completion of the **Work Authorization**, the **Surveyor** shall submit the **Project's** deliverables as specified in the executed **Work Authorization** to the **County** for review and acceptance.

Work included in a **Work Authorization** shall not begin until the **County** and the **Surveyor** have signed the **Work Authorization**. All work must be completed on or before the completion date specified in the **Work Authorization**, unless extended by written agreement by the **Surveyor** and the **County.** The **Surveyor** shall promptly notify the **County** of any event that will affect completion of the **Work Authorization.** All **Work Authorizations** must be executed and completed by both the **Surveyor** and the **County** within the period established for this Agreement.

The final acceptance by the **County** of each **Work Authorization** for the **Project** shall serve as evidence of completion, on the part of the **Surveyor** of all services under this Agreement insofar as they pertain to that portion of work on the **Project** identified in the applicable work authorization

5. Compensation. As consideration for rendering the Services provided for in this Contract, the County agrees to pay the Surveyor the amounts specified in Exhibit "B" attached hereto payable against written invoice submitted by Surveyor. The Surveyor is authorized to submit periodic requests for payment within thirty days after completion of each Work Authorization. The request for payment shall be made using forms acceptable to the County and shall show the total amount earned to the date of submission and the amount due and payable as of the date of the current billing. Upon receipt of said request for payment, County shall submit a requisition for payment of said services in the customary manner provided for payments utilized by Hidalgo County, Texas. Surveyor agrees to separately account for the receipt and/or expenditure of funds received pursuant to this Contract and to keep adequate books and records of all such receipts and/or expenditures. All payments to Surveyor shall be mailed to the address shown in numbered paragraph 21, hereof.

6. Inspection of Work. The County has the right at all reasonable times to inspect or otherwise evaluate the work performed or being performed hereunder and the premises in which it is being performed. If any inspection or evaluation is made on the premises of the Surveyor, or a subcontractor, the Surveyor shall provide and require its subcontractor to provide all reasonable facilities and assistance for the safety and convenience of the inspectors in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work.

7. **Amendments.** If it becomes necessary at any time during the contract period to change the scope of work, the contract period, the maximum amount payable, the complexity, or the character of this contract, an amendment must be prepared and executed within the contract period. The County retains the right to reject any such amendment proposed by the Surveyor unless the County finds the proposed amendment necessary to complete the work authorized herein. Any such amendments be made in writing agreed to by all parties hereto and duly executed before the end of the contract period as specified.

If the County finds it necessary to require changes in completed work because of errors made by the Surveyor, the County shall require the Surveyor to correct the work at no cost to the County and without amendment to the Work Authorization or the Contract. If the changes are made at the request of the County and are not due to errors of the Surveyor, the County will reimburse the Surveyor for the additional work at the same rate of pay established in Exhibit "B," "Basis for Payment." If payment for the additional work will cause the maximum amount payable to be exceeded, an amendment shall be executed in accordance with the terms of this provision.

8. **Reporting**. The Surveyor shall promptly advise the County in writing of events which have a significant impact upon the contract, including:

1. Problems, delays, or adverse conditions which will materially affect the ability to meet time schedules and goals, or preclude the attainment of project work units by established time periods. This disclosure shall be accompanied by a statement of the action taken, or contemplated, and any County or, if Federal funds are involved, Federal assistance needed to resolve the situation.

2. Favorable developments or events which enable meeting time schedules and goals sooner than anticipated or producing more work units than originally projected.

9. **Ownership of Documents.** Upon completion or termination of this contract, all documents prepared by the Surveyor or furnished to the Surveyor by the County shall be delivered to and become the property of the County. All sketches, photographs, calculations, and other data prepared under this contract shall be made available, upon request, to the County without restriction or limitation on their further use. The Surveyor may, at its own expense, have copies made of the

documents or any other data furnished the County under this contract.

10. Independent Contractor. Surveyor must comply with all applicable Hidalgo County policies and with any applicable federal, state or local laws, regulations, orders or ordinances applicable to the services provided by Surveyor under this Contract. Notwithstanding the foregoing sentence, Surveyor represents and maintains that it is an independent contractor and is not an employee of Hidalgo County, Texas, or any agency thereof, and represents and warrants that it does not desire or request any fringe benefits provided to employees of Hidalgo County, Texas, and/or any agency thereof, including, but not limited to benefits associated with Hidalgo County's civil service program. Surveyor agrees to be responsible for any federal income tax, withholding or social security tax liability that might arise from payments received hereunder.

11. Voluntary Termination. Surveyor and County agree that either party may terminate this Contract at any time for any reason or no reason at all upon the giving of thirty (30) days prior written notice to the other party.

12. Insurance. Services and Capabilities of Dos Land Surveying:

Boundary Surveys

A survey preformed for the purpose of locating and marking property corners, boundary lines and/or easements of a given parcel of land. This involves record and field research, measurements, and computations to establish boundary lines in conformance with the rules and regulations of the Texas Board of Professional Land Surveying.

Parcel Plats for Right-of-Way Acquisitions

A boundary survey prepared that creates a new parcel of land for the purpose of acquiring new right-of-way for roadways or utility easements. The survey is usually taken from a larger parent tract of land. A metes and bounds description is prepared along with the survey plat.

Control Surveys

A survey preformed for determining precise locations of horizontal and vertical control points for use in boundary determination, aerial photographs, topographical surveys, construction staking and related purposes. Horizontal coordinates are derived using the latest in GPS equipment. Vertical locations are derived using state of the art digital levels and are based on existing published benchmarks.

Construction Surveys

Construction staking to establish the correct location of proposed structures as shown on improvement plans for construction of roads, parking lots, pipelines, buildings, etc.

Topographical Surveys

A survey locating topographic features - natural and man-made - such as buildings, improvements, fences, elevations, trees, streams, roadways, contours of the land, etc. This type of survey may be required by a governmental agency, or may be used by engineers and/or architects for design of improvements or developments on a site and also may include a boundary survey.

As-Built Surveys

A post-construction topographical survey which will include all structures and features of the property as well as all improvements that have been constructed.

If Lessor does not provide such policies or proof of such insurance within ten (10) days of the execution of this Lease, or if Lessor allows any insurance required under this Article to lapse after receipt of notice of cancellation or of non-renewal, or if Lessor fails to deliver proof of insurance showing coverages to Lessee prior to the effective date of such insurance and the original insurance policy within thirty (30) days thereafter, such failure shall be a default of Lessor under this Lease; or Lessee may, but shall not be required, to take out such insurance and pay the premiums on the necessary insurance to comply with Lessor's obligations under the provisions of this Article. Lessor agrees to reimburse Lessee all amounts spent by Lessee to procure and maintain such insurance within fifteen (15) days after demand from Lessor. 10.1 If the Leased Premises, or any structures or improvements on the Leased Premises, should be damaged or destroyed by fire, tornado, or other casualty, Lessee shall give immediate written notice of the damage or destruction to Lessor, including a description of the damage and, as far as known to Lessee, the cause of the damage.

Total Destruction

10.2 If the building on the Leased Premises should be totally destroyed by fire, tornado, or other casualty, or if it should be so damaged that rebuilding or repairs can not reasonably be completed within thirty (30) working Days from the date of the occurrence of the

DRAFT

damage, this Lease, at the option of the Lessee, shall terminate and rent shall be abated for the unexpired portion of this Lease, effective as of the date of said occurrence.

Partial Damage or Destruction

10.3 If the Leased Premises should be damaged by fire, tornado, or other casualty, but not to such an extent that rebuilding or repairs can not reasonably be completed within thirty (30) working days from the date of the occurrence of the damage, this Lease shall not terminate, but Lessor shall, if the casualty has occurred prior to the final twelve (12) months of the lease term, at Lessor's sole cost and risk proceed forthwith to rebuild or repair the Leased Premises to substantially the condition in which they existed prior to such damage. If the casualty occurs during the final twelve (12) months of the lease term, Lessor shall not be required to rebuild or repair such damage and this Lease shall terminate and rent shall be abated for the unexpired portion of the Lease, effective as of the date of said occurrence. If the Leased Premises are to be rebuilt or repaired and are untenantable in whole or in part following such damage, the rent payable hereunder during the period in which they are untenantable shall be adjusted equitably. In the working days from the date of the occurrence of the damage, Lessee may at its option terminate this Lease by written notification as such time to Lessor, whereon all rights and obligations hereunder shall cease.

ARTICLE 11. CONDEMNATION

Total Condemnation

11.1 If during the term of this Lease all of the Leased Premises should be taken for any public or quasi-public use under any governmental law, ordinance, or regulation, or by right of eminent domain, or should be sold to the condemning authority under threat of condemnation, the

DRAFT

Lease shall terminate, and the rent shall be abated during the unexpired portion of this Lease, effective as of the date of the taking of the Premises by the condemning authority.

Partial Condemnation

11.2 If less than all, but more than ten percent (10%) of the Leased Premises is taken for any public or quasi-public use under any governmental law, ordinance, or regulation, or by right of eminent domain, or should be sold to the condemning authority under threat of condemnation, Lessee may terminate the Lease by giving written notice to Lessor within thirty (30) days after possession of the condemned portion is taken by the entity exercising the power of condemnation.

If the Leased Premises are partially condemned and Lessee fails to exercise the option to terminate the Lease under this section, or if less than ten percent (10%) of the Leased Premises are condemned, this Lease shall not terminate, but Lessor may, at its sole expense, restore and reconstruct the building and other improvements situated on the Leased Premises to make them reasonably tenantable and suitable for the uses for which the Premises are Leased. The rent payable under Sections 2.1 of this Lease shall be decreased equitably during the period of such restoration or reconstruction.

Condemnation Award

11.3 Lessor and Lessee shall each be entitled to receive and retain such separate awards, and portions of lump sum awards, as may be allocated to their respective interest in any condemnation proceedings. The termination of this Lease shall not affect the rights of the respective parties to such awards.

ARTICLE 12. DEFAULT

Default by Lessee

DRAFT

12.1 If Lessee shall allow the rent to be in arrears more than ten (10) days after written notice of such delinquency, or shall remain in default under any other condition of this Lease for a period of fifteen (15) days after written notice from Lessor, Lessor may at its option, without notice to Lessee, terminate this Lease or, in the alternative, Lessor may re-enter and take possession of the Premises and remove all persons and property without being deemed guilty of any manner of trespass and relent the Premises, or any part of the Premises, for all or any part of the remainder of the Lease term, to a party satisfactory to Lessor and at such monthly rental as Lessor may with reasonable diligence be able to secure. Should Lessor be unable to relent after reasonable efforts to do so, or should such monthly rental be at a commercially reasonable rate which is less than the rental Lessee was obligated to pay under this Lease, or any renewal of this Lease, plus the expense of reletting, then Lessee shall pay the amount of such deficiency plus reasonable attorney's fees to Lessor.

Default by Lessor

12.2 If Lessor defaults in the performance of any terms, covenants, or conditions required to be performed by it under this Lease, in addition to other remedies afforded Lessee under this Lease or at law, Lessee may, following reasonable Notice to and opportunity to cure by Lessor, elect to vacate the Premises, in which case it shall be discharged from further payment of rent, the performance of all other terms and conditions of this Lease, and this Lease shall terminate as of the date Lessee vacates the Premises and any rental shall be abated for the unexpired term of this Lease.

Cumulative Remedies

12.3 All rights and remedies of Lessor and Lessee under this Article shall be cumulative,

DRAFT

and none shall exclude any other right or remedy provided by law or by any other provision of this Lease. All such rights and remedies may be exercised and enforced concurrently and whenever, and as often, as occasion for their exercise arises.

Waiver of Breach

12.4 A waiver by either Lessor or Lessee of a breach of this Lease by the other party does not constitute a continuing waiver or a waiver of any subsequent breach of the Lease.

ARTICLE 13. ASSIGNMENT AND SUBLETTING

Assignment and Subletting by Lessee

13.1 Lessee may not sublet, assign, encumber, or otherwise transfer this Lease, or any right or interest in this Lease or in the Leased Premises or the improvements on the Leased Premises, without the written consent of Lessor. If Lessee sublets, assigns, encumbers, or otherwise transfers its rights or interest in this Lease or in the Leased Premises or the improvements on the Leased Premises, other than as specified herein, without the written consent of Lessor, Lessor may, at its option, declare this Lease terminated and Lessee and Lessor shall have no further obligation to each other under this Lease. In the event Lessor consents in writing to an assignment, sublease or other transfer of all or any of Lessee's rights under this Lease, the assignee or sub-lessee must assume all of Lessee's obligations under this Lease, in which event Lessee shall be released from its obligations under the Lease. Lessor's consent under this section will not be arbitrarily or unreasonably withheld.

Assignment by Lessor

13.2 Lessor may assign or transfer any or all of its interests under the terms of this Lease.
