RE: L J Drainage Project Parcel # 8-A  
Being a 1.32 acre tract of land out of the East 10-ac  
lot 8 Block 49 Alamo Land & Sugar Co. S/D

Dear Sir,

The Commissioners' Court of Hidalgo County has authorized me to make an offer of \$ 27,045.00 for the property to be acquired under the above captioned parcel for right of way purposes in connection with the LJ Drainage Project.

### BREAKDOWN

Land 1.084 acres	@ \$ 22,500 per acre (As Fee Simple)	\$ 24,390.00
Land 0.230 acres	@ \$ 11,250 per acre (As Easement)	\$ 2,655.00

**TOTAL OFFER** **\$ 27,045.00**

*SRJ*  
*29,500*

We would appreciate if you took the time to review the package of information sent. If this offer is not accepted or feel that you may need additional time to consider the offer, please contact our office, otherwise, within ten working days from the date receipt of this letter, condemnation proceedings will be instituted for the acquisition of right of way. Thereafter, the County Court at Law will appoint three disinterested freeholders to serve as Special Commissioners, a date will be set for the hearing and you will be notified of the time and place set for the hearing at which the Special Commissioners will hear the evidence presented and arrive at an award at which will be filed with the court. The Commissioners' Court may then deposit the amount of the award, at which time the County of Hidalgo may take possession of the property involved. If either you or the Commissioners' Court is dissatisfied with the amount of the award, objections may be filed within the time prescribed by law, and the case subsequently tried before the County Court at Law as in other civil cases.

Should you have any questions or comments, please feel free to contact me at (956) 283-8134 Ext. 2407.

Sincerely yours,

**REAL ESTATE APPRAISAL REPORT**  
 TEXAS DEPARTMENT OF TRANSPORTATION

Address of Property: Located along the north line of Minnesota District Pharr  
 Road, west of Tower Road, Hidalgo ROW CSJ: N/A  
 County, Texas.

Property Owner: Texas State Bank, Custodian FBO Gary Parcel: 8A (Revised 10/06/09)  
 L. Jackson IRA

Address of Property Owner: P.O. Box 4797 McAllen, Texas Federal Project No: N/A  
 78502-4797

Occupant's Name: NA

Whole:  Partial:  Acquisition Highway: LJ Drainage Project County: Hidalgo

**Purpose of the Appraisal**

The purpose of this appraisal is to estimate the market value of the fee simple title to the real property to be acquired, encumbered by any easements not to be extinguished, less oil, gas and sulphur. If this acquisition is of less than the whole property, then any special benefits and/or damages to the remainder property must be included in accordance with the laws of Texas.

**Market Value**

Market value is defined as follows: "Market Value is the price which the property would bring when it is offered for sale by one who desires, but is not obliged to sell, and is bought by one who is under no necessity of buying it, taking into consideration all of the uses to which it is reasonably adaptable and for which it either is or in all reasonable probability will become available within the reasonable future."

**Certificate of Appraiser**

I hereby certify that, it is my opinion the total compensation for the acquisition of the herein described property is \$27,045.00 as of July 24, 2009, based upon my independent appraisal and the exercise of my professional judgment; on July 24, 2009 FBO Gary L. Jackson IRA, the property owner or the representative of the property owner, the opportunity to accompany me at the time of the inspection. The comparables relied upon in making said appraisal were as represented by the photographs contained in the appraisal report and were inspected on May 4, 2009 (date)(s), I have not revealed and will not reveal the findings and results of such appraisal to anyone other than the proper officials of the County of Hidalgo or officials of the Federal Highway Administration until authorized by County officials to do so, or until I am required to do so by due process of law or until I am released from this obligation by having publicly testified to such findings; and, my compensation is not contingent upon the reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the value estimate, the attainment of a stipulated result or the occurrence of a subsequent event.

I certify to the best of my knowledge and belief that the statements of fact contained in this report are true and correct; the reported analyses, opinions and conclusions are limited only by the reported assumptions and limiting conditions, and are my personal, unbiased professional analyses, opinions and conclusions; I have no present or prospective interest in the property that is the subject of this report, and I have no personal interest or bias with respect to the parties involved; and, my analyses, opinions and conclusions were developed, and this report has been prepared in conformity with the appropriate State laws, regulations, and policies and procedures applicable to the appraisal of right of way for such purposes, and that to the best of my knowledge no portion of the value assigned to such property consists of items which are noncompensable under the established law of said State, and any decrease or increase in the fair market value of subject real property prior to the date of valuation caused by the public improvement other than that due to the physical deterioration within the reasonable control of the owner has been disregarded in estimating the compensation for the property.

### **Certificate of Appraisal**

This appraisal report conforms to the Uniform Standards of Professional Appraisal Practice (USPAP) as adopted by the Appraisal Standards Board of the Appraisal Foundation. The subject property was analyzed utilizing the Cost Approach to value which is a Sales Comparison Approach to the subject as if vacant and includes the estimated depreciated market value of real estate improvements located within the part to be acquired. This is further explained within each section of the appraisal report.

### **Identification of Client & Intended User of Appraisal Report**

The client for this report is identified as Hidalgo County Precinct No. 2 under the direction of Honorable Hidalgo County Commissioner Hector "Tito" Palacios. Commissioner Palacios and others which would be involved with the acquisition of said proposed right-of-way. The part to be acquired is for the expansion and improvement of an existing drainage canal with the project limits: Being an area of land located between Owassa Road and Minnesota Road, from Cesar Chavez Road to east of Tower Road, in Hidalgo County, Texas.

The intended use of the report is to assist Lupe Rodriguez, Right-of-Way Agent and others involved with the project, for future negotiations of acquiring a portion of said property as fee simple in the name of the County of Hidalgo. This report is not intended for any other use, unless specified by the client. The clients have identified that the report shall be a limited restricted appraisal report, which is to conform with the ROW-A-6 Form Rev. 7/2004. The intended user of the report is defined as Hidalgo County Precinct No. 2 and may include other governmental entities which may be participating in the project. Lupe Rodriguez is the right-of-way agent of which has a local office located at 509 E Earling Road, San Juan, Texas. Lupe Rodriguez, Right-of-Way Agent of the Hidalgo County Right-of-Way Department, shall be the project manager for this project under the direction of Commissioner Hector "Tito" Palacios. Mr. Rodriguez can be contacted at (956) 283-8134.

### **Scope of the Assignment**

By work order dated July 7, 2009, on behalf of Hidalgo County Precinct No. 2, Lupe Rodriguez, requested for Leonel Garza Jr. & Associates LLC to prepare an appraisal report of the part to be acquired as described by survey and metes and bounds created by R. Gutierrez Engineering Corporation located at 130 E. Park Avenue, Pharr, Texas. The scope of the assignment is to appraise the area as fee simple, to be acquired as indicated by the survey as of the date of on-site or off-site inspection as permitted by the owner of record. Market sales within the market area and comparable market areas are to be identified and analyzed for comparability and for their reliability in determining the estimated market value of the subject property. The comparables have been collected, confirmed and analyzed with respect to comparability to the subject property. These comparable sales were gathered through various sources which included the Greater McAllen Multiple Listing Service, local Realtors & Brokers, Real Estate Appraisers, and conversations with various owners along the project. The appraisal report shall indicate the current market value of the subject property as per date of on-site and or off-site inspection. This inspection is limited by the permissibility of the subject owner as per date of report. A copy of a certified letter of intent to inspect said property is located within the addenda of this appraisal report. In the event an on-site inspection was not permitted, the appraiser continued the inspection off-site along existing road Owassa Road.

**Purpose of the Appraisal Report**

This appraisal is prepared for the purpose of estimating the current market value of the fee simple estate of the subject property in order to determine the value of the proposed right-of-way to be acquired by the Hidalgo County Precinct No. 2, as defined within this report. This appraisal does not include any enhancement in value resulting from items of intangible personal property such as marketing and management skill, an assembled work force, working capital, trade names, franchises, patents, trademarks, contracts, leases (mineral and or ground lease), or operating agreements and project influence (if any exist). The area to be acquired may contain personal property items and or real estate items, which may be compensable for the purpose of right-of-way acquisition only. These items deemed compensable shall be included within the body of the report and itemized for clarity. Any improvements not located within the part to be acquired and outside of the permissibility of inspection as defined by the subject owner, shall be given a stated value based on the assessment established by the corresponding Appraisal District and or by off-site estimation by appraiser as they are not affected by the acquisition.

**Property Rights Appraised**

The property rights being appraised in this report consist of the fee simple estate of the subject property. Fee Simple Estate is defined by the Dictionary of Real Estate Appraisal, Fourth Edition, copyright 2002, page 113, by the Appraisal Institute as being: "Absolute ownership unencumbered by any other interest or estate, subject only to the limitations imposed by the governmental powers of taxation, eminent domain, police power, and escheat."

**Accessibility To Subject Property**

The owner of record of the subject property, as per the Hidalgo County Appraisal District was sent a letter of intent to inspect the subject property. The letter afforded the property owner the opportunity to accompany the appraiser during the on or off-site inspection of the subject property. A copy of the certified letter is located within the addenda of this report. In the event no written or verbal permission was granted to the office of Leonel Garza Jr. & Associates LLC prior to date of inspection, the inspection proceeded off-site along existing road right-of-way. The property owner shall reserve the right to contact this office after the date of inspection for an additional on-site inspection in their presence.

**Analysis of Subject As A Whole**

A survey of the property owners entire tract was not performed as the part to be acquired incorporates a portion of land located along northern property boundary of the subject property and does not affect the remainder of the tract in the remainder after state. As per scope of the assignment, the subject property shall be analyzed based on the combined information of several sources including, the survey provided, on-site and or off-site inspection, personal interviews, and information gathered from the local appraisal district. The property was analyzed based on the whole property less any existing road right-of-way. Based on the inspection of the subject property and the evaluation of the subject as a whole, the remainder shall not be affected by the part to be acquired and therefore shall not be included within the valuation of this report.

**Economic Unit Analysis**

The subject property shall be analyzed based on a 10.0 acre tract of land as described by survey. Any existing road right-of-way indicated along Minnesota Road shall be excluded as per scope of the assignment. The area for the subject property as a whole is indicated as per survey provided by R. Gutierrez Engineering Corporation dated July 6, 2009. The comparable sales used for the analysis of the subject property as whole and as the partial acquisition indicated a range of economic units of 7.47 acres to 15.01 acres. These indicated economic unit values are used for the valuation of the proposed acquisition as the part to be acquired does constitute an economic unit. Therefore, the pro-rata part of the whole is applied as the market valuation of the whole.

**Part To Be Acquired**

The proposed acquisition is comprised of fee land in which the net land area to be acquired is 1.320 acres (57,499 square feet) of which of 0.236 acres is encumbered by an existing H.C.I.D. No. 2 Irrigation easement, leaving a net 1.084 acres (47,219 square feet) of land owned in fee simple. The proposed acquisition is located along the northern property line of the subject property which fronts along Minnesota Road of which access will not be inhibited. The proposed acquisition has approximately 330.00' lineal feet of frontage along the southern side of a drainage canal located along the northern boundary of the subject property. The proposed acquisition, which is the subject of this report, shall be evaluated as a whole as determined by the approaches to market value selected. The subject shall be valued based on the highest and best use as a residential use tract of land, which is based on the local market trends along Minnesota Road. This highest and best use is further explained on page 1.4 of this report.

<b>To Be Acquired</b>	<b>1.3200 Acres</b>
	<b>57,499 S.F.</b>

### **Legal Description of the Part To Be Acquired**

A 1.320 acre tract of land out of the East 10.0 acres of Lot 8, Block 49, Alamo Land & Sugar Company's Subdivision, Hidalgo County, Texas, as recorded in Volume 1, Page 24 - 26, Map Records, Hidalgo County, Texas.

### **Remainder Before and After Acquisition**

The remainder before and after the acquisition is defined as the partial acquisition subtracted from the whole property which is described as the subject property. It is determined at the time of appraisal whether or not damages to the remainder are caused by the proposed part to be acquired. The highest and best use of the subject property before and after the proposed partial acquisition is analyzed to determine whether or not the use of the subject property will be altered as a result of the proposed part to be acquired. After a review of the remainder after the acquisition, no damages to the remainder were indicated.

### **Property Tax Information**

This appraiser has examined the property tax information indicated by the Hidalgo County Appraisal District (HCAD) as of the date of appraisal and has found that the subject property is under the ownership of Texas State Bank, Custodian FBO Gary L Jackson IRA. The part to be acquired was identified as the subject whole property which contained tax an agricultural use value being \$4,190.00. The indicated assessed value for ad valorem tax purposes is \$4,190.00. The property taxes for the subject appear to be current, however, further research with the Hidalgo County Tax Office shall be required to confirm any outstanding tax liabilities attributable to the subject property.

### **General Site Assessment Statement**

This appraiser has made an off-site inspection of the subject property, and no obvious adverse environmental concerns or potentially hazardous materials were observed. This appraiser is not qualified to make a detailed environmental study and highly recommends that an inspection be made by a qualified environmental engineer if an environmental concerns exists. Leonel Garza Jr. & Associates LLC has performed this appraisal report under the hypothetical condition and extraordinary assumption that the subject property has not experienced any adverse environmental concerns which may influence it's marketability and or value. A survey of the remainder of the subject property was not provided nor necessary due to the acquisition size of the partial acquisition. The extraordinary assumption that no adverse easements nor encroachments are located within the subject property which would affect the value of the whole. The subject property was observed that the property is generally level and typical of the surrounding market area. No severe low lying areas were observed, however, this appraiser is not an engineer and cannot certify to the topography nor drainage of the subject property.

### **Utility Services Available**

The subject property is located in a region, which contains, water, water wells, electricity, and phone service, which is typical of the market area.

### **Identification of Personal Property**

As per scope of the assignment, no personal property located within the proposed right-of-way and the remainder before and after the taking shall be included for compensation, unless it was determined by the appraiser that these item shall be affected or damaged by the proposed taking. In the event the selected items are determined to be compensable, then they shall be included within the cost approach section of this report. A value which shall be either the cost to cure and or the cost of replacement shall be delineated for each item for clarity.

### **Current Listing Status**

Based on the off-site inspection of the subject property no visible "For Sale" signs were located on-site indicated the subject property listed for sale. Additional research was conducted with local Realtor's® Multiple Listing Services and the subject property was not listed.

### **Estimated Marketing Time Period**

The indicated marketing period is based on the marketing periods of the comparable sales used in the Sales Comparison Approach and the surrounding sales found. Based on the research performed, a twelve (12) to twenty-four month (24) marketing time period appears to be adequate. This time period was selected after a review of multiple land sales within the Edinburg, San Juan and Alamo markets. The analysis included the indicated "DOM" Days on Market as shown on the McAllen Multiple Listing Service which provides local Realtors an avenue to advertise properties located in the Rio Grande Valley, with its primary focus on properties within Hidalgo County.

### **Exposure Time**

Exposure time is defined as the "length of time the property interest being appraised would have been offered on the market prior to the hypothetical consummation of a sale at market value on the effective date of the appraisal." Based on research performed within the market area, an indicated twelve (12) to twenty-four month (24) exposure time is indicated for the subject property. This was estimated based on current and past listings located within the market area which were reviewed during our sales search for comparables similar to the subject property.

### **Statement of Highest & Best Use**

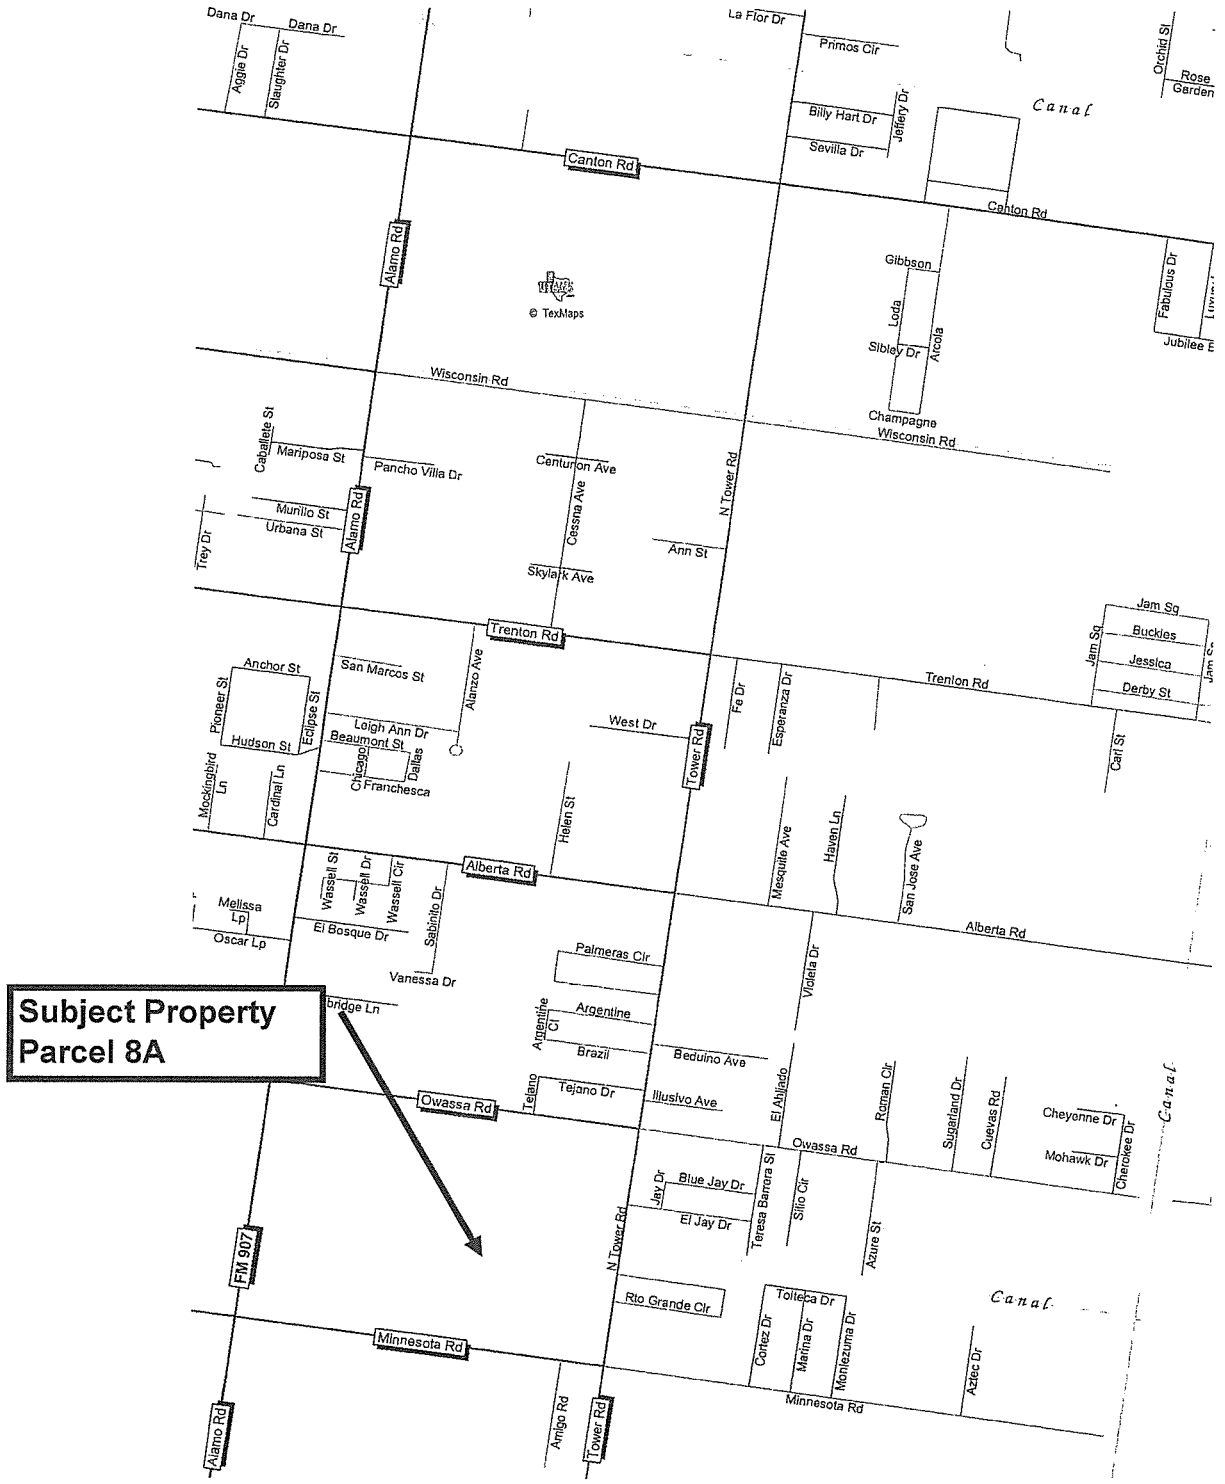

The subjects highest and best use as vacant and as if improved is indicated for single family residential development use. This type of use is concurrent with the recent trends located along Minnesota Road within Hidalgo County and nearby municipalities to the project including the City of Edinburg and the City of Alamo. This highest and best use is based on the determined economic unit of the subject property as whole which is being acquired in the name of the County of Hidalgo, Texas.

When a property is evaluated, the highest and best use must always be considered. In the current case, the highest and best use of the whole is determined to be for single family residential development use based on several factors. Factors taken into consideration are defined by The Dictionary of Real Estate Appraisal, Fourth Edition, copyright 2002, page 135, by the Appraisal Institute as being: "The reasonably probable and legal use of vacant land or an improved property, which is physically possible, appropriately supported, financially feasible, and there results in the highest value. The four criteria the highest and best use must meet are legal permissibility, physical possibility, financial feasibility, and maximum productivity."

The scope of the assignment is to evaluate the subject property as a whole, part to be acquired and the remainder before and after the acquisition, excluding project influence as required by Standards Rule 1-4(f) under the Jurisdictional Exception provision as defined by the Uniform Standards of Professional Appraisal Practice (USPAP). The highest and best use is analyzed for each of these scenarios as each parcel shall be evaluated before and after the proposed acquisition if applicable. In order to determine the highest and best use, research was performed within Hidalgo County with the corresponding municipalities located near the subject property. Since the subject lies within the jurisdiction of the County of Hidalgo, Texas municipal zoning ordinance restrictions are not applicable to the subject as per date of appraisal. This office shall evaluate the subject properties based on the continuing trend along Minnesota Road and should continue its use before and after the proposed right-of-way acquisition. Therefore, the highest and best use of single family residential development "as vacant" and "as if improved" would therefore be legally permissible as of the date of this report.

The financial feasibility and maximally productive use of the subject property is based on the growth trends along Minnesota Road include agricultural, grazing, residential, and small retail developments. Based on the stable growth along Minnesota Road and nearby Tower Road and Alamo Road, it is estimated that the subject can be financially feasible to contain residential development "as vacant" and "as if improved". This determination of financial feasibility and productivity is also attributed to the remainder before and after the acquisition which will not be affected nor damaged as a result of the part to be acquired. After careful review of the four approaches to the highest and best use test, it is concluded that the subject property "as vacant" and "as if improved" shall be for single family residential development use. This conclusion is correlated to the subject property as a whole and selected economic unit.

FIELD NOTES FOR PARCEL – 8A

Being a 1.32-acre tract of land out of the East 10-acres of Lot 8, Block 49, Alamo Land and Sugar Company's Subdivision, Hidalgo County, Texas, as per map recorded in Volume 1, Pages 24~26, Map Records of Hidalgo County, Texas. Said 10-acre tract is vested to: Texas State Bank as Custodian for the benefit of Gary L. Jackson IRA, from John E. Christian and wife, Norma Christian, by virtue of a Warranty Deed, dated November 30, 2000, recorded in Document No. 928513, Official Records of Hidalgo County, Texas. Said 1.32-acre tract of land being more particularly described by metes and bounds as follows;

Beginning at a No. 4 rebar set at the Northeast corner of Lot 8, for the Northeast corner and the **POINT OF BEGINNING** of this tract of land;

1. **THENCE**, South 08 degrees 31 minutes 51 seconds West, with the East line of said Lot 8, a distance of 174.42 feet to a No. 4 rebar set at the Proposed South Right of Way line of L.J. Drainage Lateral, for the Southeast corner of this tract of land;
2. **THENCE**, North 81 degrees 25 minutes 01 seconds West, with the Proposed South Right of Way line of said L.J. Drainage Lateral, a distance of 330.00 feet to a No. 4 rebar set at the West line of said 10.0-acre tract, for the Southwest corner of this tract of land;
3. **THENCE**, North 08 degrees 31 minutes 51 seconds East, with the West line of said 10.0-acre tract, a distance of 174.12 feet to a No. 4 rebar set at the North line of said Lot 8, for the Northwest corner of this tract of land;
4. **THENCE**, South 81 degrees 28 minutes 09 seconds East, with the North line of said Lot 8, a distance of 330.00 feet to the **POINT OF BEGINNING**, containing 1.32-acres, of which 0.236-acres lies in the Existing Hidalgo County Irrigation District No. 2 Easement, leaving a **Proposed Net Taking** of 1.084-acres of land, more or less.

I, Pablo Soto, Jr., a Registered Professional Land Surveyor in the State of Texas, do hereby certify the above metes and bounds are true and is the result of an actual survey performed on the ground under my direction.
