Ms. Marty-

Per Dannenbaum's review and response (see email below) in regards to the attached "Draft Agreement", they have suggested minor corrections and/or modifications.

I have corrected the minor things like adding **-McAllen, LLC** after the name **Dannenbaum Engineering Company** and minor typos. However, I did not change one specific modification as requested by DEC, due to our standard language and terms for all or most of our existing agreements with language that states and as indicated under the attached "FINAL Agreement" --- **#14 (c) terminated without cause by County subject to thirty (30) days written notice prior to cancellation. DEC, however has requested for me to add that "either party may terminate without cause"**.

Please advise if am correct in leaving it under our required standard terms or advise if it is ok to include DEC as also being able to terminate without cause.

**Note: I have already placed on the next CC agenda for approval with only the minor corrections.**

Thanks.

Letty -

*We have reviewed the attached service contract and have made a few minor changes. Since I did not have the working 'Word' file, I made the changes to the PDF by adding 'sticky notes". Please review and/or revise and send back to me for final approval.*

*Thank you.*
