Your summary of the cost is correct.

Please call or e-mail as needed. My e-mail doesn't presently go to my phone, so please call if I don't respond to e-mail promptly.

Thanks again,

Mitch Hudgins

Mr. Hudgins-

Per our telephone conversation, I have advised that as per directive of Mr. Marcos Lopez (Pct 4), it is recommended we enter into a professional services agreement with the term of an initial **one (1) year with the County's option to renew/extend four (4) one (1) year term.**

However, as discussed, we are requesting you confirm your cost proposal as submitted and stated as a **ONE TIME FEE of \$16,500** for (Evaluation of Historical Groundwater Data) and an **ANNUAL COST at \$27,800** as further broken down and described as follows:

Ground water for each	-	semi annual cost (\$8,000)	-	\$16,000.00
Laboratory Analytical cost	-	per ground water monitoring (\$3,900)	-	\$ 7,800.00
Annual Report cost	-		-	\$ 4,000.00
		<b>Total Annual Cost</b>	<b>-</b>	<b>\$ 27,800.00</b>
Evaluation of Historical Groundwater Data	-	<b>**ONE TIME FEE**</b>	-	<b>\$ 16,500.00 (NOT TO EXCEED)</b>

Please confirm this cost proposal by no later than 10:00 a.m., Thursday, May 12, 2011, so we can further proceed with approval of a professional services agreement.

Thank you for your prompt attention and cooperation to this important matter.

Hello Ms Saenz,

I contacted my insurer and asked them to modify the certificate to indicate:

Insured    George M. "Mitch" Hudgins  
              dba Modern Technology-  
              Modern Environment  
              548 Naples St  
              Corpus Christi, TX 78404

I think that will tie everything together. I will send the revised form as soon as I get it. Hopefully, this afternoon.

Thanks,

Mitch Hudgins
