SECTION 28. MARKET VOLATILITY AND UNIT PRICE ADJUSTMENTS

Hidalgo County recognizes that during periods of national crisis and unstable economic conditions, unforeseen price increases might affect costs for goods and services contracted on an annual basis. The following procedure may be employed to mediate price volatility:

- A. Requesting Price Adjustment:** Upon written request of the CBDO to the County Purchasing Agent, the County may review evidence of prevailing industry-wide market conditions that warrant an adjustment in bid prices contained in the contract.
- A CBDO must tie any price change clause to an industry-wide or otherwise nationally recognized index, or some other form of verifiable document. Such written request must be accompanied by a certified copy of the supplier's advisory or notification to the CBDO of the price changes.
 - The CBDO must put the Purchasing Agent on the mailing lists for such publications so that the Purchasing Agent can monitor said changes. Such membership shall be at no cost to the County.
 - The County Purchasing Agent retains the right to determine whether or not such proposed price changes are in the best interest of the County.
 - No price escalation will be authorized in excess of the amount of the increase referred to in the supplier's notice.
 - The County may only grant a price increase if the evidence presented is deemed reliable. Should the County allow a price increase, the approved price change shall be honored for all orders received by the CBDO or contractor after the effective date of such price change. Approved price changes are not applicable to orders already issued and in process at time of price change.
- B. Price Reduction:** CBDO shall notify the County at the time when the CBDO's costs for items and/or supplies reduce due to stabilization in the market at which time prices for items on this contract shall be reduced accordingly. Failure by the CBDO to notify the County of a decrease in costs for items and/or supplies for which the CBDO was granted a price adjustment, may result in immediate termination of this contract and the County shall not be obligated to pay the CBDO the difference between the contract price and the price adjustment.
