Marty,
Here are the revised agreements from Arbitrage Calculation Services as modified accordingly to legal's comment on the "law and venue clause" for legal's review.

Thank you

Doug,
Please review legal's response to the

PLEASE SEND ANY INFORMATION REQUESTED TO OUR HEADQUARTERS
revision of the agreements and resubmit again with the exact information as requested by the County's Legal, which is:
"This Agreement shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Hidalgo County, Texas. The parties hereby consent to personal jurisdiction in Hidalgo County, Texas."

I really need to tie up this project and the process has been lingering on due to legal's comments in obtaining the agreements to be compliant accordingly to the RFQ requirements/specifications. I appreciate your assistance on this latest comment from our legal in order to proceed in finalizing this project.

Thank you

The word "performable" is a legal term in Texas meaning venue is in Hidalgo County. The language I gave must be in the agreement. After you have revised the agreement please send to us for final review.

Marty,

Attached with the revisions as requested by legal are the letters of engagement from “Arbitrage Compliance Specialists Inc.”. One is for the County and the other one is for the Drainage District along with the Best And Final Offer for both. Legal’s comment back on May 27, 2011 was to “Add that the agreement is to be construed under and in accordance with Texas law and is performable in Hidalgo County Texas” (see Doug’s response to legal’s comment).

As for the insurance, I’ve been informed that it will be either faxed and or emailed by today. Other than this, please forward to legal for review on revised documents in order to proceed forward with the rest of the process.

Thank you
