Sounds good. Please get approval from Raul Lozano and Commish on the naming of the Road to Prado SR since the road is private and we are not taking it over for maintenance.

Gentlemen,

After speaking to Oscar Garza from 911 – he stated the following (see below) hope this resolves this issue.

Thanks

Manny, if the county is going to maintain this private road, you can name it Prado Ln. If not then the name would be Prado SR, this way if the county does decide to maintain the road they can change it to Prado Ln.
