Mr Segin,

Thank you for promptly returning my call today May 4, 2011.

Per our conversation earlier today, regarding the road at the south end of Tower Rd, I am sending some of the items in my file that might be helpful.

All the sons shown on the plat are Prados. The daughters are Evangelina Ortega and Maria Hart. I have only 3 Warranty deeds. One for Aurelio Prado (my husband), Jose Prado and Evangelina (Prado) Ortega

Also attached, a list of the owners names and addresses in a letter from the Santa Ana Wildlife Refuge during my negotiations to sell the properties to them in 2008.

I have a Tax ID 111256....probably from my husband's lot. May be helpful in locating if you need it.

The name I am proposing is "PRADO LANE". Please review and send any forms or instructions or questions.

Thanks,

Joyce Prado
