Oscar Montoya, Emergency Management Coordinator

From: Jaime R. Longoria, Assistant Chief Administrator, Hidalgo County Judge's Office

Re: Application Texas Land Reclamation, LLC

Date: June 6, 2011

All:

The Judge's Office has been asked to prepare a letter stating that the attached organization has met all county requirements necessary to operate a scrap tire processing facility within the ETJ of the City of Donna. Please review the attached documentation and ensure that this indeed is the case for each of your departments. The application is time sensitive so please expedite your review. Please initial and date below to indicate your review. Thanks..
