Subject: LAN Schedule Extension - Revision to Amendment #2
Date: Wednesday, July 27, 2011 9:52:43 AM

Good morning Cris,

Lockwood, Andrews & Newnam (LAN) have completed the Commuter Rail Feasibility Study and it has been approved by the Hidalgo County Commuter Rail District. The extension, however, is needed to give Commissioners' Court time to review the study and provide input prior to final approval by Commissioners' Court. We don't anticipate this taking more than a few weeks, but just be make sure there is enough time, we have asked LAN to revise their schedule to show final review by Commissioners' Court through the end of September.

Feel free to contact me if you have any additional questions or if I may be of assistance.

Have a nice day,

erika g Reyna
