There will need to be a provision allowing the County to terminate the agreement upon 30 days written notice. That way you can re-negotiate your agreement if the cost changes.

You can make changes along those lines but that would make it a letter of understanding and not necessarily an invoice (since the total amounts are open ended). I would take that language out. For the County to be obligated, requiring County Judge's signature, you could change the language to read "the County of Hidalgo by and through the Hidalgo County Health and Human Services Department "HCHSD").

Good Afternoon Josie,

Would you please review the attached letter and see if it is ok to change the second paragraph to
reads as follows; WHEREAS The School District shall pay HCHHSD a fee of \$10.00 per employee;
for each year the classes are being instructed by the HCHHSD Health Inspectors. Total amount will
depend on the number of students in each class.

Also on item 4; School District agrees that HCHHSD shall charge and collect the following fee of
\$_____ for _____ employees.

If we make these changes this will help to avoid going back to Commissioners Court each year
unless the fees change. Please advice us if these changes are possible and what else you may
recommend. I know this is late but if we can get a respond by tomorrow to submit to Commissioners
Court for next week, would be great.

Thanks,

Sandra Garza
