Marty,

These just look like the price agreements. I don't have a problem with that.

Mrs. Solis:

As you may be aware the Public Service Announcements began today using the television media. However, most TV stations require these contracts attached along with the purchase order. Please review and comment as to form. I will attempt to place them on next week's agenda for action along with a credit application form also required.

Respectfully,

Marty

Hi Maty,

Please find the six contracts attached. As mentioned in our phone conversation, all stations require the contracts to be signed before they can continue with the PO approval.

Please advise.

Thank you,
