RE: Bid No.: 5009-91-0311-5000-9100-UCP-GVG
2009 Precinct No. 1 - Street Improvements - Solar Light Project
Bid Award Recommendation

Dear Ms. Garcia:

TEDSI Infrastructure Group has reviewed the Bid tabulations for the above referenced project. Three bids were submitted and received by the Hidalgo County Urban County Program:

- **Metro Electric, Inc.** submitted a total bid of **\$139,945.00** (base plus alternate bids). **Metro Electric, Inc.** provided the lowest unit price on base bid and also on alternate bids.
- **Sol Technologies LLC** submitted a total bid of **\$149,978.00** (base and alternate bids). There were discrepancies in the addition of base plus alternate bids. Corrections did not impact apparent low bid.
- **Texas Diamond Construction** submitted a bid with a total of **\$99,400.00** for base bid only. No bids were submitted for alternate bids.

Amount available for construction funds of solar light project is \$125,000.00. Recommended low bid will be the one that provides the greatest amount of assemblies based on construction funds.

Metro Electric, Inc. bid for base bid + Add Alternate 1, 2, 3 and 4 is \$119,638.00.

Sol Technologies LLC bid for base bid + Add Alternate 1, 2, 3 and 4 is 129,464.50.

Texas Diamond Construction bid for base bid + Add Alternate 1, 2, 3 and 4: no bid

TEDSI Infrastructure Group recommends that the Hidalgo County Urban County Program considers and accepts the bid submitted by **Metro Electric, Inc.** and prepares to enter into a binding contract (Base bid + Add Alternate 1, 2, 3 and 4) to perform the work for this Project. Enclosed is a Tabulation of Bids illustrating the bids submitted on this Project by the contractors.

Should there be any questions or concerns, please do not hesitate to contact us.

Sincerely,
TEDSI INFRASTRUCTURE GROUP INC.
