NOW THEREFORE, County and City in consideration of the mutual covenants expressed hereinafter, agree as follows:

**SECTION I
RULES AND REGULATIONS**

**SECTION III
TERMS AND CONDITIONS AND STATEMENT OF WORK**

City represents that it has read and understood the Sub-Recipient Agreement between the County and the TxDPS attached hereto as Exhibit "A" and as a condition of participating in the Grant, City agrees to comply with all terms and conditions required of entities accepting funds through an agreement and the City further agrees to perform services as outlined in the Statement of Work (**Exhibit "B"**) for and in consideration of reimbursement from County in an amount not to exceed Thirty Five Thousand Seven Hundred and Fifteen Dollars and 75/100ths (\$35,715.75) as delineated in the **City Grant Budget (See attached Exhibit "C") and cost Reimbursement Request Form (See attached Exhibit "D")**.

City agrees to notify County in writing and obtain from County written approval, prior to any proposed changes, delays or departures from the Statement of Work (See Exhibit "B") and the City Grant Budget (See Exhibit "C").

County shall not be liable for costs incurred or performances rendered by City before commencement of this Agreement or after termination of this Agreement and shall be responsible for reimbursement as described in the Statement of Work (See Exhibit "B") and the City Grant Budget (See Exhibit "C").

**SECTION IV
RECORDS AND REPORTS**

City agrees to establish and maintain all necessary records and reports that may be necessary for reimbursement from County of Grant funds, including but not limited to the Cost Reimbursement Form (See Exhibit "D") and Activity Log (See Exhibit "E").

City understands that it is solely the City's responsibility to keep all records and reports pertaining to Grant activity within their municipality in a manner acceptable to County. Failure to maintain records and reports may result in forfeiture of the City's designated Grant funds.

SECTION V MONITORING VISITS

City agrees to allow County to conduct on-site monitoring visits to assure compliance with applicable federal requirements, terms and conditions, and adequacy of timeliness of performance by City and those performance goals are being achieved, if applicable. City shall give Homeland Security, GDEM, TxDPS, the Comptroller General of the United States, County, County Auditor, and any of their duly authorized representatives, unobstructed and full access to and the right to examine all books, accounts, records, reports, files, and other papers, things or property belonging to or in use by City pertaining to this Agreement.

SECTION VI PAYMENT REQUESTS

City agrees to submit to the County Auditor's Office, a properly completed SSA/Division of Emergency Management Cost Reimbursement Request (See Exhibit "D") and all supporting documentation, including but not limited to General Ledger Reports, Payroll Distribution Reports, Time Sheets, Activity Logs (See Exhibit "E"), Copies of Invoices, and other related information whether or not requested by County on a monthly basis no later than the 15th of each month for the previous month. Each Cost Reimbursement Request shall be completed in the instructions included in the attached Exhibit "D".

City and County agree that all unused Grant funds at the end or termination of this Agreement will be reallocated or reprogrammed by County.

SECTION VII AUDIT REQUIREMENTS

City agrees to comply with the applicable requirements and standards as set forth in OMB Circular A-133, Audits of States, Local Governments and Non-Profit organizations.

If City expends Five Hundred Thousand Dollars, (\$500,000.00) or more in federal grant funds in the calendar year, City must, within nine (9) months from the end of the calendar year, supply County with an audit of revenues and expenditures conducted by a certified public accountant. If the City expends less than \$500,000.00 in federal grant funds in a calendar year, then it is exempt from the OMG Circular A-133 audit requirements for that year; however, records must be available for review or audit by appropriate officials of the federal agency, the General Accounting Office and County. If a City is exempt, City will provide to County a copy of City's Financial Statements for the most recent fiscal year ended. City must complete and provide to County a completed Exhibit "F" on or before nine months following the calendar year. If applicable, City agrees to cooperate with the County relating to any inquiries regarding

audits and City acknowledges that a Financial Audit shall be provided to County at the expense of the City. Audit information shall be available to County staff, and any and all applicable federal agencies.

SECTION VIII SUSPENSION AND TERMINATION

City understands that this Agreement may be suspended or terminated if City materially fails to comply with the provisions of this Agreement or the provisions so listed in attached Exhibits "A" through "F".

If City fails to fulfill in a timely and proper manner its obligations under this Agreement, or City violates any of the Agreements or stipulations of this Agreement, then the County shall provide City written notification such non-performance. Such non-performance may be the basis for immediate termination of this Agreement. **Should any breach by the City of this Agreement relate to a violation of federal law or regulation that results in GDEM (TxDPS) or Homeland Security demanding reimbursement from the County or the City or its successor, the County will terminate Agreement and seek reimbursement of all funds from City.** City shall not be relieved of the liability to the County for damages sustained by the County by virtue of any breach of this Agreement by City and County may withhold any payments to City for violations of state, local or federal regulations. Should the County become aware of any activity by City, which would jeopardize the County's position with Homeland Security, GDEM, (TxDPS) or any other state or federal agency, or which would cause a payback of federal funds, than the County may take appropriate action including injunctive relief against City to prevent the transaction as aforesaid. The failure of the County to exercise any right shall in no way constitute a waiver by the County to otherwise demand payment or seek any other relief in law or in equity to which it may be justly entitled.

It is expressly agreed that this Agreement may not be amended except in writing upon the joint action of the governing bodies of both the County and City.

SECTION IX ASSETS

City shall not purchase any asset unless so permitted by the County and such procurement shall be done in the form and manner so required by the County.

The requirements for real and personal property acquired with federal awards are contained in the Common rule of the Office of management and Budget (OMB) Circular A-102, "Grants and Cooperative Agreements with State and Local Governments." The Common Rule of OMB Circular A-102 has been adopted by reference in the Uniform Grant management Standards (UGMS). Recipients and sub-recipients of federal pass-through and other funds from state agencies are subject to the requirements of UGMS.

GMS requires grant recipients and sub-recipients to maintain property records, perform a physical inventory at least once every two years, reconcile results of the physical inventory to

property records, safeguard the property, maintain the property, and use proper sales procedures to ensure the highest possible return.

To comply with the federal and state requirements regarding property records, City is required to keep a separate inventory list of property acquired with grant funds. This inventory list should include a description of the property, a serial number or other identification number, the source of property, name of title holder, the acquisition date, cost of the property, percentage of federal or state participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property (Exhibit "F").

The disposition of any asset improved or acquired in part or in whole with Grant funds by the City during the Grant period or after expiration of the Grant period, must have prior written approval of the County and County shall be reimbursed for the asset, if sold, in the full amount of the fair market value of the disposed asset. Upon such reimbursement to the County, the city shall become the owner of such asset purchased or acquired through the Grant funds and shall be responsible for the care, maintenance and repair of same. This reimbursement process shall also be applicable and in full force and effect for any asset which is no longer used for its intended Grant purpose by the City at any time during the Grant period or after expiration of the Grant period.

SECTION X LIABILITY FOR DISALLOWED COSTS

The City understands and agrees that it shall be liable to County for any costs disallowed pursuant to financial and compliance audit(s) of City agreement funds. The City further understands and agrees that reimbursement to County of such disallowed costs shall be paid by the City from funds that were not provided or otherwise made available to City pursuant to this Agreement or any other federal contract.

SECTION XI INDEMNITY CLAUSE AND INSURANCE REQUIREMENT

City agrees to hold harmless the County its elected officials, officers, employees, consultants, or agents and to indemnify County's elected officials, employees, consultants or agents and to defend county against any and all claims brought against County by elected officials, officers, employees, or agents of City or brought by any third person arising in any manner directly or indirectly from City programs, activities or events conducted pursuant to this Agreement.

City shall acquire, maintain and furnish to County a Certificate of Insurance as proof that it has secured and paid for policies of public liability and automobile insurance to cover all operations and services under this Agreement with limits of not less than \$300,000.00 per occurrence, \$300,000.00 aggregate, covering all risks incident to or in connection with the execution, performance, attempted performance or non-performance of this Agreement. This requirement shall be to meet City's duty of indemnification under this paragraph.

SECTION XII PROCUREMENT

City agrees to conform to its own applicable purchasing laws, regulations, employment policies and procedures with respect to any purchases or employment in relation to the Grant and/or this Agreement.

SECTION XIII CONFLICT OF INTEREST

City covenants that neither its elected officials, officers, employees, consultants, nor agents who exercise influence on the decision-making process presently has or will have any interest, direct or indirect, with any person, corporation, company or association that is hired to carry out any of the activities funded by the Grant. City agrees that all elected officials, officers, employees, consultants or agents shall comply fully with the requirements of Texas Local Government Code Chapter 171.

City agrees that no person who is an elected official, officer, employee, consultant, or agent of the City's organization or the County's organization shall gain any interest in any corporation, company, or association that is hired to carry out any of the activities so listed in the attached Exhibit "A" during the Grant period or for a period of one (1) year thereafter.

City is responsible for repayment of funds associated with any conflict of interest that may occur either knowingly or unknowingly.
