RE: Pipes-(Reinforced Concrete Tongue and Groove,
Rubber Gasket Joint Concrete pipes, Inlets & Manholes
2011-243-09-028-YSI

Dear Mrs. Salazar,

We have reviewed the bid received on the above referenced bid item. The bid reflects an increase in material cost from the previous bid on file with the County with a range increase from 7 percent to 75 percent. The County received only one bid for said material. I am recommending that the County accept the sole bidder due to the fact that we do not have a vendor under contract and the bid meets specifications.

I recommend that we consider awarding the bid for 6 months, if possible, to allow the market to open up to other vendors which would create a greater opportunity for a more competitive bid.

If you should have any questions, or require additional information, please advise.

Respectfully,
HIDALGO COUNTY PLANNING DEPARTMENT

Raul E. Sesin, P.E., C.F.M.
Planning Administrator
