Marty,  
Attached is the draft contract for legal's review as to form pursuant to the buyer's specifications and requirements of the RFP. The buyer needs to place an agenda item for approval of the specification with the authority to advertise however it needs legal's approval of the draft contract before she proceeds.

Mercedes Salinas Espinosa assisted me with the contract back on October of 2008 and was signed by legal but I do not have the actual correspondence where legal had pre-approved this contract (see attached signed contract), therefore, I feel that it needs to be reviewed by legal as to form before the buyer proceeds.

Thank you
