Subject: Las Milpas Park Lighting-Donation

Monica, could you please place this item on agenda Pct. 2

Approval to accept donation from Excel Soccer Academy for lighting equipment including installation at the Pct.2 Las Milpas Park soccer field.

EXCEL SOCCER ACADEMY

October 10, 2011

Mr. Hector "Tito" Palacios
Hidalgo County
Precinct 2 Commissioner

Dear Mr. Palacios:

Excel Soccer Academy is a group of soccer enthusiasts who have been providing a recreational service to children from the south Pharr/Las Milpas area since September 2003. I have a very responsible and caring staff helping me work and train with these kids. They are experienced trainers who share my same passion for the game and together we are all transmitting our experience and knowledge about soccer to the kids. We hold practices Monday thru Thursday from 6:30 to 8:00 PM. However, due to the daylight savings time and the need to utilize the Hidalgo County Park in the evenings, Excel Soccer Academy wishes to donate the materials and labor necessary in order to provide the poles and lights desired for the lightening of the park. Enclosed is an estimate for the required services that was forwarded by Magic Valley Electric. The children of south Pharr will benefit greatly from the much needed lighted play areas. Please review the enclosed information and allow Excel Soccer Academy to pursue the lightening of Hidalgo County Park. Your assistance and cooperation in this matter will be greatly appreciated by the youth of the south Pharr/Las Milpas area.

I am at your service and will await your response. If you feel you need more information or if you need clarification on anything mentioned on this letter, please do not hesitate to call me at (956) 429-6269.

Respectfully,

A handwritten signature in black ink, appearing to read 'Lucio Martinez', written over the word 'Respectfully'.
