Monica,

Forwarding this email message to you to inform you the status of the Weslaco building. I will go ahead and send in the request for rent payment for November today and at the same time will start notifying them to cease the rental effective at the end of the month.

Please let me know if you have any questions.

Captain,

We will not be able to clear out all of the items at the Weslaco office on south International until sometime in November. It would be to our advantage to keep the facility until November 30, 2011.

Thanks,

Herman,

Do you know when everyone will be out of the County Weslaco Office so that we can answer these questions for Monica at the County?

Capt. Rodriguez,

Would you be able to give me a specific date as to when the building in Weslaco will be vacated? Just spoke with Monica and I am suppose to call to give notice to Siesta Village to turn over the building to them. Monica suggested to give them notice at the end of November and pay November's rent.

Please let me know. I also need to notify Superior Alarms on the cut off service.
