Re: “Sole Source Declaration” - T-Comm

Hidalgo County Juvenile Probation Department as well as other elected offices, departments, programs and agencies currently possess equipment and are part of the Edinburg Regional Radio System. That system utilizes equipment described as M/A-Comm Harris Radios.

Harris Dailey-Wells is the exclusive authorized distributor for the sale of the M/A Comm Harris equipment. In turn, Dailey-Wells’ sole authorized service center for this type of equipment is T-Comm located in Hidalgo County.

Currently the Hidalgo County Juvenile Probation Department requires the repair, service and maintenance of this equipment. Therefore, it is necessary for the Hidalgo County purchase repairs, subscriber fees, replacement and maintenance of the equipment through T-Comm the sole source in Hidalgo County.
